Fun Home Alison Bechdel, 2007 A fresh and brilliantly told memoir from a cult favorite comic artist marked by gothic twists a family funeral home sexual angst and great books This breakout book by Alison Bechdel is a darkly funny family tale pitch perfectly illustrated with Bechdel's sweetly gothic drawings Like Marjane Satrapi's *Persepolis* it's a story exhilaratingly suited to graphic memoir form Meet Alison's father a historic preservation expert and obsessive restorer of the family's Victorian home a third generation funeral home director a high school English teacher an icily distant parent and a closeted homosexual who as it turns out is involved with his male students and a family babysitter Through narrative that is alternately heartbreaking and fiercely funny we are drawn into a daughter's complex yearning for her father And yet apart from assigned stints dusting caskets at the family owned fun home as Alison and her brothers call it the relationship achieves its most intimate expression through the shared code of books When Alison comes out as homosexual herself in late adolescence the denouement is swift graphic and redemptive
