Family Self And Psychotherapy A Personcentred Perspective

Richard Bryant-Jefferies

Family Self And Psychotherapy A Personcentred Perspective:

Family, Self and Psychotherapy Ned L. Gaylin, 2001 A comprehensive person centred look at the family as the essential element of society Explores our human need to be interconnected and its implications for both individual and family therapy

Family, Self and Psychotherapy Ned L. Gaylin, 2001 The Handbook of Person-Centred Psychotherapy and Counselling ,2024-09-05 Written by a diverse range of expert contributors unified by a relational ethics based reading of person centred theory and practice this seminal text is the most in depth and comprehensive guide to person centred therapy Divided into four parts it examines the theoretical philosophical and historical foundations of the person centred approach the fundamental principles of person centred practice as well as new developments in and applications of person centred clinical work explorations of how person centred conceptualisations and practices can be applied to groups of clients who bring particular issues to therapy such as bereavement or trauma and professional issues for person centred therapists such as ethics supervision and training 10 years after it was last published this third edition includes new content on the climate crisis intersectionality and working with racism and anti racism It includes new dedicated chapters on the Non directive Attitude Relational Depth Experiential Practices Working with Trauma Online PCA and Person Centred approaches around the Globe International and interdisciplinary in conception this is a cutting edge resource for students of psychotherapy and counselling on a range of programmes as well as professional practitioners working in the field The Practice of **Person-Centred Couple and Family Therapy** Charles O'Leary, 2011-11-29 In The Practice of Person Centred Couple and Family Therapy Charles O Leary offers a rich description of relationship therapy that draws on the resources of both person centred psychotherapy and systemic and family therapy to present a skilful respectful and empathic approach to working with couples and families Grounded in detailed descriptions of client goals and predicaments the book takes an inside look at the therapist's options and decision making with both clarity and compassion Written in a refreshing lively and personal style the book Provides an abundance of ideas and techniques relevant to each step of the therapeutic process Addresses the complexity of family and couple therapy including chapters on working with same sex couples and working with children and adolescents Offers humanistic depth and breadth to a challenging area of practice with a strong value base and a philosophy that always privileges the client's viewpoint Clear concise and highly readable this is a vital thought provoking text for students trainees and practitioners of counselling and psychotherapy working with couples and families The Person-Centred Counselling and Psychotherapy Handbook: Origins, Developments and Current Applications Colin Lago, Divine Charura, 2016-04-16 From the origins of Carl Rogers person centred approach to the cutting edge developments of therapy today The Person Centred Counselling and Psychotherapy Handbook charts the journey of an ambitious vision to its successful reality In this book Lago and Charura bring together history theory research and practice to deliver a complete and unique perspective on the person centred approach Key topics include The groundbreaking journey of PCA's early

decades spearheaded by Carl Rogers Developments and extensions of the original theory and practice The influence of PCA in developing new therapies and practice The frontier of contemporary PCA and therapists work with client groups of difference and diversity With its broad view that explores the origins variations and applications of PCA The Person Centred Counselling and Psychotherapy Handbook gives a comprehensive overview of the knowledge required and the issues faced by practitioners making it an important resource for the seasoned and training practitioner alike This particularly welcome contribution is distinctive in fostering a contemporary contextualised and transcultural person centred practice edited as it is by two leading UK figures in the field of diversity in counselling and psychotherapy Review in Therapy Today October 2016

The Person-Centred Approach Louise Embleton Tudor, Keemar Keemar, Keith Tudor, Joanna Valentine, Mike Worrall, 2004-03-08 In this essential text the highly regarded Temenos team present a new introduction to the person centred approach for the 21st century Giving a broad and unbiased account they illustrate how the approach has developed since the death of Carl Rogers and explore how the person centred philosophy can be an effective working model for both counselling and psychotherapy and for understanding living and working in a complex contemporary world The Person Centred Approach is essential reading for trainees whether new to counselling or more experienced and is a vital resource for practitioners wishing to keep at the forefront of the latest developments in the field **Person-Centred Therapy** Paul Wilkins, 2015-12-14 Person centred therapy rooted in the experience and ideas of the eminent psychotherapist Carl Rogers is widely practised in the UK and throughout the world It has applications in health and social care the voluntary sector and is relevant to work with people who are severely mentally and emotionally distressed As well as being a valuable sourcebook and offering a comprehensive overview this edition includes updated references and a new section on recent developments and advances The book begins with a consideration of the principles and philosophy underpinning person centred therapy before moving to a comprehensive discussion of the classical theory upon which practice is based Further areas of discussion include The model of the person including the origins of mental and emotional distress The process of constructive change A review of revisions of and additions to person centred theory Child development styles of processing and configurations of self The quality of presence and working at relational depth Criticisms of the approach are addressed and rebutted and the application of theory to practice is discussed The new final section is concerned with advances and developments in theory and practice including Counselling for Depression The Social Dimension to Person Centred Therapy Person Centred Practice with People experiencing Severe and Enduring Distress and at the Difficult Edge A Review of Research Throughout the book attention is drawn to the wider person centred literature to which it is a valuable key Person Centred Therapy will be of particular use to students scholars and practitioners of person centred therapy as well as to anyone who wants to know more about one of the major psychotherapeutic modalities **Person-Centred Therapy in Focus** Paul Wilkins, 2002-12-13 Person Centred Therapy in Focus provides a much needed exploration of the criticisms levelled against one of the most

