Family Secrets Deborah Cohen, 2013-01-09 A Sunday Telegraph and Times Higher Education Book of the Week Deborah Cohen's *Family Secrets* is a gripping book about what families Victorian and modern try to hide and why In an Edinburgh town house a genteel maiden lady frets with her brother over their niece's downy upper lip Would the darkening shadow betray the girl's Eurasian heritage On a Liverpool railway platform a heartbroken mother hands over her eight year old illegitimate son for adoption She had dressed him carefully that morning in a sailor suit and cap In a town in the Cotswolds a vicar brings to his bank vault a diary sewed up in calico wrapped in parchment that chronicles his sexual longings for other men Drawing upon years of research in previously sealed records the prize winning historian Deborah Cohen offers a sweeping and often surprising account of how shame has changed over the last two centuries Both a story of family secrets and of how they were revealed this book journeys from the frontier of empire where British adventurers made secrets that haunted their descendants for generations to the confessional vanguard of modern day genealogy two centuries later It explores personal apparently idiosyncratic decisions hiding an adopted daughter's origins taking a disabled son to a garden party talking ceaselessly or not at all about a homosexual uncle In delving into the familial dynamics of shame and guilt *Family Secrets* investigates the part that families so often regarded as the agents of repression have played in the transformation of social mores from the Victorian era to the present day Written with compassion and keen insight this is a bold new argument about the sea changes that took place behind closed doors Born into a family with its own fair share of secrets Deborah Cohen was raised in Kentucky and educated at Harvard and Berkeley She teaches at Northwestern University where she holds the Peter B Ritzma Professorship of the Humanities Her last book was the award winning *Household Gods* a history of the British love affair with the home

My Family's Secret Shadahyah Elizabeth,2023-03-21 Telepathy is an ability Arianna Miller has had her entire life It is a gift that she and her sister have inherited from their mother but have been told to keep a secret from everyone including Arianna s stepfather Marshal The only person outside her family that knows about the secret is her best friend Rosy Mendez who has kept the secret for years Then on the first day of her senior year of high school Arianna meets the town s miscreant Evan Jackson the son of the governor and high school principal who she soon discovers shares the same unique ability as her Evan has spent the majority of his life with his aunt and uncle only coming home in the summertime until an incident that happened when he was twelve caused his parents to keep him from returning The last place he wanted to be was Harrison Arizona but after getting kicked out of his last boarding school he was forced to return

and confront his past When their paths cross the two suddenly feel an intense pull toward each other but are warned to stay away from each other due to a secret Arianna s on again off again boyfriend Jason Richardson and Evan share But how do you stay away from someone that has the same ability as you and your heart feels drawn to Suddenly the two find themselves entangled in a web of secrets and lies with their parents with the new science teacher being at the center of it A secret so big it will change Arianna s and Evan s lives forever Family's Secrets Martin Paula (author),1901 **Family Secrets** Gloria González-López,2015-09-11 Acknowledgments Con profunda gratitud En familia sex incest and violence in Mexican families Conjugal daughters and marital servants the sexual functions of daughters in incestuous families A la prima se le arrima sisters and primas Nieces and their uncles Men s life stories Toward a feminist sociology of incest in Mexico Appendix A Study participants Appendix B Methodological considerations Appendix C Incest in 32 Mexican state penal codes Appendix D Uncle niece cases Notes References Index About the author *A Family's Secret* Jando Herrera,2012-09-01 **Secret Love** Brenda Jackson,2018-09-24 He wants nothing to do with a pampered celebrity until she flips his whole world upside down Don t miss this reader favorite from New York Times bestselling author Brenda Jackson Celebrity actress Diamond Swain needs a peaceful place to hide out from the news hungry paparazzi a place like Whispering Pines And yet from the moment she arrives at the remote Texas ranch Diamond finds herself at odds with its rugged owner Jake Madaris a man who challenges her to care about more than making it to the top Jake doesn t have time to babysit some Hollywood star Then he comes face to face with beautiful compassionate Diamond and is drawn into a whirlwind secret romance But is what he shares with her strong enough to overcome the media s prying eyes Together Jake and Diamond must discover what s truly important if they re to claim a love that lasts a lifetime Title originally published in 2000 **Family Secrets the Series Volume 1** Gary Mallett,2015-10-16 This fictional story brings spiritual warfare to the surface of a very real war to a point where one begins to understand that angelic wars going on all around us on a daily basis **A Terrible Secret: A Novel** May Agnes Fleming,1874-01-01 **Vermeer's Family Secrets** Benjamin Binstock,2013-03-07 Johannes Vermeer one of the greatest Dutch painters and for some the single greatest painter of all produced a remarkably small corpus of work In Vermeer s Family Secrets Benjamin Binstock revolutionizes how we think about Vermeer s work and life Vermeer The Sphinx of Delft is famously a mystery in art despite the common claim that little is known of his biography there is actually an abundance of fascinating information about Vermeer s life that Binstock brings to bear on Vermeer s art for the first time he also offers new interpretations of several key documents pertaining to Vermeer that have been misunderstood Lavishly illustrated with more than 180 black and white images and more than sixty color plates the book also includes a remarkable color two page spread that presents the entirety of Vermeer s oeuvre arranged in chronological order in 1/20 scale demonstrating his gradual formal and conceptual development No book on Vermeer has ever done this kind of visual comparison of his complete output Like Poe s purloined letter Vermeer s secrets are sometimes out in the open where

everyone can see them Benjamin Binstock shows us where to look Piecing together evidence the tools of art history and his own intuitive skills he gives us for the first time a history of Vermeer s work in light of Vermeer s life On almost every page of Vermeer s Family Secrets there is a perception or an adjustment that rethinks what we know about Vermeer his oeuvre Dutch painting and Western Art Perhaps the most arresting revelation of Vermeer s Family Secrets is the final one in response to inconsistencies in technique materials and artistic level Binstock posits that several of the paintings accepted as canonical works by Vermeer are in fact not by Vermeer at all but by his eldest daughter Maria How he argues this is one of the book s many pleasures

American Secrets José Liste-Noya, Eduardo Barros-Grela, 2011-09-16 Predicated upon the principles of political freedom cultural openness religious tolerance individual self reliance and ethnic diversity the United States of America has been tempted recurrently by the lures of the secret American Secrets explores this political historical and cultural phenomenon from many often surprisingly overlapping angles in these analyses of the literary and cultural uses and abuses of secrecy within a democratic culture Through analyses of diverse literary works and cultural manifestations from Mark Twain s anti imperialist prophecies to 9 11 conspiracy theories from the traumas of the Vietnam war to the homophobia of the American military establishment from the unresolved dilemmas of nuclear politics to the secret ecologies shunted aside by the exploitation of the environment from the questionings of national identity on the ethnic and trans sexual margins to the confessional modes of poetry and the poetics of the unspeakable and unrepresentable these essays reveal the politics within the poetics and indissociably the poetics fueling the politics of secrecy in its ambivalent deployment Secrecy often seems to be a question without an answer or an answer that either seems to beg the question or to be a question itself These essays address this

paradox with their own questioning explorations In answering such questions the volume as a whole provides an illuminating overview of the pervasiveness of the secret and its modalities in American culture while also dealing specifically with the poetics of the secret in its various historically recurrent literary manifestations
