

What You Need to Know About the Family Medical Leave Act (FMLA)

What is FMLA?

The Family Medical Leave Act allows workers to take up to 12 weeks off work in order to care for a partner, child, or relative, and protects workers' job security during that time.

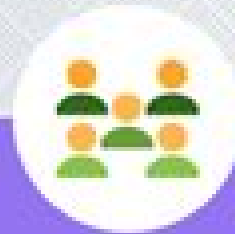

Is it paid?

FMLA provides workers with **unpaid** leave.

However, it ensures you will remain employed during your absence and ensures you can return to work after your leave has ended.

You retain your health insurance during leave.

Who qualifies?

To qualify for FMLA, you must:

- Have worked for your current employer for at least 12 months OR worked for 1,250 hours in the last 12 months.
- Work in a company of 50 or more employees

When do I use FMLA?

Unpaid leave must be awarded for the following:

- Caring for a child after birth
- Caring for a spouse, children, or parent with a pressing health condition
- Addressing a serious health condition that interrupts your performance at work
