was during the eugenics movement which employed the Edwards family as an ideal that the crazy grandmother story took shape The Notorious Elizabeth Tuttle not only brings to light the tragic story of an ordinary woman living in early New England it also explores the deeper tension between the ideal of Puritan family life and its messy reality complicating the way America has thought about its Puritan past Broome, Latourette, and Mercereau Families of New York and Connecticut Barbara Broome Semans, Letitia Broom Schwartz, 2013-08-31 Broome LaTourette and Mercereau Families of New York and Connecticut If you have a connection to Staten Island New York you probably have a connection to these families The LaTourette and Mercereau families came separately to Staten Island from France in the late 17th century They were French Huguenots who left France for religious freedom and were among the small number of early settlers on Staten Island There were a lot of intermarriages between the LaTourette and Mercereau families and with the other Staten Island families such as Broome Chadrayne Corsen Doucinet Lake Poillon and Vanderbilt Later generations went further afield though not very far to Manhattan Island New York City Long Island upstate New York New Jersey and Connecticut to include Barnard Chetwood Fay Gould Jarvis LaGrange Phelps Platt and Smith And still later they included other families in other states This book tells the stories of these early American settlers and their descendants Even if you don't know of a connection to Staten Island you may find a connection to a later descendant And you will learn about early difficulties and successes of these pioneers
