Fall Of The House Of Beaverbrook:

Read All About It! Kevin Williams, 2009-09-16 This Text book traces the evolution of the newspaper documenting its changing form style and content as well as identifying the different roles ascribed to it by audiences government and other social institutions Starting with the early 17th century when the first prototype newspapers emerged through Dr Johnson the growth of the radical press in the early 19th century the Lord Northcliffe revolution in the early 20th century the newspapers wars of the 1930s and the rise of the tabloid in the 1970s right up to Rupert Murdoch and the online revolution the book explores the impact of the newspapers on our lives and its role in British society Using lively and entertaining examples Kevin Williams illustrates the changing form of the newspaper in its social political economic and cultural context As well as telling the story of the newspaper he explores key topics in detail making this an ideal text for students of journalism and the British newspaper Issues include newspapers and social change the changing face of regional newspapers the impact of new technology development of reporting techniques forms of press regulation

The British Press and the Greek Crisis, 1943-1949 Gioula Koutsopanagou, 2020-02-01 This book provides the first detailed analysis of how interactions between government policy and Fleet Street affected the political coverage of the Greek civil war one of the first major confrontations of the Cold War During this period the exponential growth of media influence was an immensely potent weapon of psychological warfare Throughout the 1940s the press maintained its position as the most powerful medium and its influence remained unchallenged The documentary record shows that a British media consensus was more fabricated than spontaneous and the tools of media persuasion and manipulation were extremely important in building acceptance for British foreign policy Gioula Koutsopanagou examines how this media consensus was influenced and molded by the British government and how Foreign Office channels were key to molding public attitudes to British foreign policy These channels included system of briefings given by the News Department to the diplomatic correspondents and the contacts between embassies and the British foreign correspondents

Plant Here The Standard Dennis Griffiths, 2016-07-27 Plant Here the Standard tells the story of the world's oldest evening newspaper the London Evening Standard Commencing in the time of Oliver Cromwell it traces the history of the Baldwin Family fearless Protestant publishers whose successors launched The Standard in 1827 Later owners of the paper were to include C Arthur Pearson founder of the Daily Express Lord Beaverbrook and now Lord Rothenberg And throughout there are tales of the paper's scoops its famous journalists and cartoonists and its political involvements

The Ascent of Media Roger Parry, 2011-09-22 Media's story from its earliest incarnation in the clay tablets of Gilgamesh up to the world of digital content

Lords of Fleet Street Richard Bourne, 2015-07-24 Originally published in 1990 The Harmsworth family starting with Lord Northcliffe 1865 1922 is the greatest and most influential press dynasty Britain has known The dynasty has had by far the greatest impact on the shape of the press today of all the great press families The Harmsworths were big bold characters enormously rich and with a gift for flamboyant use of their wealth

Much more important though is the way they used their influence on public opinion to steer the country's political and social life. Public opinion was a force that the Harmsworths harnessed before anyone else and they quickly understood how to use it as a political tool. This book is constructed as four biographies which together make up the central story of the popular press in Britain. Their story continues to have relevance.

Debrett's Bibliography of Business History Stephanie Zarach, 1987-06-18

Manufactured Schema David V. Khabaz, 2006 A couple of decades after Margaret Thatcher managed to radically transform the rules of industrial relations in Britain there has been a great deal of debate, comment and analysis by a wide range of commentators with various ideological persuasions. Thatcherism has therefore become an infamous concept in the study of modern British politics. This book re-examines one of the most controversial features of that era: the relationship between the media, in particular the press, the Prime Minister and the trades unions in the 1980s. The book is based on the assumption that Thatcher's policies were supported by the most partisan press industry to date. This assumption is empirically substantiated with the aid of a comprehensive research program. This research compares the editorials of the national press in the 1970s to provide a more in-depth understanding of the differential outlook of the press to the miners and their strikes. Through an added qualitative scrutiny of the role of Murdoch's newspapers in three successive general elections involving Thatcher, the book argues that the relationship between Thatcher and Murdoch had a deep impact not only upon the press but on British society as a whole.

Vidura, 1983

The Life and Death of the Press Barons Piers Brendon, 1983

The Spectator, 1924 A weekly review of politics, literature, theology and art.

Subject Catalog Library of Congress,

The Bookseller, 1979 *Oxford Dictionary of National Biography* British Academy, 2004-09-23 55 000 biographies of people who shaped the history of the British Isles and beyond from the earliest times to the year 2002.

To the Point News in Depth, 1980 [Subject Catalog, 1981](#) Library of Congress, 1981

New York Magazine, 1973-12-10 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea.

[Churchill](#) Andrew Roberts, 2018-11-06 NEW YORK TIMES BESTSELLER One of The Wall Street Journal's Ten Best Books of 2018 One of The Economist's Best Books of 2018 One of The New York Times's Notable Books of 2018. Unarguably the best single volume biography of Churchill. A brilliant feat of storytelling monumental in scope yet put

together with tenderness for a man who had always believed that he would be Britain's savior Wall Street Journal In this landmark biography of Winston Churchill based on extensive new material the true genius of the man statesman and leader can finally be fully seen and understood by the bestselling award winning author of Napoleon and The Last King of America When we seek an example of great leaders with unalloyed courage the person who comes to mind is Winston Churchill the iconic visionary war leader immune from the consensus of the day who stood firmly for his beliefs when everyone doubted him But how did young Winston become Churchill What gave him the strength to take on the superior force of Nazi Germany when bombs rained on London and so many others had caved In Churchill Andrew Roberts gives readers the full and definitive Winston Churchill from birth to lasting legacy as personally revealing as it is compulsively readable Roberts gained exclusive access to extensive new material transcripts of War Cabinet meetings diaries letters and unpublished memoirs from Churchill's contemporaries The Royal Family permitted Roberts in a first for a Churchill biographer to read the detailed notes taken by King George VI in his diary after his weekly meetings with Churchill during World War II This treasure trove of access allows Roberts to understand the man in revelatory new ways and to identify the hidden forces fueling Churchill's legendary drive We think of Churchill as a hero who saved civilization from the evils of Nazism and warned of the grave crimes of Soviet communism but Roberts's masterwork reveals that he has as much to teach us about the challenges leaders face today and the fundamental values of courage tenacity leadership and moral conviction

Popular Newspapers, the Labour Party and British Politics James Thomas, 2007-05-07 This book traces the relationship between the popular press and the Labour Party from the early twentieth century through the Second World War and up to the current day

Canadiana, 1982
