Volume 32 in the HSRCA series chronicles the internal quarrels that have occurred in RCA history particularly the landmark secessions that occurred in 1850 1857 and 1882 While exploring the unity and disunity that have characterized the RCA since the Dutch immigration to the United States this study also points out the righteous motivations that lay behind these struggles and shows how these historic quarrels have their counterpart in contemporary debates over the ordination of women and the church s acceptance of homosexuals **The Family Quarrel** Elswyth Thane,1959 **The Family Feud** Adam Hornbook,1855 *The family feud, by Adam Hornbook* Thomas Cooper,1855 *A Family Feud* Annis Lee Wister,Ludwig Harder,2024-08-02 Reprint of the original first published in 1877 *The Handbook of Family Dispute Resolution* Alison Taylor,2012-07-12 No matter your profession attorney clinician family therapist or skill level seasoned professional or novice *The Handbook of Family Dispute Resolution* is an invaluable resource that outlines the most effective mediation approaches techniques and skills *The Handbook of Family Dispute Resolution* is a practical and comprehensive guide that includes A review of professional ethics and standards Help for attorneys who are not trained in the skills needed for working with families Information about cultural issues that affect families during mediation Highlights of key legal and negotiation skills Guidelines for understanding complex family dynamics and conflicts A screening tool for evaluating domestic violence A matrix for starting discussions of parenting plans based on children s needs An examination of specialized practices for family mediation Direction for assessing one s professional approach to family mediation *Family Violence Against Children* Detlev Frehsee,Wiebke Horn,Kai-D. PhD Kellemen,2020-09-15 Pastors and counselors regularly minister to people whose marriages or families are in crisis Tempers run high and feelings are brought low when a marriage is hurting or a family is in disarray Pastors and counselors need practical biblical help in order to connect their theological training to the reality of modern messy relationships These how to training manuals provide relevant user friendly equipping for pastors counselors lay leaders educators and students enabling them to competently and compassionately relate God s Word to marriage and family life *Law, Family, and Women* Thomas Kuehn,2015-08-07 Focusing on Florence Thomas Kuehn demonstrates the formative influence of law on Italian society during the Renaissance especially in the spheres of family and women Kuehn s use of legal sources along with letters diaries and contemporary accounts allows him to present a compelling image of the social processes that affected the shape and function of the law The numerous law courts of Italian city states constantly devised and revised statutes Kuehn traces the

permutations of these laws then examines their use by Florentines to arbitrate conflict and regulate social behavior regarding such issues as kinship marriage business inheritance illegitimacy and gender Ranging from one man's embittered denunciation of his father to another's reaction to his kinsmen's rejection of him as illegitimate Law Family and Women provides fascinating evidence of the tensions riddling family life in Renaissance Florence Kuehn shows how these same tensions often articulated in and through the law affected women He examines the role of the *mundualdus* a male legal guardian for women in Florence the control of fathers over their married daughters and issues of inheritance by and through women An ambitious attempt to reformulate the agenda of Renaissance social history Kuehn's work will be of value to both legal anthropologists and social historians Thomas Kuehn is professor of history at Clemson University

The Narreme in the Medieval Romance Epic Eugene Dorfman, 1969-12-15 In this study Professor Dorfman applies the methods of modern linguistics to literary analysis Literature may be described as the structured use of language the modern linguistic analyzes language in a search for the minimal units of sound and form phoneme and morpheme and determines the combinations by which they can communicate meaning The author here searches for a minimal structural unit in the literary narrative analogous to the phoneme and the morpheme in language structure Based on a detailed analysis of the Roland and the Cid and twelve additional Romance narratives Professor Dorfman's argument is that the structure of the medieval Romance epics may be analyzed into functional units which he calls narremes He divides a narrative into two types of structure the superstructure and the substructure A narrative by definition is a series of incidents All the incidents in the narrative taken as written form the superstructure Analysis however shows that many of the incidents may be abstracted from the narrative without deflecting the story line On the other hand other incidents reveal themselves as organically linked with each other so they cannot be omitted without destroying the story line These selected incidents are the narremes which make up the substructure of the narrative This method of analysis produces so interesting and surprising results results which make an important advance in research in linguistics and Romance literature Eugene Dorfman as an orthodox structuralist has focused strictly on the formal descriptions of the narratives but his analysis leads into the great traditional problems of literary history and in particular poses anew the problem of the origins of the epic **New Directions in Economic Methodology** Roger Backhouse, 1994 In recent years there has been a flowering of work on economic methodology However there is no longer any consensus about which direction this should take or indeed even what the role and content of economic methodology should be This book reflects this diversity Its contributors are responsible for the

major developments in this field and together they give an account of all the major positions which currently prevail in economic methodology These include attempts to rehabilitate the falsification of Kuhn Lakatos and Popper sociology of knowledge approaches different forms of realism contributions from the rhetoric project and other perspectives which view the economy as a text **Satires & Verses** Davison Symmons,1903 Subtitle With Dedicatory poem by John Sandes and a Character sketch by Donald Macdonald **Publishing the Family** June Howard,2001-10-03 Interweaves literary and publishing histories around the collaborative novel THE WHOLE FAMILY in order to explore categories of readers and writers in the U S during the first two decades of the twentieth century Two Years' Residence in a Levantine Family Bayle St. John,1850 **The Family of Richard III** Michael Hicks,2015-03-15 Richard s family was his making and undoing
