

# The Relationships of Men and Women in Marriage

Pauline G. Boss  
Tatyana A. Gurko

---

---

Although precise comparisons between American and Soviet societies are impossible—particularly now that the former Soviet Union is undergoing radical political and cultural change—we do our best in this chapter to explore commonalities and differences in how men and women in these two societies live together in marriages and families. Clearly, large-scale social changes affect families in a variety of ways; therefore, an analysis of relationships can never be “final.” Our goal is to illuminate gender issues in couple relationships in both societies. We attempt to identify factors that can help us understand why marriage is so often a different experience for women and men, and we point to areas where important questions remain for further research.

Three things must be stressed initially. First, we are using the term “comparison” loosely; though we have selected topics for which there are existing data on both Soviet and American families, much information comes from studies that are not strictly comparable. This selectiveness illuminates many gaps that still exist in our ability to make scientifically valid comparisons. Second, we note that the Soviet data presented in this chapter are limited largely to Russia and the Baltic republics. Relatively little information about male–female relations in central Asian families is available, beyond the widely recognized fact that these families are patriarchal in structure. We have noted ethnic differences whenever possible; however, the cultural diversity of our respective societies is not yet well represented in family research. Finally, we touch only briefly upon the important topics of sexuality, work, and finances in relation to gender, since these topics are covered more fully in other chapters.

# Families Before And After Perestroika Russian And U S Perspectives

**Geraldine K. Piorkowski**

## **Families Before And After Perestroika Russian And U S Perspectives:**

*Families Before and After Perestroika* James W. Maddock, 1994 Presenting the first substantive comparison of Russian and American family life in the post Cold War era this volume yields a diversity of insights into the successes failures and challenges faced by both societies An outgrowth of the United States Soviet Family Project initiated in 1985 as a means for developing meaningful programmatic cooperation between Soviets and Americans the book provides the most faithful rendering to date of the unique aspects of family life that have characterized Soviet socialist society through much of the twentieth century Emphasizing the cooperative nature of the book the information is derived from intensive research discussions and exchanges conducted by Russian and American social scientists specializing in particular areas of family study Each chapter presents cogent analyses of historical and contemporary issues that have been placed into perspective by family scientists The topics covered represent a range of important issues confronting post Soviet families today as well as thoughts about what the turmoil of the current period will bring The text begins with an overview of major trends in the two societies and ends with interpretive analyses by the editors Eschewing subjects widely covered in other recent publications early chapters explore such highly selective family issues as the current state of male female relationships in marriage trends in divorce and remarriage sexual attitudes and practices the relationship between work and family life in centrally regulated and free enterprise economies and family related problems of aging populations An incisive debate between a Russian and an American on definitions of family policy is concretely brought to life by a discussion on the respective strengths and weaknesses of child care programs in the two societies The concluding chapter analyzes the themes that emerge from a comparative examination of Soviet and American family life and presents provocative proposals for the future of family policy in the new Russia Throughout the text is enriched by a wide range of unique historical demographic political economic social and interpretive material The fascinating multifaceted analyses in this volume will open up important new horizons for students and social scientists in the family field as well as for scholars interested in a cross cultural comparison of family issues Researchers educators social analysts and policymakers concerned with Russia and nearby regions will find the book useful and it has much to offer to students of political science and specialized courses on social and family policy Insightful and highly accessible the book will appeal to anyone who wants to follow the rapidly changing events associated with the breakup of the Soviet Union and the current struggle of Russia to stabilize as a nation

**Marriage, Household and Home in Modern Russia** Barbara Alpern Engel, 2021-08-12 Barbara Alpern Engel's *Marriage Household and Home in Modern Russia* is the first book to explore the intricacies of domestic life in Russia across the modern period Surveying the period from 1700 right up to the present day the book explores the marital and domestic arrangements of Russians at multiple levels of society and the impact of broader historical developments including war and revolution upon them It also traces the evolution of marriage household and home as institutions over three centuries whilst also highlighting the inter relationship

between public policy and private life in what is a wholly original historical assessment of domesticity in modern Russia In the process the author expertly synthesizes the key works arguments and discussions in the field mapping out the historiographical landscape of this compelling aspect of Russian social history *Marriage Household and Home in Modern Russia* is crucial reading for any student or scholar of modern Russian history

