Perspectives on Family Ministry Timothy Paul Jones, 2009-10-01 In *Perspectives on Family Ministry* Timothy Paul Jones makes the case that every church is called to some form of family ministry but what he means by family ministry isn't simply one more program to add to an already packed schedule. According to Jones the most effective family ministries involve refocusing every church process to engage parents in the process of discipling their children and to draw family members together instead of pulling them apart. Jones sets the stage with introductory chapters on the historical contexts and foundations of family ministry. Then three effective practitioners show clearly how your church can make the transition to family ministry. Paul Renfro pastor of discipleship at Grace Family Baptist Church in Spring Texas writes in favor of Family Integrated Ministry where the emphasis is on intergenerational discipleship. Brandon Shields minister to high school students at Highview Baptist Church a multi-site megachurch in Kentucky and Indiana supports Family Based Ministry ministry that organizes programs according to ages and interests but also develops intentional activities and training events to bring families together. Jay Strother minister to emerging generations at Brentwood Baptist Church in Tennessee prefers Family Equipping Ministry maintaining age organized ministry while reorganizing the congregation to call parents to become active partners in the discipleship of their children.

The Bloomsbury Guide to Pastoral Care Bernadette Flanagan, 2014-01-30 *The Bloomsbury Guide to Pastoral Care* provides a framework for reflection on pastoral care practice and identifies frontier learning from the new and challenging practical contexts which are important in pastoral care research today. In this collection of essays from leading practitioner scholars Bernadette Flanagan and Sharon Thornton set out core principles underpinning professional identity and the practice of pastoral care in rapidly changing social settings. Such pastoral challenges as developing compassionate and effective companionship to those who have suffered trauma torture catastrophic events social disintegration the moral wounds of war and cultural dislocation are treated with insight and deep care. The new frontiers of pastoral care in more familiar circumstances such as family health settings where patients facing life challenging medical events and multi-cultural communities are also explored. With contributions from Kevin Egan Michael O'Sullivan SJ Rita Nakashima Brock and Julia Prinz VDMF *The Bloomsbury Guide to Pastoral Care* is an essential reference for the theory and practice of pastoral care.

Christian Marriage and Family Michael G. Lawler,William P. Roberts,1996 A definite shift in the Catholic Church s understanding of marriage took place at Vatican Council II Rather than perceiving marriage as a contract whose primary purpose was the procreation of children the council spoke of marriage as an intimate partnership of life and love Then recapturing an earlier tradition it went on to describe the family as a domestic church In this book seven theologians who have lectured and written extensively on marriage probe the rich theology of marriage and family that emerged from Vatican II and explore some of the implications that flow from this theology Part One reflects on the sacramentality of marriage and on the family as a church of the home Part Two examines the pastoral implications this has for marital and family ministry and spirituality
