Glenn L. Bower,2011 Johann Paul Ba r was born in 1795 in Roigheim Germany He married Mary Elizabeth Pfeiffer in 1822 hey had six sons They emigrated in 1833 and settled in Ohio He died in 1867 Mostly Morgenthau: A Family History

Henry Morgenthau III,2019-10-28 Mostly Morgenthau is the intimate portrait of an extraordinary American family which included an ambassador a cabinet member prominent businessmen and a Pulitzer Prize winning historian Reaching back to the eighteenth century Henry Morgenthau III tells the story of this Jewish family tracing the careers of his great grandfather the dynamic but unstable Lazarus Morgenthau 1815 1897 who in 1866 transported his family to New York after making and losing a fortune in Mannheim Germany his grandfather the determined Henry Sr 1856 1946 who recouped the family fortune and retired from business in midlife to devote himself to public service as ambassador to Turkey and plenipotentiary throughout the Armenian crisis of 1913 15 and his father the diffident Henry Jr 1891 1967 who became one of the country s most influential men and as secretary of the Treasury under FDR one of the first Jews to serve in the cabinet From his

privileged vantage point the author describes the Bretton Woods Conference the controversial Morgenthau Plan the scandal surrounding Harry Dexter White his parents remarkably close friendship with Franklin and Eleanor Roosevelt his sister Joan's spectacular White House coming out party the encounter his cousin historian Barbara Tuchman had with Roosevelt and the career of his younger brother Robert Morgenthau US district attorney in New York He also provides an inside picture of the remarkable German Jewish families the Strausses Lehmans Ochses Guggenheims Wertheims who played important roles in American life Henry Morgenthau 3d has written a remarkable book an admiring but still often critical account of an important American family by one of its members The story of the Morgenthaus is classic immigrant history Arthur Hertzberg The New York Times A fondly detailed often humorous intimate family memoir covering the Horatio Alger like rise of an immigrant family to affluence and influence in the New World with a darker more troubling subtext As New York's German Jews emerged from the cocoon of poverty they struggled to camouflage any traces of ethnicity that might distinguish them from the predominantly Christian community Stephen Birmingham Washington Post A fourth generation Morgenthau pens a lively and engaging biography of his family of high achievers overlaid with a fresh view of changing Jewish acculturation during the past two American centuries From letters and family stories the author assembles a gripping and tragic account of the 1915 Armenian massacre Thirty years later during WW II the author's father Henry Jr FDR's secretary of the treasury presented a scathing report to the President on the Acquiescence of the Government to the Murder of the Jews with equal lack of effect Personal history that opens to a larger cultural and political account of the 20th century fluent and passionately humane Kirkus Reviews Storybook histories of old line German Jewish families in America resemble one another to a remarkable degree Mostly Morgenthau the latest and one of the most interesting examples of this genre dissents from the storybook version of events in numerous ways this volume reminds us that American Jewish history is remarkably unpredictable and surprises abound Jonathan D Sarna Commentary Magazine Sprinkled with backroom revelations of the New Deal this dramatic family saga focuses on three patriarchs each driven by a sense of destiny This history of a resilient family includes closeups of FDR Al Smith Ike Eleanor Roosevelt and the author's brother Manhattan district attorney Robert Morgenthau Publishers Weekly Insider family chronicles rarely offer the richness and luster with which the reader is rewarded in Mostly Morgenthau This personalized account is both moving and fascinating As the only recent examination of the Morgenthau impact on American history as an intimate portrait of prominent immigrant society during America's Gilded Age and as a model for those tracing their cultural roots this makes good history Library Journal With the Roosevelts and the Kennedys the Morgenthaus are a family greatly and famously in the service of the Republic This book partly family history partly personal memoir adds in a charming way to the story John Kenneth Galbraith The Morgenthaus were one of those great German Jewish families who broke through the snobbish anti-Semitism of the WASP mainstream in the nineteenth and early twentieth centuries to become a force in American public life This is a charming

