China's Population Policies Xueyuan Tian, 2024-12-31 This book presents a factual analysis of the history of population policy especially the fertility policy mainly the reproduction of the policy since the founding of New China especially the promotion of one child per couple including the background of the policy s introduction the formulation of the decision the prediction of possible problems and the choice of decision to deal with them It summarises the basic experience of China and the international community in implementing population policies and proposes to follow the path of family planning with Chinese characteristics and implement population policies that are compatible with it LAW, JUSTICE AND GOVERNANCE: Hassan B. Jallow, 2023-09-14 This book brings together a selection of fifty speeches articles and papers by the author drawn from his long and diverse experience in governance matters The common threads running through the book emphasise the need for good governance as the foundation for human development the consent of the people as the source of the legitimate authority of government the need for accountability of government and checks on abuse of administrative power respect for fundamental human rights and freedoms judicial independence impartiality and efficiency and the recognition of government power as a means to the attainment of civil political social and economic justice

Family Planning Practice and the Law Kenneth McKenzie Norrie, 1991 The author of this book suggests that there are two main reasons for the expansion of family planning in the last thirty years The first is the greater rights consciousness of women in the western world which has led to a greater expectation of choice of whole lifestyle and the second a recognition that sexual intercourse is something good in itself Legislation has reflected this change and the book discusses the various kinds of family planning available and the legal situation eg birth control and minors the rights of partners the rights of the mentally disabled and the responsibilities of doctors and other professionals **Library of Congress Subject Headings**
