Health Reports ,1956 Childhood Disability and Family Systems Michael Ferrari,Marvin B. Sussman,2016-01-08 First
published in 1987 this book focuses on childhood disability within the family It examines the very nature of disability itself as
well as many of the fundamental elements of families The book was written at a time when the meaning level of disability and
its effect on family and society were rapidly changing and people with disabilities were starting to benefit from opportunities
to compensate for whatever disabilities they may have had Modern technology and an affluent society afforded advantages to
support many of its disabled members Contributors examine the contemporary context of disability the cost of disability to
families ethical philosophical and social issues underlying the treatment and rehabilitation of children with severe disabilities
and the role of professionals amongst other topics This book will be of interest to those involved in teaching research and
direct care with families who have children with disabilities Although written in the late 80s the work discusses subjects that
are still vital today **Current Catalog** National Library of Medicine (U.S.),1970 Includes subject section name section and
