Morey, Wendy Dunn, 1997 Discusses the accomplishments and contributions to society of fourteen Mexican Americans representing a variety of professions **Famous Mexican Americans** Janet Morey, 1997-01-01 Meet fourteen men and women whose accomplishments and heritage have enriched American life **Notable Latino Americans** Richard A. Garcia, Matt S. Meier, Conchita F. Serri, 1997-05-28 U S Latinos have made important contributions to American society and this biographical dictionary is devoted to celebrating those contributions All 127 men and women profiled in this work have immigrated to or been born in the United States and have made major contributions to American life and culture Cuban Americans Puerto Ricans Mexican Americans and others of Spanish South American Central American and Caribbean heritage more than one third of them women represent 35 fields of endeavor and all 50 states From historical figures to the newest sports champion figure skater Rudy Galindo this work provides profiles of both prominent and important but less familiar people who have made significant contributions in their fields Many of those profiled can be found in no other biographical source A selection of photos complements the text All biographies have been written by experts in their ethnic fields Those profiled range widely from distinguished scientists to sports stars from actors to activists from businesswomen to political personalities from literary luminaries to labor organizers All are potential role models for young men and women and many have overcome extreme odds to succeed These colorfully written substantive biographies detail their subjects goals struggles and commitments to success and to their ethnic communities Among the 127 people profiled are Nobel Prize winning scientist Luis Alvarez Treasurer of the United States Romana Acosta Ba uelos actor composer activist Rub n Blades classical dancer Fernando Bujones baseball player Jos Canseco U S Secretary of Education Lauro Cavazos Jr writer Sandra Cisneros fashion designer Oscar de la Renta U S Congressman Lincoln D az Balart teacher Jaime Escalante composer singer Gloria Estefan tennis players Gigi Fern ndez and Mary Joe Fern ndez playwright Mara Forn s U S Men s 1996 Figure Skating Champion Rudy Galindo physician political activist H ctor Garc a Coca Cola CEO Roberto Goizueta labor leader Dolores Huerta U S Ambassador Mar a Luci Jaramillo artist Marisol civil rights activist Vilma Socorro Mart nez businessman politician Jorge Mas Canosa federal judge Harold Medina graphic artist Nicholasa Mohr U S Surgeon General Antonia Novello astronaut Ellen Ochoa Nobel Prize winning biochemist Severo Ochoa TV personality Geraldo Rivera U S Congresswoman Ileana Ros Lehtinen educational psychologist George I S nchez newspaper editor Roberto Su rez women s rights activist businesswoman Mar a Elena Tora o Pant n New York State Supreme Court Judge Edwin Torres mystic Teresa

Urrea film producer director Luis Valdez For ease of use the heading of each profile identifies ethnic group field of endeavor birthdate and where appropriate death date Each profile concludes with a suggested reading list of books and periodical articles about the subject An ethnic index field of endeavor index and a general index make research easy This much needed reference work is essential for school and public libraries      **Famous Mexican-Americans** Clarke Newlon,1972 Summary Brief biographies of twenty Mexican Americans who have made significant contributions in government sports entertainment education and other fields      **Viva!** Ann Fears Crawford,1976 Factual account of famous Mexican Americans and their contribution      Famous Mexican Americans ,      *Champions of Change* Thomas J. Powers,1989 The struggles and successes of ten Hispanic Americans sports figures a musician an artist an astronaut activists et al are compellingly portrayed in brief biographical sketches      **The Dead March** Carri Christinsen,2021-04-24 The story of Mexican Americans is inextricably linked to the fortunes of the United States itself It has long been held that the United States emerged victorious from the Mexican American War because its democratic system was more stable and its citizens more loyal But this award winning history shows that Americans dramatically underestimated the strength of Mexican patriotism and failed to see how bitterly Mexicans resented their claims to national and racial superiority Their fierce resistance surprised US leaders who had expected a quick victory with few casualties Under Spanish Mexican and American flags the Los Angeles harbor area has developed many industries and businesses that survived on Mexican labor supporting families of Mexican origin for more than a century Pioneering Mexican Americans have worked the railroads fields canneries plants refineries waterfront and family owned businesses for generations forming strong bonds and lifelong friendships Active in the military and sports as well as involved in the church and community Mexican Americans have overcome poverty hardships and discrimination retained cultural values and customs intermarried and assimilated with other cultures and become the largest ethnic group in Wilmington Many of the early families still have relatives that live and work in Wilmington with sons and daughters achieving successful careers in various realms      Mexican Americans and Sports Jorge Iber,Samuel Octavio Regalado,2007 For at least a century across the United States Mexican American athletes have actively participated in community based interscholastic and professional sports The people of the ranchos and the barrios have used sport for recreation leisure and community bonding Until now though relatively few historians have focused on the sports participation of Latinos including the numerically preponderant Mexican Americans This volume gathers an important collection of such studies arranged in rough chronological order spanning the period from the late 1920s through the present They survey and analyze sporting experiences and organizations as well as their impact on communal and individual lives Contributions spotlight diverse fields of athletic endeavor baseball football soccer boxing track and softball Mexican Americans and Sports contributes to the emerging understanding of the value of sport to minority populations in communities throughout the United States Those interested in sports history will benefit from the book s focus on under studied Mexican American participation and those

