## **Falls Tv Tie In:**

**The Fall of the House of Usher (TV Tie-in Edition)** Edgar Allan Poe, 2023-09-12 A deluxe anthology of works by Edgar Allan Poe that inspired Netflix's *The Fall of the House of Usher* curated by series creator Mike Flanagan. There was an iciness, a sinking, a sickening of the heart, an unredeemed dreariness of thought which no goading of the imagination could torture into aught of the sublime. What was it I paused to think what was it that so unnerved me in the contemplation of the House of Usher? Slip behind the bleak walls and vacant windows of Netflix's reimagining of the mansion of doom in this anthology of works by Edgar Allan Poe that inspired the limited series *The Fall of the House of Usher*. From well-loved classics like *The Raven* and *The Tell-Tale Heart* to lesser-known gems such as *Tamerlane* and *The Murders in the Rue Morgue*, these collected tales have withstood the test of time, haunting readers for nearly two hundred years. With a foreword by series creator and horror maverick Mike Flanagan, this anthology is the perfect viewer's companion to Netflix's *The Fall of the House of Usher*.

**The Paradise (TV tie-in)** Emile Zola, 2013-09-04 A companion edition to the TV series from Masterpiece on PBS. Through charm, drive, and diligent effort, Octave Mouret has become the director of one of the finest new department stores in Paris. At the Bonheur des Dames, supremely aware of the power of his position, Mouret seeks to exploit the desire that his luxuriantly displayed merchandise arouses in the ladies who shop and the aspirations of the young female assistants he employs. Charting the beginnings of the capitalist economy and bourgeois society, Zola captures in lavish detail the greedy customers and gossiping staff and the obsession with image, fashion, and gratification that was a phenomenon of nineteenth-century French consumer society. Of all Zola's novels, this may be the one with the most relevance for our own time.

**Torchwood Declassified** Rebecca Williams, 2013-09-17 Torchwood started its life on television as a spin-off from *Doctor Who*, bringing Captain Jack to join new colleagues in a television series that quickly established itself as fresh and watchable television. Its fourth series, subtitled *Miracle Day*, continued its move from the niche channel of BBC3 to metamorphose into an international production between the BBC and the US network Starz. Torchwood has continued to entertain, provoke, and attract large audiences and an expanding fandom. This is the first critical celebration of Torchwood across its four series, considering issues of representation, the fandom that surrounds the show, and its complex institutional contexts. Focusing in particular on how the meanings and understandings of cult television have shifted and become subject to technological, industry, and marketing changes in recent years, *Torchwood Declassified* explores topics including the show's aesthetics and branding, its use of tropes from the horror genre, its vast tie-in merchandise status as a spin-off, the nature of a celebrity that is both cult and mainstream, as well as the use of sound and music and of cult writers, and Torchwood's connection to place and location. The book will appeal to fans of the series, researchers, and scholars, and anyone interested in ongoing questions over what cult television is, what it means, and why it continues to be of importance.

*True Believer: The Rise and Fall of Stan Lee* Abraham Riesman, 2022-03-01. The definitive revelatory biography of Marvel Comics icon Stan Lee, a writer and entrepreneur who reshaped global pop culture at a steep personal cost. HUGO AWARD FINALIST, EISNER AWARD NOMINEE. *True Believer* is in every imaginable way the biography that Stan Lee deserves: ambitious, audacious, daring, and unflinchingly clear-eyed about the man's significance, his shortcomings, his transgressions, his accomplishments, and his astonishing legacy. Robert Kolker, author of *Hidden Valley Road*. Stan Lee was one of the most famous and beloved entertainers to emerge from the twentieth century. He served as head editor of Marvel Comics for three decades and in that time became known as the creator of more pieces of internationally recognizable intellectual property than nearly anyone: Spider-Man, the Avengers, the X-Men, Black Panther, the Incredible Hulk, the list goes on. His carnival barker marketing prowess helped save the comic book industry and superhero fiction. His cameos in Marvel movies have charmed billions. When he died in 2018, grief poured in from around the world, further cementing his legacy. But what if Stan Lee wasn't who he said he was? To craft the definitive biography of Lee, Abraham Riesman conducted more than 150 interviews and investigated thousands of pages of private documents, turning up never before published revelations about Lee's life and work. *True Believer* tackles tough questions: Did Lee actually create the characters he gained fame for creating? Was he complicit in millions of dollars worth of fraud in his post-Marvel life? Which members of the cavalcade of grifters who surrounded him were most responsible for the misery of his final days? And above all, what drove this man to achieve so much yet always boast of more?