Concepts and Definitions of Family for the 21st Century Barbara H Settles, Suzanne Steinmetz, 2013-05-13 Explore the breakdown of the universal family form into new living arrangements and the political and social implications of how they influence the definition of family today *Concepts and Definitions of Family for the 21st Century* views families from a US perspective and from many different cultures and societies You will examine the family as it has evolved from the 1950s traditional family to today's family structures The controversial question What is family is thoroughly examined as it has become an increasingly important social policy concern because of the recent change in the traditional family Scholars and researchers in family studies and sociology will be intrigued by these thought provoking articles that analyze the definition of the family from a multitude of perspectives *Concepts and Definitions of Family for the 21st Century* looks at family in terms of its social construction variations and the diversity in families among others You will examine the negative implications of using the term The Family as it implies The Nuclear Family which many powerful lobbies politics morality religion claim to support and revere You will also explore family ideology and identity from many different social and cultural contexts Some of the family issues you will explore in *Concepts and Definitions of Family for the 21st Century* include marrying procreating and divorcing in a traditional Jewish family redefining western families by taking into consideration the legal factors history tradition and the continued expansion of the definition of family in the US addressing family issues in Lithuania a country amidst many political changes challenging and complicating the definition of family with stepfamilies exploring the question What are families after divorce examining multicultural motives for marriage and how these motives effect courting behavior in Lithuania defining families through caregiving patterns *Concepts and Definitions of Family for the 21st Century* goes in depth to broaden and interpret the meaning of family in today's society Through the exploration of legal implications professional and personal needs this text takes into account the large variety of groups that have close living relationships *Concepts and Definitions of Family for the 21st Century* will assist you in answering the difficult and complex question What is family

Women and Gender in Central and Eastern Europe, Russia, and Eurasia Mary Zirin, Irina Livezeanu, Christine D. Worobec, June Pachuta Farris, 2015-03-26 This is the first comprehensive multidisciplinary and multilingual bibliography on Women and Gender in East Central Europe and the Balkans Vol 1 and The Lands of the Former Soviet Union Vol 2 over the past millennium The coverage encompasses the relevant territories of the Russian Hapsburg and Ottoman empires Germany and Greece and the Jewish and Roma diasporas Topics range from legal status and marital customs to economic participation and gender roles plus unparalleled documentation of women writers and artists and autobiographical works of all kinds The volumes include

approximately 30 000 bibliographic entries on works published through the end of 2000 as well as web sites and unpublished dissertations Many of the individual entries are annotated with brief descriptions of major works and the tables of contents for collections and anthologies The entries are cross referenced and each volume includes indexes

**The Sexual Revolution in Russia** Игорь Семенович Кон,1995

**Household Capital and the Agrarian Problem in Russia** David O'Brien,Valeri Patsiorkovski,Larry Dershem,2017-11-22 This title was first published in 2000 Using micro level data this text shows that rural Russian households have made significant adaptations to an emerging market economy in just a few years It focuses on how household capital household labour social networks and community attachment effect the economic and psychological adaptation of households to rapid socioeconomic change Findings are from 1995 to 1997 panel surveys made in three waves The book deals systematically with micro level processes of household adaptation to a market economy institutional change and emerging informal and formal patterns of land tenure and use in Russia It shows how structural changes are occurring in rural Russia and their impact on household enterprise development and income Difference in household capital explains the emergence of inequality in the countryside and differences in the degree to which households experience stress and a higher or lower subjective quality of life

