Family Life and Human Sexuality Cloyd J. Julian, Nancy S. Simon, 1988 **Current Catalog** National Library of Medicine (U.S.), First multi year cumulation covers six years 1965 70 **Everyday Rituals** Pearl Katz, 2024-08-06 When we are in painfully difficult or confusing life situations especially amidst ever uncertain times our minds grapple for structure a funeral ceremony definitively lays the dead to rest the exaggerated choreography of a surgical room confirms its sterility and a daily schedule gives prisoners a sense of normalcy These practices these rituals give us peace Though it might seem contradictory ordered rituals actually bring us freedom creativity and mental well being Rituals aren t a thing of history or belonging to elaborate ceremonies and they aren t even confined to the most painful or confusing of times Rituals can be at a family dinner table or in a morning bathroom routine In *Everyday Rituals* Pearl Katz shows us just how transformative rituals are no matter what kind Unlike other titles on the subject in the self help genre or in anthropological reportage Katz applies her

years of fieldwork and psychiatric study to tangible everyday American life She writes a thoroughly persuasive argument using poignant case studies to truly inspire readers Specific hormones flow and brain paths open when artists follow their creative regimen and mental health increases in patients under hospital directive in contrast young people suffer stress in unbounded undergraduate hookup culture And after the coronavirus ripped many rituals from American life the ill effects of a life without routine burn bright It is in the ordinary that Katz discovers unlimited potential mundane routine actually sparks incredible imagination With scientific evidence case studies personal narrative and guiding wisdom Katz enlightens us as to how and why we can feel true freedom      *Sexuality and Gender in Society* Janell L. Carroll, Paul Root Wolpe, 1996 An undergraduate text incorporating the 1994 NORC study on American sexuality and updates on contraceptive research and infertility techniques Chapters on subjects including gender roles biology STDs and AIDS and power and coercion contain learning aids such as Q boxed fea      *Families and Change* Patrick C. **Personality and Sexual Problems in Pastoral Psychology** William Christian Bier, 1964      *Children and Asceticism in Late Antiquity* Ville Vuolanto, 2016-03-03 In Late Antiquity the emergence of Christian asceticism challenged the traditional Greco Roman views and practices of family life The resulting discussions on the right way to live a good Christian life provide us with a variety of information on both ideological statements and living experiences of late Roman childhood This is the first book to scrutinise the interplay between family children and asceticism in the rise of Christianity Drawing on texts of Christian authors of the late fourth and early fifth centuries the volume approaches the study of family dynamics and childhood from both ideological and social historical perspectives It examines the place of children in the family in Christian ideology and explores how families in the late Roman world adapted these ideals in practice Offering fresh viewpoints to current scholarship Ville Vuolanto demonstrates that there were many continuities in Roman ways of thinking about children and despite the rise of Christianity the old traditions remained deeply embedded in the culture Moreover the discussions about family and children are shown to have been intimately linked to worries about the continuity of family lineage and of the self and to the changing understanding of what constituted a meaningful life      Exploring Gregory of Nyssa Anna Marmodoro, Neil B.
