Falls In Older People Prevention And Management

Allen R. Huang, Louise Mallet

Falls In Older People Prevention And Management:

Falls in Older Persons Rein Tideiksaar,1998 In both hospitals and long term care facilities it s the older patients and residents who are most prone to falling and most vulnerable to serious injury from a fall Staff must constantly be on the alert for hazardous situations and know how to deal with falls This easy to read guide provides just the right amount of information needed by health care staff to prevent and manage this common problem among older adults This book presents a wealth of practical recommendations modifications equipment and resources that will improve the health and safety of older adult patients and long term care residents BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved Falls in Older People Rein Tideiksaar,2002 This book provides the practical recommendations modifications types of equipment and resources that will improve the safety health and quality of life of older patients and residents of long term care facilities It also includes photocopiable forms and discharge checklists BOOK JACKET *Falls in Older People* Rein Tideiksaar,2010 Falls in older people is acomprehensive guide to preventing and managing falls in hospitals and long term care settings Jam packed with practical strategies assessment tools and management practices Falls in Older People includes all the medical rehabilitative and environmental strategies needed in any care setting to protect the safety and health of at risk older adults

Medication-Related Falls in Older People Allen R. Huang,Louise Mallet,2016-07-25 Comprising a single repository of knowledge and scientific evidence in the field this book provides strategies to mitigate fall risk by providing information on the complex interactions between aging processes co morbid conditions and prescribed medications in older patients Geriatric health is becoming a more prominent issue as the population ages and balancing the beneficial effects of medication against the potential and real side effects in these patients involves a deliberate and thoughtful task physiologic aging the accumulation of co morbidities and the use of drugs to manage various conditions and symptoms generates a unique set of problems for each patient Falls are a dreaded event in older people The event can affect a person in a physical and psychological manner resulting in soft tissue and bony injury fear of falling and depression The identification of and reduction in fall risks in older people is a worldwide concern and reducing the incidence of falls is a ubiquitous quality measure of health care delivery Heterogeneity amongst older people precludes a single solution However physicians and others involved in the care of geriatric patients will benefit from the presented insights into how medication use can be modified to limit its impact as a contributing factor WHO Global Report on Falls Prevention in Older Age ,2008 The designations employed and the presentation of the material in this publication do not imply the expression of any opinion whatsoever on the part of the World Health Organization concern ing the legal status of any country territory city or area or of its authorities or concerning the delimitation of its frontiers or boundaries ALC would like to thank three institutions for their financial and technical support the Division of Aging and Seniors Public Health Agency of Canada the Department of Healthy Children Women and Seniors British Columbia Ministry of Health and the British Columbia injury

Prevention and Research Unit For example older people tend to for people at the age of 60 and older in describe a fall as a loss of balance whereas Australia Canada and the United Kingdom health care professionals generally refer to of Great Britain and Northern Ireland UK events leading to injuries and ill health 1 For example Environmental factors encapsulate the the loss of muscle strength leads to a loss interplay of individuals physical conditions of function and to a higher level of frailty and the surrounding environment includ which intensifies the risk of falling due to ing home hazards and hazardous features some environmental hazards see Chapter 3 in public environment Health economic status of individuals as well as care impacts and costs of falls in older age the capacity of the community to challenge are significantly increasing all over the them

Evidence-Based Practices to Reduce Falls and Fall-Related Injuries Among Older Adults Cassandra W. Frieson, Maw Pin Tan, Marcia G. Ory, Matthew Lee Smith, 2018-09-20 Falls and fall related injuries among older adults have emerged as serious global health concerns which place a burden on individuals their families and greater society As fall incidence rates increase alongside our globally aging population fall related mortality hospitalizations and costs are reaching never seen before heights Because falls occur in clinical and community settings additional efforts are needed to understand the intrinsic and extrinsic factors that cause falls among older adults effective strategies to reduce fall related risk and the role of various professionals in interventions and efforts to prevent falls e g nurses physicians physical therapists occupational therapists health educators social workers economists policy makers As such this Research Topic sought articles that described interventions at the clinical community and or policy level to prevent falls and related risk factors Preference was given to articles related to multi factorial evidence based interventions in clinical e g hospitals long term care facilities skilled nursing facilities residential facilities and community e g senior centers recreation facilities faith based organizations settings However articles related to public health indicators and social determinants related to falls were also included based on their direct implications for evidence based interventions and best practices