**The Moralist International** Kristina Stoeckl,Dmitry Uzlaner,2022-12-20 The Moralist International analyzes the role of the Russian Orthodox Church and the Russian state in the global culture wars over gender and reproductive rights and religious freedom It shows how the Russian Orthodox Church in the past thirty years first acquired knowledge about the dynamics issues and strategies of Right Wing Christian groups how the Moscow Patriarchate has shaped its traditionalist agenda accordingly and how the close alliance between church and state has turned Russia into a norm entrepreneur for international moral conservatism Including detailed case studies of the World Congress of Families anti abortion activism and the global homeschooling movement the book identifies the key factors causes and actors of this process Kristina Stoeckl and Dmitry Uzlaner then develop the concept of conservative aggiornamento to describe Russian traditionalism as the result of conservative religious modernization and the globalization of Christian social conservatism The Moralist International continues a line of research on the globalization of the culture wars that challenges the widespread perception that it is only progressive actors who use the international human rights regime to achieve their goals by demonstrating that conservative actors do the same The book offers a new original perspective that firmly embeds the conservative turn of post Soviet Russia in the transnational dynamics of the global culture wars The Moralist International is available from the publisher on an open access basis

**Fathers in Cultural Context** David W. Shwalb,Barbara J. Shwalb,Michael E. Lamb,2013 First Published in 2013 Routledge is an imprint of Taylor Francis an informa company

**Family and Peers** Angela M. Neal-Barnett,Josefina M. Contreras,Kathryn A. Kerns,2000-04-30 Why is it that relationships with family members predict the quality of children s relationships outside the family A wealth of research has documented that various aspects of family relationships are predictably related to the quality of children s

interactions and relationships with peers Understanding what account for these effects is important both for theories of children's relationships and intervention efforts to ameliorate children's peer relationship difficulties This volume advances the field by discussing several mechanisms that may account for continuities across family and peer relationships A variety of theoretical perspectives are represented in the book For example both learning and biological explanations are considered Authors also note two key considerations in investigating family and peer relationships First it is necessary to consider the cultural context The function and meaning of family and peer relationships may differ depending on what roles are played by these relationships in different cultural contexts Second it is necessary to consider the child's age Developmental issues such as concerns with establishing greater independence at the entrance to adolescence will impact both family and peer relationships

**Women and Political Change** Sue Bridger, 2016-07-27 This collection of essays looks at the impact on women of the political changes which have taken place in East Central Europe since the 1930s It is unusual in combining a strong contemporary focus with re-evaluations of what the socialist experience has meant for women It brings together specialists from both East and the West to offer insights into women's lives and responses to change in countries which have a shared legacy of state socialism yet are as culturally diverse as Russia and Germany Poland and Estonia

**The Domestic Domain** Paul Pennartz, Anke Niehof, 2019-05-23 First published in 1999 the primary focus of this book is what goes on inside the black box of households beginning with decision making but branching out to develop a comprehensive view of the domestic domain It brings together theoretical frameworks relevant to the study of family households from several root disciplines each framework highlighting a different approach Each approach is applied to important problems concerning the functioning of family households The book focuses on households and their members as active agents who manage both material and immaterial resources The private sector to which family households belong is not viewed as just responding to impulses from the formal economy and to public policies but as a dynamic system in its own right In the view of Paul Pennartz and Anke Niehof households not only accommodate to social change but also mediate and generate social change In the book key studies are presented which exemplify approaches and issues The key studies cover a wide range of societies in Europe North and Latin America Asia and Africa thus also exemplifying the comparative perspective which is another important feature of the book Pennartz and Niehof examine issues including the organisational approach and resource allocation the power approach and the division of household production tasks and the opportunity structure approach and the housing market

**Exploring the Child's Personality** Coulacoglou Carina, 2008 The objective of this book is to provide readers with a comprehensive account of the child's personality The book examines in detail significant personality dimensions from developmental clinical and cross cultural perspectives The intricacies of personality are exposed by means of the Fairy Tale Test an instrument that attempts to track the preconscious and unconscious processes that conspire beneath the behavioral and overt manifestations of personality Children's responses to the FTT questions are assessed

both from a quantitative and a qualitative perspective Twenty nine personality variables are used to rate the broad range of personality characteristics No other personality test assesses such a large number of personality parameters The qualitative evaluation of responses includes the analysis of 14 defense mechanisms the study of the nature of anxiety family dynamics and the examination of ego integration and ego strength The unique quality of this book is the use of the FTT in the exploration of the child OCOs personality using large samples of children derived from diverse cultures Additional advantages of this book are the chapters which focus on the research into two significant personality traits aggression and ambivalence and the chapter on the analysis of idiosyncratic responses the latter offers valuable information in the classification of original responses into levels of psychopathology While the FTT has taken significant steps towards becoming a valid and reliable instrument studies of its psychometric properties are an ongoing process The book also includes examples case studies and appendices for further study and review

