Gaze into the lives of the twentieth century's wealthy and declining WASP establishment in these twelve stories by the author of *The Education of Oscar Fairfax* No one else writes about the moral life of America's moneyed class with anything approaching Louis Auchincloss's understanding sympathy irony and humor In this his first book of short fiction since the acclaimed *Collected Stories* he again brings us news that no other writer can deliver news about how America's great families and fortunes are run and the axes and crises on which they turn Here is how the privileged view their privilege some with smugness some with style some with a crushing sense of civic and personal responsibility Here is how the rich marry how they divorce and more important why Here definitively and indelibly is the eastern seaboard's Wasp establishment sometimes in its glory more often in its decline and always with its values assumptions and increasingly fragile sense of self held up for our scrutiny by a master the most subtle critic of American manners since Edith Wharton Praise for *The Atonement and Other Stories* The 12 stories collected in *The Atonement* reveal a writer at or very near the top of his form

Jackie as Editor Greg Lawrence,2011-01-04 A fascinating window into an aspect of Jackie Kennedy Onassis that few of us know USA Today History remembers Jacqueline Kennedy Onassis as the consummate first lady the nation s tragic widow the millionaire s wife and of course the quintessential embodiment of elegance Her biographers however skip over an equally important stage in her life her nearly twenty year long career as a book editor Jackie as Editor is the first book to focus exclusively on this remarkable woman s editorial career At the age of forty six Jacket went to work for the first time in twenty two years Greg Lawrence who had three of his books edited by Jackie draws from interviews with

more than 125 of her former collaborators and acquaintances to examine one of the twentieth century's most enduring subjects of fascination through a new angle. Over the last third of her life Jackie shepherded more than a hundred books through the increasingly corporate halls of Viking and Doubleday publishing authors as diverse as Diana Vreeland, Louis Auchincloss, George Plimpton, Bill Moyers, Dorothy West, Naguib Mahfouz, and even Michael Jackson. Jackie as Editor gives intimate new insights into the life of a complex and enigmatic woman. Fascinating Town Country Perceptive impressively researched Publishers Weekly. You can tell a lot about the late First Lady's life by the books she loved and those she edited in her nearly two decades as a publishing executive. O Magazine A deeply admiring portrait Kirkus Reviews A must for Jackie fans Sarah Bradford New York Times bestselling author of America's Queen The Life of Jacqueline Kennedy Onassis **The Anniversary** Louis Auchincloss, 1999-07-15 From a New York Times bestselling author A collection of short fiction reminiscent of the work of Henry James and Edith Wharton Library Journal Crisscrossing a tumultuous century these stories evoke lives both blessed and cursed by good fortune and reveal the quotidian conflicts of a wonderfully rich milieu. Here are vignettes that capture the loves and jealousies of marriage and friendship recall days of a rarefied aristocracy and hint at a new ambitious young elite. In the title story a tour de force of humor and emotion a clergyman prepares a toast for his twenty-fifth wedding anniversary but gets stuck when it comes to his wife's five-year affair. The narrator in DeCicco v Schweizer imagines the lives of the plaintiff and defendant and spins a wicked tale about a 1902 marriage born more of convenience than of love. And in The Last of the Great Courtesans we meet the unforgettable Milly Marion born in 1917 who has bewitched everyone she has met in her long colorful life. Whether these stories concern an anxious draft dodger a repentant headmaster or a mischievous writer who ill advisedly draws from her own family for her fiction they all offer soulful glimpses into an uncommon world preserved in our past and yet surprisingly close to our hearts. His themes are universal ambition greed disappointment compromise. Some of the most memorable characters are women trying to find their way in a time of more restricted choices. It's easy to get lost in the author's elegant and restrained prose. Booklist Louis Auchincloss Vincent Picket, 1991-06-10