Nursing Care of Older People Andrew Hindle, Alison Coates, 2011-02-10 Nursing care of older people provides a new contemporary evidence based and practical guide to meeting the holistic health needs of older patients With a clear and engaging style the authors outline a rigorous and robust account of underlying principles and evidence with tools and tips for best nursing practice This comprehensive textbook examines the changes brought about by the ageing process to both physical and mental health as well as learning disabilities Providing essential insights necessary to deliver high quality nursing in primary and hospital care this text covers a wide range of issues and clinical topics Learning is aided by case studies nursing insights activities and reflection enabling readers to apply theory to practice This text is particularly useful for pre and post registration student nurses qualified nursing staff and other healthcare professionals working alongside nurses to deliver care to older people The online resource centre to accompany Nursing care of older people features For students and lecturers Additional interactive case studies National policy links Website links to national older people organizations charities and support groups and links

to journals on older patients in health care Audio podcasts on the nursing care of older people A Comprehensive Guide to Safety and Aging Barry S. Eckert, Robert Wolf, Amy R. Ehrlich, 2023-06-16 This book is a comprehensive survey on safety for older adults It contains contributions by experts from over a dozen disciplines including physicians audiologists optometrists mental health professionals lawyers occupational therapists and policy makers This multi disciplinary approach provides a new and expansive conceptual framework for health care professionals students policymakers and others who care for older adults and promotes an understanding of the many challenges that adults face as they age This book describes the complex range of issues that need to be considered when safeguarding older adults We hope that this book will be of benefit to anyone currently working or training to work with older adults helping them to fully appreciate the many safety issues that can arise The book will be also be useful for both older adults and their caregivers helping them to identify and address areas of concern Our goal is to mitigate injury or other harm through an increased understanding of the risks encountered by older adults This text will also appeal to professionals and graduate students in the fields of human factors and ergonomics occupational health and safety Nursing for Wellness in Older Adults Carol A. Miller, 2009 Now in its Fifth Edition this text provides a comprehensive and wellness oriented approach to the theory and practice of gerontologic nursing Organized around the author s unique functional consequences theory of gerontologic nursing the book explores normal age related changes and risk factors that often interfere with optimal health and functioning to effectively identify and teach health promotion interventions The author provides research based background information and a variety of practical assessment and intervention strategies for use in every clinical setting Highlights of this edition include expanded coverage of evidence based practice more first person stories new chapters and clinical tools such as assessment tools recommended by the Hartford Institute of Geriatric Nursing **Physical Management for Neurological Conditions E-Book** Maria Stokes, Emma Stack, 2011-04-19 The third edition of this popular textbook formerly Physical Management in Neurological Rehabilitation and now renamed Physical Management for Neurological Conditions maintains its scientific and research base with extensive use of references and case studies It is the only book for physiotherapists that offers a comprehensive overview of the basic principles of neurological rehabilitation specific neurological neuromuscular conditions and the related physiotherapy treatment approaches used Important areas which feature throughout are discussed in relation to the different neurological conditions and include a non prescriptive multidisciplinary problem solving approach to patient management involvement of the patient and carer in goal setting and decision making client centred practice use of outcome measures to evaluate the effects of treatment in everyday practice use of case studies to illustrate clinical practice scientific evidence of treatment effectiveness Additional specialist editor Dr Emma Stack Refined content but with the inclusion of 4 brand new chapters an introductory chapter on rehabilitation in practice one on respiratory management and two covering self management and falls under the section entitled Skill Acquisition and Learning 11 new expert contributors join the reduced

contributor team of 31 Handbook of Geriatric Care Management Cathy Cress, 2011-03-30 A comprehensive guide for Geriatric Care Managers GCMs to help define duties and procedures while providing guidelines for setting up a geriatric care practice from publisher description **Falls in Older People** Stephen R. Falls In Older People Prevention And Management Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Falls In Older People Prevention And Management PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and

finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Falls In Older People Prevention And Management PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Falls In Older People Prevention And Management free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