Lost to the State Elena Khlinovskaya Rockhill, 2010-12-01 Childhood held a special place in Soviet society seen as the key to a better future children were imagined as the only privileged class Therefore the rapid emergence in post Soviet Russia of the vast numbers of vulnerable social orphans or children who have living relatives but grow up in residential care institutions caught the public by surprise leading to discussions of the role and place of childhood in the new society Based on an in depth study the author explores dissonance between new post Soviet forms of family and economy and lingering Soviet attitudes revealing social orphans as an embodiment of a long standing power struggle between the state and the family The author uncovers parallels between post Soviet and Western practices in child welfare and attitudes towards bad mothers and proposes a new way of interpreting kinship where the state is an integral member

Adult Children of Divorce Geraldine K. Piorkowski, 2008-10-30 Romantic love is often an elusive fragile and tenuous state difficult to maintain across time The rates of divorce re divorce relationship violence and abuse today attest to the fact we are failing at romantic love And for teen aged and adult children of divorce romantic love can be especially elusive Because they have no roadmap for a satisfying stable romantic relationship derived from their own parents they are confused by what love is and tend to make poor partner choices Borrowing heavily from popular culture for unrealistic standards regarding love they become disillusioned when their all too ordinary lovers don't measure up Especially vulnerable to the problems their parents had they tend to overreact in a similar negative fashion and are all too ready to consider divorce when unhappiness strikes In attempting to halt intergenerational transmission of divorce Psychologist Piorkowski points to how we can recognize that American popular culture presents an overly sexualized explosive and superficial version of love that can't last With this book adult children of divorce can begin to see how they have been affected by familial experiences and develop a new realistic map to find more fulfilling and enduring romantic relationships Piorkowski in an extensive review of literature also looks at cultural factors and how they impact romantic love and marriage In contrast to American popular culture's shallow rendition of romantic love many cultures elsewhere in the world emphasize

compatibility religion and family allegiance As a result says the author such marriages appear more stable than American unions built upon the shifting sands of emotion      Grandparents in Cultural Context David W. Shwalb,Ziarat Hossain,2017-07-20 Grandparents in Cultural Context gives a long overdue global view of the changing roles of grandparents The eleven main chapters are by experts in the Americas Europe and Russia Asia and Africa and the Middle East and the editors integrate their chapters with previous writings on grandparenthood Rather than technical or statistical research reports each chapter provides a thought provoking and comprehensive review of research real life case stories cultural influences and applied implications for grandparenthood across and within societies Calling special attention to the roles of grandfathers and grandparenthood in societies previously un represented in the literature it provides several hundred new citations of work previously unavailable in English language publications Accessible to both scholars and students it has several pedagogical features e g web links discussion questions that make it useful as a text for upper division undergraduate or graduate level classes in behavioral social and family sciences It is relevant to psychology gerontology family studies anthropology family comparative sociology education social work gender studies ethnic studies psychiatry and diversity and international studies programs Practitioners service providers policymakers and internationally minded grandparents will also enjoy this book      **Handbook of Cultural Developmental Science** Marc H. Bornstein,2014-06-03 Researchers and theoreticians commonly acknowledge the profound impact of culture on all aspects of development However many in the field are often unaware of the latest cultural literatures or how development proceeds in places other than their home locations This comprehensive handbook covers all domains of developmental science from a cultural point of view and in all regions of the globe Part 1 covers domains of development across cultures and Part 2 focuses on development in different places around the world The Handbook documents child and caregiver characteristics associated with cultural variation and it charts relations between cultural and developmental variations in physical mental emotional and social development in children parents and cultural groups This contemporary and scholarly resource of culture in development covers theoretical methodological substantive and ethnic issues as well as geographic approaches Each chapter includes an introduction historical and demographic considerations theory an overview of the most important classical and modern research studies recommended future directions in theory and research and a conclusion The chapters focus on children from the prenatal stage through adolescence Interdisciplinary in nature the Handbook will appeal to human development theoreticians researchers and students in psychology education and pediatrics Ideal for those new to the field readers will appreciate the plethora of cultural examples from all fields of child and human development and developmental examples from all fields of cultural study      Early Care and Education for Children in Poverty W. Steven Barnett,Sarane Spence Boocock,1998-01-01 Establishes the power of early care and education to change children s lives particularly children in poverty      Mothers of the Nation Patrizia Albanese,Professor Department of Sociology Patrizia Albanese,2006-01-01 Comparing nationalist and non

