Family Violence In United States:

Family Violence in the United States Denise A. Hines, Kathleen Malley-Morrison, Leila B. Dutton, 2012-12-04 Rich in scholarly references and case materials *Family Violence in the United States Defining Understanding and Combating Abuse* Second Edition by Denise A Hines Kathleen Malley Morrison and Leila B Dutton is a thought provoking book that encourages students to question assumptions evaluate information formulate hypotheses and design solutions to problems of family violence in the United States *Family Violence in the United States* Denise A. Hines, Kathleen Malley-Morrison, 2005

Family Violence in the United States Defining Understanding and Combating Abuse examines all types of family aggression The book is designed to provoke readers into questioning assumptions evaluating information formulating hypotheses and designing solutions to problems of family violence in the United States Using an ecological framework authors Denise A Hines and Kathleen Malley Morrison provide a thought provoking and informative discussion not only of the most well recognized forms of maltreatment in families but also of less understood and more controversial issues such as husband abuse parent abuse and gay lesbian abuse **International Perspectives on Family Violence and Abuse** Kathleen Malley-Morrison, 2012-12-06 In this book in which definitions and examples of abuse from men and women from every continent and a very diverse set of backgrounds are considered The volume provides information on the extent to which family violence is a recognized problem in each country research findings available on different forms of family violence and information on governmental responses to family violence Finally the value of an international human rights approach to abuse and violence in families is considered The book presents an unparalleled international coverage addressing all forms of family violence in Australia and at least two countries from every other continent Each chapter begins by describing the cultural context in which family violence and abuse take place These sections emphasize the role of women and children in the country Providing a multitude of voices each chapter includes fascinating and often dramatic definitions and examples of abuse from ordinary citizens of the country The concluding chapter elaborates on the appropriateness of a human rights approach in addressing family violence cross nationally and cross culturally and provides an excellent integration of much of the material from the previous chapters The book is intended for advanced undergraduates and graduate students in psychology and sociology as well as pre professionals and professionals in medicine law and social services It has strong relevance and value to individuals training in counseling counselor education and clinical psychology Because of its readable style and extensive use of quotations from citizens of the countries studied for the book it may also appeal to a much broader audience including a lay audience **Monthly Catalog of United States Government Publications** United States.
