*Persons, Powers, and Pluralities* Eric G Flett, 2012-05-31 Through an intimate conversation with the writings of Thomas F Torrance Flett articulates a Trinitarian theology of culture Torrance s work suggests that Christian assumptions in the areas of God creation and humanity had an important influence upon the development of Western scientific culture This book develops each of these areas of Torrance s thought in order to articulate a theology of culture rooted in a Christian understanding of God as triune creation as contingent and human persons as stewards created in the image of God Drawn together these three areas of Torrance s thought suggest that human culture and cultural plurality ultimately originate in the creative action of a triune God mediated through the creative activity of the human creature as it engages a contingent created order in its attempts to foster human flourishing and to bear embodied witness to its Creator The result is not only a unique contribution to the emerging secondary material on Torrance s work but also a contribution to the field of theology of

culture as a systematic locus in its own right      *Dragontiarna: Wraiths* Jonathan Moeller,2020-02-02 Ridmark Arban is the Shield Knight of Andomhaim and he has always gone into battle alongside the deadly Third of Nightmane Forest But now Third finds herself trapped in a strange new world of deadly magic Unless Third learns to master the dangers of this new world they will destroy her Or the Heralds of Ruin will find her and kill her      **Malison: The Complete Series** Jonathan Moeller,2019-11-15 All four books of the internationally bestselling MALISON series combined in one volume The histories of Old Earth record that in the Year of Our Lord 778 Charlemagne's rearguard under the command of Count Roland of the Breton March was ambushed and slain to a man But Roland and his men were drawn through a magical gate to a new and strange world of magic and deadly creatures A world where every man no matter what his estate or rank no matter how poor or common or rich and influential was born with the power of magic But the magic of this world carries a deadly curse and the price for abusing its power is ruinous This then is the story of the kingdom they built and the knight who would decide its fate      **What the Bible Actually Teaches on Women** Kevin Giles,2018-10-19 Kevin Giles has been writing on women in the Bible for over forty years In this book What the Bible Actually Teaches on Women he gives the most comprehensive account to date of the competing conclusions to this question and the issues surrounding it To understand the bitter and divisive debate among evangelicals over the status and ministry of women it needs to be understood that those who since 1990 have called themselves complementarians argue that in creation before the fall God set the man over the woman Thus the leadership of the man and the subordination of the woman in the home the church and wherever possible in the world the whole creation is the God given ideal that is pleasing to God It is this theology that Kevin Giles deconstructs and shows to be without a biblical foundation Giles shows that he is fully conversant with the complementarian position and yet is unpersuaded by it He sees it as an appeal to the Bible to preserve male privilege similar to the appeals to the Bible to validate slavery and Apartheid appeals to the Bible made by some of the best Reformed and evangelical biblical scholars and now seen to be special pleading Carefully studying the limited number of texts on which complementarians predicate their theology of the sexes Giles finds not one of them actually teaches what complementarians claim Furthermore complementarians too often ignore the texts that are very difficult for them In this book the ordination of women gets only passing mention The constant focus is on whether or not the Bible subordinates women to men as an abiding theological principle      **Dragontiarna: Defenders** Jonathan Moeller,2020-07-20 The realm of Andomhaim reels beneath the invasion of Warlord Agravhask and Ridmark stands in his path Ridmark knows that Agravhask is only the servant of the mighty Warden of Urd Morlemoch and the realm must be ready to face its true foe But the Warden knows that Ridmark can stop him and has dispatched the Heralds of Ruin to slay the Shield Knight Third of Nightmane Forest has seen the trap and rushes to save her friend If she fails the Warden and his dark Heralds will triumph and darkness will swallow the world      50 Years of Boss Fights Daryl Baxter,2024-08-30 50 Years of Boss Fights celebrates a fading art in modern games Author Daryl Baxter has

of a Seance Stanley Edward McMullin,2004 The first serious study of Spiritualism in Canada **The Genesis of Gender** Abigail Favale,2022-07-21 The question of gender who we are as men and women has never been more pressing or more misunderstood Weaving personal experience with expert knowledge Dr Abigail Favale provides an in depth yet accessible account of the gender paradigm a framework for understanding reality and identity that has recently risen to prominence Favale traces the genealogy of gender to its origins in feminism and postmodern thought describing how gender has come to eclipse sex and how that shift is reshaping language law medicine sexuality and our own self perceptions With substance clarity and compassion Favale teases out the hidden assumptions of the gender paradigm and exposes its effects Yet this book is not merely an expos it is also a powerful moving articulation of a Christian understanding of reality a holistic paradigm that proclaims the dignity of the body the sacramental meaning of sexual difference and the interconnectedness of all creation The Genesis of Gender is a vital timely resource for anyone seeking to better understand the gender paradigm