nationalist polities in order to establish how these governments differ in their treatment of women and families Albanese concludes that the efforts of most ethno nationalist regimes to return women to their natural place in the home as housewives and mothers have been largely unsuccessful Policies to this effect have provoked considerable opposition by women s groups and individual women have often been reversed by subsequent governments and have had little long term demographic impact Mothers of the Nation makes an important contribution to the literature on feminism nationalism and social and economic policy within a comparative political context Jacket *Everyday Life in the Baltic States* M.

Taljūnaitė,1997 **Work-Life Balance** Fiona Jones,Ronald J Burke,Mina Westman,2013-04-15 What are the effects of conflict between home and work Does work stress affect those who live with you In the rapidly changing modern work environment time pressures seem ever increasing and new technology allows work to be conducted any time and anywhere These are just two of the factors that make it more and more difficult for working men and women to integrate work and home life Consequently there is a need for flexible and innovative solutions to manage the work home interface Work Life Balance A Psychological Perspective presents up to date information on work home issues including the latest research findings The book s emphasis is strongly psychological with a focus on practical solutions and includes chapters which deal with psychological issues such as the conflict between work and family how work stresses may affect partners and recovery from work It also includes sections on legal issues as well as examples of initiatives being implemented by leading employers Contributors are drawn from the leading researchers in their fields and reflect the international character of the current challenges facing employers and employees Its practical focus and innovative approach make this an essential book for managers HR professionals and organizational psychologists as well as students in these disciplines The theoretical basis and research focus mean the book will also be invaluable for researchers investigating workplace issues

As recognized, adventure as without difficulty as experience not quite lesson, amusement, as skillfully as deal can be gotten by just checking out a book **Families Before And After Perestroika Russian And U S Perspectives** along with it is not directly done, you could say yes even more nearly this life, roughly the world.

We present you this proper as well as easy mannerism to get those all. We offer Families Before And After Perestroika Russian And U S Perspectives and numerous books collections from fictions to scientific research in any way. along with them is this Families Before And After Perestroika Russian And U S Perspectives that can be your partner.

## **Families Before And After Perestroika Russian And U S Perspectives Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Families Before And After Perestroika Russian And U S Perspectives has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Families Before And After Perestroika Russian And U S Perspectives has opened up a world of possibilities. Downloading Families Before And After Perestroika Russian And U S Perspectives provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Families Before And After Perestroika Russian And U S Perspectives has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Families Before And After Perestroika Russian And U S Perspectives. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Families Before And After Perestroika Russian And U S Perspectives. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Families Before And After Perestroika Russian And U S Perspectives, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to

distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Families Before And After Perestroika Russian And U S Perspectives has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Families Before And After Perestroika Russian And U S Perspectives Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Families Before And After Perestroika Russian And U S Perspectives is one of the best book in our library for free trial. We provide copy of Families Before And After Perestroika Russian And U S Perspectives in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Families Before And After Perestroika Russian And U S Perspectives. Where to download Families Before And After Perestroika Russian And U S Perspectives online for free? Are you looking for Families Before And After Perestroika Russian And U S Perspectives PDF? This is definitely going to save you time and cash in something you should think about.
