**Story Behind the Book** This book sprang from a premarital class that Cindy and I taught in the mideighties. We were honestly just trying to convey information without boring our students to sleep. The class was a tremendous success. When Gary Smalley caught wind of it and encouraged me to shape my thoughts into a book, I was somewhat skeptical. Having hardly recovered from all the books I had to read in seminary, I didn't want to write one much less wish the burden of reading on any other poor soul. But when Don Jacobson convinced me that I could offer readers a new perspective on their patterns of family conflict, we published the first edition of this book and I am still teaching its content. Now this revision specifically meets today's audience.

Will Cunningham      **A Cowboy Family Christmas** Judy

Duarte, 2017-11-01 Dear Santa, I've been a good girl. Well, mostly. These days I'm usually the one dishing out advice. But the readers of *Dear Debbie* don't know that I've never been the love of anyone's life. As soon as I landed at the Rocking Chair Ranch, though, my luck started to change thanks to one special guest. Promoter Drew Madison wants to shine a spotlight on the ranch's retired cowboys. But I'm the one who feels aglow every time he glances my way. And the electricity between us, it sure could light up every town in Texas. Still, after he discovers my secret, I'm afraid that I'll be thrust back into darkness. Now I only want one thing for Christmas: for Drew to give me no, us, a second chance.

Lainie      *The Brady Family* Lainie

Davis, 2021-10-01 Meet the Brady family. They're brilliant, brooding, and barreling into relationships they weren't expecting. If you love messy family dynamics, unforgettable characters, and sizzling chemistry, you'll devour these three sexy, hilarious full-length novels all in one convenient package.

**Vibration** An accidental roommate romance. Irresponsible, impulsive, reckless. Cal Brady has heard it all from his family, and he's getting a little sick of it. He's a smart guy, after all. In a family of brainy engineers, someone has to be the fun one, but the other Bradys don't see it that way. To get a break from his family, Cal decides to move out and answers an online ad for a roommate. Logan Miller's ship has come in. For the first time in her life, she isn't scraping by. She's got a fancy degree and a real career with coworkers who don't like her very much. But it's fine. She's had mean colleagues before. Eye on the prize. Now that she's getting a roommate, she'll even have a nice financial cushion. What could go wrong? For starters, her roommate turns out to be a dude. But this is fine. They can be friends who live together. They just need to ignore the simmering lust that vibrates between them.

**Current** A secret baby romance. What happens when you realize your new mailman is your hot one-night stand and the father of your baby? Orla Brady is tired of people asking her how hard it is to be a woman in engineering. Her career is the least of her worries. Dealing with her family and personal relationships—that's the hard part. She propositions a hottie just to tune it all out for a bit. The fling blows her mind but leaves her with unexpected consequences.

**Walton** Henry Sheffield, the third, can't do anything right. Not according to his family anyway. Everything about him threatens the family brand. He's spent a lifetime building a slimy shell to try and deflect his parents' heartless jabs, but then he meets the one woman who calls him out for acting fake. The passionate romp rocks Walt's world, but a family crisis pulls him away from Orla, and life as he knew it. By the time they meet again, he's a different person.

and she's carrying a huge secret Restoration A Silver Fox Redemption Romance Giving in to their attraction could fracture their connection with their adult children But staying apart might mean they miss their last chance at love Impulsive eccentric moody Mick Brady has heard it all in his 60 years and brushed it all off just as quickly When his adult son finally lets him know the impact of his choices and Mick is crawling out of his skin with regret Celeste Sheffield has lost everything she thought was important but in her late fifties she's figuring out what really matters her family Celeste's son marries into the Brady crew and she's drawn into their boisterous supportive orbit She's also distracted by her feelings for the handsome patriarch of the family and she can't seem to get him out of her head Mick and Celeste bond over their shared experiences with loneliness and their quest to mend fences with their families They'll just have to tamp down the spark smoldering beneath their friendship Mick is no stranger to lust after all He can keep his pants zipped around Celeste and prove to his kids he can be a responsible adult When Mick's grandson has an accident on Mick's watch he calls on the one person he knows won't judge his babysitting skills But does she have to look so good when she swoops in to save the day Can Mick and Celeste avoid temptation as they focus on changing their lives Or could their relationship be the thing that helps them stay the course
