*Revelations of the Fallen* D. E. Phoenix, 2012-10 Revelation of the fall The Blasphemy of Astrial Belthromoto The name of the book is called Revelation of the Fallen The Blasphemy of Astrial Belthromoto The story begins at the end of creation the end of our lives in this universe and the destruction of them by a being called Eversor The main character Astrial is a fallen angel telling the story from his perspective beyond the creation of this universe and into a reality where the a Creator of all Creator resides He was the angel of intelligence and the most high scribe before he fell himself He takes you through his torment by Evil and how he is forced to chose between these world that he doesn t really belong to He shares insight into how evil was born and most importantly how everything we think we know about good and evil is really motivated by agendas He introduces you to the four Eternals that have a lot to with how this story plays out He then gives you insight into the war in heaven the fall of the angels and how a small decision by a being led to this obsession with man He gives you the history of the earth and the makers of mankind and their civilizations that still exist today He leads you out of the garden of Eden and shows you the very rocky relationship between Adam and eve Astrial finally leads you into the final wars of mankind when there was ordered a mass exodus from this planet leaving us totally alone **Fallen** Margaret Lind, 2010-07 Father Paul Rourke is a young priest in a small rural town Well respected and kind serving others and his Lord is his calling But Paul s life is forever changed when he unexpectedly meets Jersey Blaine a victim of domestic violence As he counsels Jersey his attraction to her is undeniable Paul soon faces the realization that he is falling in love with a woman who he has promised to protect As the young priest struggles to resist temptation he suffers a tragic loss that leaves him weak and vulnerable Father Paul finds himself in a position where he must make a choice between his Church and the woman he loves The choice seems clear until he learns that Jersey may not be who she says she is Deceived and betrayed Father Paul begins to question everything that he believes When Paul learns that the local authorities want him for questioning he knows that the time has come to pay for his sins Accused of a crime that he did not commit a tormented Paul loses his will to fight Will his transgressions cost him his Church his freedom or his life **Wicked Temptations** Riti Prasad, 2017 Wicked Temptations by Riti Prasad is based on Navras the nine emotions of life and a chance to notice the stories that go around us For a change ever wondered what it d be like to walk in anybody else s shoes Ever tried to fit in them Or be a character in another person s story We all see them looking at each other because we can t help but notice them Some of them are absolute white some turn grey and the touches of grey along with the softening around edges tell such stories Find yourself a slice of life through everyday stories about each and every one of us *The Cambrian* , 1894 *The Tempted* John Kirk, 1859 **Lead Us Not into Temptation** Raymond Arroyo Jr., 2010-06-07 Lead Us Not Into Temptation is a spiritual book as given to me by God This book is different from other spiritual books in that it connects man with his sole link to God and that is through his own soul Regardless of ones religion or persuasion this book is for all people to find their way back to

God For secularism religion and intellectualism have failed miserably in bringing true peace and love into this world be it in the past our present and probably in our future also Jesus once said truly truly you must be born again of the spirit For that which is of water is water the body and that which is of spirit is spirit For the Father is spirit and for us to worship Him we must worship in spirit and in truth This is a universal law the same for all people all over the world regardless of their religious beliefs For we all worship the same one God and He must be worshipped in spirit and in truth The purpose of this book is to help people change from their secular life to a spiritual life and to develop a closer walk with God in their daily lives By which we then begin to worship God the Father in spirit and in truth This is the one pathway never chosen by man and is the pathway to peace on earth and good will towards all men It is the pathway to the salvation for all mankind Part One Lead Us Not Into Temptation explores the history of man back to the Garden of Eden and the first temptation where man falls from grace Man after that incident embarks on a journey of secularism worldliness and materiality which only separates him more and more from God Although man has had the opportunity to live in the time of the great prophets of God and with Jesus himself he has still maintained a steady course in his secular worldly lifestyle constantly refusing to follow the spiritual path of God This stubbornness of man has brought him to where we find our world today in the grips of a huge recession and probably a depression and world tensions and terrorism threatening the peace of the world Part Two Deliver Us From Evil teaches how one can develop a life of spirituality and redemption from both God and from oneself I begin with the prophecies of God as given to us in the Holy Bible and in the Bible codes I explain how these prophecies line up with our generation living on Earth right now and are 100% accurate and have all been fulfilled to date They are Gods warning to us that we cannot go on living worldly secularly lives for we are reaching the end of the road the End Times as predicted in the bible It is a warning meaning we can change the future from doom and gloom to eternal bliss but it is up to each of us That unless we are willing to make some very fundamental changes in our lives towards one another and to God we wont survive as a civilization That without faith hope and love in God we are doomed to repeat our mistakes I teach the power of prayer and how that through prayer with God one will find the answer and changes for their lives I show how a prayer life is the only link we have to God the Father Through daily prayer one will begin the process of recreating a life of spirituality I teach the principles of a spiritual life and the fruits of Gods Holy Spirit How God works the fruits into your life changing you from your former self imperfections and dislikes into the new person filled with the wonderful fruits of Gods Holy Spirit I explain that the key of life is love for without love there could be no God no universe no us This book is for all people of all races all religions to find the cure to life that has escaped them all through the years It will unite the reader to a one to one relation with God and a healing and rebirth for their souls