intimate portrayal of three fascinating generations in American history Peter Grose I have found Mostly Morgenthau a marvelously engrossing and richly informative account of how a distinguished American family moved from Judaism to assimilation and back to Judaism once more In his four generation story Henry Morgenthau III discusses his forebears with an admirable mix of affection and clear sightedness Not the least of the book s attractions are the lively first hand vignettes it offers of New York s German Jewish patriciate and of FDR and Eleanor Roosevelt at work and play Infinitely rewarding meticulously wrought Mostly Morgenthau is a model of family history a tour de force in a tricky and taxing genre H Stuart Hughes A fascinating volume I am gratified that Henry Morgenthau has made the time and the effort to chronicle one of the most interesting migr families with a background in this country of nearly two centuries Abram L Sachar **The parochial and family history of the deanery of Trigg Minor, in the county of Cornwall** John Maclean,1873-01-01

Genealogical and Family History of Central New York William Richard Cutter,1912 **The History and Antiquities of the County of Leicester** John Nichols,1811 The History of the Gwedir Family Sir John Wynn,1770 **Parochial and Family History of the Parishes of St. Mabyn and Michaelstow in the County of Cornwall** John Maclean,2024-05-09 Reprint of the original first published in 1875 **Relative Histories** Rocio G. Davis,2010-11-10 Relative Histories focuses on the Asian American memoir that specifically recounts the story of at least three generations of the same family This form of auto biography concentrates as much on other members of one s family as on oneself generally collapses the boundaries conventionally established between biography and autobiography and in many cases as Roc o G Davis proposes for the auto biographies of ethnic writers crosses the frontier into history promoting collective memory Davis centers on how Asian American family memoirs expand the limits and function of life writing by reclaiming history and promoting community cohesion She argues that identity is shaped by not only the stories we have been told but also the stories we tell making these narratives important examples of the ways we remember our family s past and tell our community s story In the context of auto biographical writing or filmmaking that explores specific ethnic experiences of diaspora assimilation and integration this work considers two important aspects These texts re imagine the past by creating a work that exists both in history and as a historical document making the creative process a form of re enactment of the past itself Each chapter centers on a thematic concern germane to the Asian American experience the narrative of twentieth century Asian wars and revolutions which has become the subtext of a significant number of Asian American family memoirs Pang Mei Natasha Chang s Bound Feet and Western Dress May lee and Winberg Chai s The Girl from Purple Mountain K Connie Kang s Home Was The Land of Morning Calm Doung Van Mai Elliott s The Sacred Willow family experiences of travel and displacement within Asia in the nineteenth and early twentieth centuries which unveil a history of multiple diasporas that are often elided after families immigrate to the United States Helie Lee s Still Life With Rice Jael Silliman s Jewish Portraits Indian Frames Mira Kamdar s Motiba s Tattoos and the development of Chinatowns as family spaces Maxine Hong Kingston s China Men Lisa See s On

The Locked Safe: A Family Memoir Miriam E. David, 2024-06-19 This family memoir is my back story A Locked Safe with 5 Nazi passports was found after my mother died in 1996 My father had died 16 years earlier Although we knew he was a German Jewish professional engineer fleeing Nazism in 1936 we did not know the details of how his family fled The help of my mother's family the Leas was essential They had fled from pogroms in Ukraine Russia in the late nineteenth century Some were also caught up with Japanese internment camps in China illustrating the diasporic nature of my family My father his elder brother and father were also interned by the British in 1940 1941 I look forward to not only my generation as the so called second generation from the Holocaust but also the third generation specifically my daughter Charlotte Reiner Hershman Although we tell a unique story of one family that story of migration seeking asylum or refuge and being exiled is a very frequent tale nowadays In excavating my parents' backgrounds and their influences on me and Charlotte we show the long term psychological and social effects on our lives and possibly on future generations
