spirit guide since the early 1980s and she has been in my earlier published novels with iUniverse The dialogue is candid Amorella gives me questions to show who I am now that I am a heartansoulamind and nothing more I am who I am Amorella is who she is and has been as my silent creative companion for the last forty years Faces of the dead are visible to one another their heartsansoulsanminds are dressed as their faces as they were in life One s spiritual face masks shows intellect and emotion The spirit mask appears young old or in between whatever the nondeceptive heartansoulamind shows Deception is a basic need in life not spiritual existence I the Amorella and Spirit Guide see Richard as a naked heartansoulamind There isn t any more of Richard left only his straightforward humanity his outer soul and his personality through and through Richard s setting is quite reasonable for one who is recently been declared dead by one such as myself Someday you will be recently dead and someone like me the Amorella may show up and appear out of black You may sense a voice kindly saying Hello I am your Spirit Guide and will help in your recent transformation from a physical spiritual being into a spirit being similar to myself though you were born lived and died I am here when you feel the need of companionship or assistance