and how to live beyond it      *Diversity in Visual Representations of the Past* Jo Zalea Matias, Nicola Scheyhing, Doris Gutmiedl-Schumann, 2025-09-26 This volume presents an overview of the diversity or lack thereof in visual representations of the European past that are found in archaeology museums and media While publications discussing gender stereotypes in European archaeological media exist other identities remain underrepresented namely Black Indigenous and People of Color BIPOC those with visible and invisible disabilities and very young and very old This volume offers insight into these gaps in European media and archaeology while also providing alternative explanations for interpreting these often stereotyped identities and methodologies for inclusion The chapters within this volume are divided into four themes Themes cover the development of images of the past and discusses how images are chosen in museums The book identifies who is missing in images of the past with topics on representing individuals with disabilities children in museums the Other in Roman art and Scythians in museums and books and critiques approaches to representation and diversity in media such as in textbooks popular media and children s books Finally the book challenges the lack of diversity and a proliferation of stereotypes in images of the past and asks how do we improve on them and create new ones Overall this book addresses the need for diversity in images both within academic archaeology and with the broader public      Salvation & Godly Rule R. J. Rushdoony, 2019-05-22 Man was called to dominion Gen 1 26 28 and to establish his reign over the world under God By his fall man introduced the reign of death into the world and as long as he remains in the Fall sin reigns in him unto death both in time and eternity Christ however by His grace and the gift of righteousness enables man to reign in this world and to reign through righteousness in time and eternity Salvation means reigning As formerly rebellious slaves we are now established in kingship and described as more than conquerors Rom 8 37 in Christ because we are also kings The full meaning of salvation cannot be understood apart from the fact of reigning The multiple use of the word reign in Romans makes clear the centrality of reigning in the doctrine of redemption To defer this fact to another world is a false separation into two alien realms one the material surrendered to one god and the other spiritual reserved for the other god Neither is Biblical St Paul is emphatic we reign in life The Biblical doctrine of salvation requires it      **Biblical Ethics and Social Change** Stephen Mott, 2011-03-23 A scholarly synthesis of biblical studies and Christian social ethics designed to provide a biblical argument for intentional institutional change on behalf of social justice      **Walter Benjamin and Political Theology** Brendan Moran, Paula Schwebel, 2024-05-16 Tracing Walter Benjamin s convergences with and divergences from influential German legal theorist Carl Schmitt this edited collection contextualizes Benjamin s thinking in the intellectual currents of his time while also placing him in dialogue with traditions and thinkers from antiquity to the present At stake is whether Benjamin presents the possibility of a distinctive political theology a question which the collection addresses without collapsing the tensions internal to Benjamin s thought Benjamin s thought has been a touchstone explicitly or implicitly in numerous efforts to conceive of a new political theology that is not anchored in legitimizing and preserving power but in justice and liberation

Benjamin interrogates the political theological complex from what may be construed as a vantage point opposed to Schmitt Whereas Schmitt excavates the theological elements in modernity in order to shore up liberalism's illiberal inheritance Benjamin roots out these latent structures in order to dissolve them and liberate us from their oppressive legacy This volume's multifaceted contributions explore why Benjamin has been such a fertile source for thinking about political theology beyond and often against Schmitt Benjamin indicates how existing political theologies can be challenged or expanded This book accordingly makes a wide range of relevant work available for study whilst also opening new perspectives on Benjamin's oeuvre

Thinking Christ Jane Barter Moulaison, 2012-05 Jane Barter Moulaison's remarkable book engages contemporary critical understandings of Jesus Christ including postcolonial feminist pluralist ecological and socialist to argue that the core convictions of traditional Christology remain a viable valuable and even indispensable witness to the gospel in an imperiled world Contemporary theology often makes a virtue of deconstructing traditional claims about the person and work of Christ Claims about the central significance of Jesus Christ appear to be oppressive intolerant and even violent Jane Barter Moulaison engages several contemporary christological critiques of classical Christology and argues that such critical theologies are not undermined by the claim of Christ's central significance but are rather radicalized by it She ably re-reads the tradition that seeks to interpret Christ's saving activity in light of several contemporary theological and political concerns In so doing she suggests that there are extraordinary resources available to those who long for political and material transformation precisely through the abandonment of spiritualized answers to Jesus' question Who do you say that I am
