## **Falling Through Darkness:**

Falling Through Darkness Carolyn MacCullough, 2003-10-05 Ginny can't resist daredevil Aidan until the night he crosses the line between games and reality. She survives, he doesn't, and everyone thinks it's an accident. Lost somewhere between past and present, she meets Caleb, a much older man with secrets of his own. In richly limned scenes, Carolyn MacCullough debuts as a strong new voice in young adult literature.

*Finch* Jeff VanderMeer, 2022-01-11 From Jeff VanderMeer, the author of *Borne* and *Annihilation*, comes the paperback reissue of his cult classic *Finch*. In a deserted tenement in an occupied city, two dead bodies lie on a dusty floor as if they have fallen out of the air. One corpse is cut in half; the other is utterly unmarked. One is human; the other isn't. The city of Ambergris is half ruined, rotten, its population controlled by narcotics, internment camps, and acts of terror. But its new masters want this case closed urgently. Detective John Finch has just one week to solve it or be sent to the camps. With no ID for the victims, no clues, no leads, and precious little hope, Finch's fate hangs in the balance. But there is more to this case than meets the eye. Enough to put Finch in the crosshairs of every spy, rebel, informer, and traitor in town. Under the shadow of the Eldrich tower, the occupiers are raising above the city. Finch is about to come face to face with a series of mysteries that will change him and Ambergris forever. Why does one of the victims most resemble a man thought to have been dead for a hundred years? What is the murders' connection to an attempted genocide nearly six hundred years ago? And just what is the secret purpose of the occupiers' tower?

*There Is a Place Where We Meet* Purcell Mark Purcell, Mark Purcell, 2009-10 After over 25 years of working with people and attempting to help them as a psychotherapist trainer and teacher I have not only walked through the joys and struggles of my own life experiences and those of family and friends but I have had the benefits and privilege of learning and living vicariously while listening to untold hours with literally thousands of clients during their own struggling and searching I have been encouraged by and privileged to watch the healing growth and transcendence from life's struggles of thousands of people and I have felt pain and sadness in witnessing the deterioration resistance and self destruction of countless others I have come to believe that the primary determining factor of whether one experiences transcendence or deterioration is a determined willingness to go through the struggles and to develop an attitude that looks courageously into the eye of the storm and says assuredly You will not break me These poems are captured moments of my own experiences and reflections on the journeys of others as we have separately and together enjoyed the sunrises and sunsets while sometimes weathering the storms in between May these poems help you better understand yourself and your fellow travelers and no matter how difficult or deep your own abyss of darkness may you always find Hope

THE RHYTHM OF LIFE Today could not have been Without yesterday's haunting wind Blowing by and changing my life Stirring up realities and other sundry strife The happenings of this hour Would rightfully have no power Without the joys and pains of past Shaping and creating me at last Had even one conversation been altered Or one person or event faltered This moment in which I now breathe Would not now be as is conceived There is a Great Choreographer somewhere someplace Who orchestrates my moves and your every pace Matching our steps in infinite perfect time Then this dance once confusing starts to rhyme