interested in Mexican American history will welcome the insight into this aspect of the group's social history      **The Mexican American Experience** Matt S. Meier, Margo Gutiérrez, 2003-12-30 Mexican Americans are rapidly becoming the largest minority in the United States playing a vital role in the culture of the American Southwest and beyond This A to Z guide offers comprehensive coverage of the Mexican American experience Entries range from figures such as Corky Gonzales Joan Baez and Nancy Lopez to general entries on bilingual education assimilation border culture and southwestern agriculture Court cases politics and events such as the Delano Grape Strike all receive full coverage while the definitions and significance of terms such as coyote and Tejano are provided in shorter entries Taking a historical approach this book's topics date back to the 1848 Treaty of Guadalupe Hidalgo a radical turning point for Mexican Americans as they lost their lands and found themselves thrust into an alien social and legal system The entries trace Mexican Americans' experience as a small conquered minority their growing influence in the 20th century and the essential roles their culture plays in the borderlands or the American Southwest in the 21st century      *The Columbia History of Latinos in the United States Since 1960* David Gregory Gutiérrez, 2004 Offers a comprehensive historical overview of the Latinization of the United States that has occurred over the past four decades Brings together the views of some of the foremost scholarly interpreters of the recent history of Latinos in the United States      Medieval Culture and the Mexican American Borderlands Milo Kearney, Manuel Medrano, 2001 Their respective ancestral cultures in England and Spain argue scholars Milo Kearney and Manuel Medrano had common roots in medieval Europe and both their conflicts and the shared understandings that may form the basis for their cooperation trace back to those days BOOK JACKET      *Famous Hispanic Americans* Janet Morey, Wendy Dunn, 1996 A collection of short biographies on famous Hispanic Americans      *The Encyclopedia of the Mexican-American War* Spencer C. Tucker, 2012-10-09 This user friendly encyclopedia comprises a wide array of accessible yet detailed entries that address the military social political cultural and economic aspects of the Mexican American War The Encyclopedia of the Mexican American War A Political Social and Military History provides an in depth examination of not only the military conflict itself but also the impact of the war on both nations and how this conflict was the first waged by Americans on foreign soil and served to establish critical U S military political and foreign policy precedents The entries analyze the Mexican American War from both the American and Mexican perspectives in equal measure In addition to discussing the various campaigns battles weapons systems and other aspects of military history the three volume work also contextualizes the conflict within its social cultural political and economic milieu and places the Mexican American War into its proper historical and historiographical contexts by covering the eras both before and after the war This information is particularly critical for students of American history because the conflict fomented sectional conflict in the United States which resulted in the U S Civil War      Hispanic American Heritage Michael Shepherd, 1995-07 Explore the history and traditions of Hispanic Americans through a wide range of activities      *The Mexican-American Experience* Elizabeth Coonrod

Martinez,1995 Conditions in Mexico that produce a flow of immigrants are discussed with information on the contributions of Mexican Americans brief biographies of famous Mexican Americans     Diversity in the Power Elite Richard L.
