The woman, with long blonde hair, is leaning her head against his chest and looking down. They are both wearing light-colored shirts. Often we end up paralysed with indecision, afraid that making the wrong choice, whether it's going to the wrong university, applying for the wrong job, or moving to the wrong place, will ruin our lives. So how do we make good decisions? When does the Bible guide us, and when should we just use our common sense or talk things through with friends and family? Using his huge experience and pastoral heart, Paul Mallard comes right alongside us in *Invest Your Future* to help us practice spiritual discernment. He shows us where to find wisdom and how it works in God's economy. He helps us find the balance in what is for many of us a constant challenge. He teaches us how to understand God's purpose so we can see what are the truly important factors in making our decisions. You don't have to spend your life in indecision, confusion, guilt, or regret. Drawing on examples from Scripture as well as from life, *Invest Your Future* shows how you can cultivate spiritual discernment in order to grow in maturity and wisdom and know where to turn for guidance when making decisions. If you have ever questioned how to make good decisions or find yourself worrying and second-guessing your choices, this is the book for you. Compassionate and grounded, *Invest Your Future* will leave you more confident in your own and in God's wisdom so that you can make sure-footed, stress-free choices in the future.

When a Man Doesn't Text You Back Tatiana Busan, 2024-11-07 How many times have you stared at your phone waiting for a text or a response from him? How many times have you checked your phone while waiting for him to respond? He used to text you every single day. It hurts when a man forgets that you exist. Not to mention the almost compulsive urge to check your phone every time a notification pops up with the thought it could be him. You're wondering what to do, thinking about calling him and asking him what happened, not knowing if it's a good idea to call.