widespread forms of the rapeutic practice Characterized by its critics as theoretically light culturally biased and limited in application until now the person centred approach has had comparatively little written in its defence Paul Wilkins provides a rigorous and systematic response to the critics drawing not only on the work of Carl Rogers but also of those central to more recent developments in theory and practice including Goff Barrett Lennard Dave Mearns Jerold Bozarth Germain Leitauer and Brian Thorne It traces the epistemological foundations of person centred therapy and places the approach in its social and political context Examining the central tenets of the approach each chapter sets out concisely the criticisms and then counters these with arguments from the person centred perspective Chapters cover debates in relation to the model of the person self actualization the core conditions non directivity resistance to psychopathology reflection and boundary issues Person Centred Therapy in Focus fulfills two important purposes firstly to answer the criticisms of those who have attacked the person centred approach and secondly to cultivate a greater critical awareness and understanding within the approach itself As such it makes a significant contribution to the person centred literature and provides an excellent resource for use in **Person-Centred Therapy with Children and Young People** David Smyth, 2013-02-01 This engaging new book training presents a child centred model of therapy that is thoroughly person centred in its values Establishing the roots of child centred therapy in both child development theories and the Rogerian model David Smyth demonstrates that counselling the person centred way is exceptionally relevant to young people The book further develops child centred therapy theory and practice applying the model to real life practice with children and young people whether in play school organisations or with special needs groups It also explores the complex professional issues so critical with this age group including challenging boundaries establishing an effective relationship with parents and other primary carers legal and ethical considerations and multi professional practice The author's warm accessible style conveys his passionate conviction that the person centred approach can provide a strong foundation for child therapy practice His book introduces humanistic counselling and psychotherapy trainees as well as adult trained therapists to the particular requirements of working with children and young people and also illustrates the value of using a child centred approach for those who might already be working with children in mental health settings Equally this volume can be used for professional development in many disciplines including adult trained therapists who want to extend their knowledge of people prior to reaching adulthood **Skills in Person-Centred** Counselling & Psychotherapy Janet Tolan, Rose Cameron, 2016-11-14 This bestselling classic has guided thousands of students and practitioners step by step through the skills and theory of the person centred approach Fully updated this Third Edition includes numerous new exercises and case studies a thoroughly revised chapter on recent debates and developments as well as two important new chapters on Politics Prejudice Power and Privilege Client Perception It remains an essential introduction for those beginning their training as well as more experienced practitioners keen to expand their range

Relationship Counselling - Sons and Their Mothers Richard Bryant-Jefferies, 2018-12-14 Young men trying to resolve

traumatic experiences and relationship issues with their mothers is not an area that has attracted a great deal of attention and yet it is not uncommon Peter is 28 still living at home and feeling like I just don t have a life I can call my own As he tries to remedy this the reaction he gets is So where have you been What time do you call this I ve been worrying about you You said you d be back before now Any pleasure from his evening melts away and he wonders why on earth is he still in the same house as her This book uses fictitious dialogue to enable readers to experience the struggle of a young man trying to break free from the damaging and dominating influence of his mother It contains both counselling sessions and supervision sessions inviting the reader to step into the therapeutic process and experience Peter the client as he struggles to create a life for himself Michael his counsellor seeking to offer and maintain the therapeutic conditions of congruence empathy and unconditional positive regard and Suzy Michael s supervisor Practical advice reflections on the counselling process helpful summaries and points for discussion are highlighted throughout Counsellors trainees supervisors and other health and social care professionals dealing with relationships will find this book valuable reading Men who have encountered difficult relationships with their mothers are also likely to gain greater insight and find support through reading this book

Counselling for Progressive Disability Richard Bryant-Jefferies, 2004 Writing from a person centered theoretical perspective Bryant Jefferies a practicing therapist uses fictitious dialogue based on real cases at different stages of a progressive disabling disease to demonstrate techniques for working with individuals couples and families affected by these types of conditions Useful for both experienced counselors and trainees the book provides insight into what happens during counseling sessions The author qualified as a person centered counselor therapist in 1994 and works in the UK The book is distributed in the US by Martin Hill Consulting Annotation 2004 Book News Inc Portland OR booknews com Young People Richard Bryant-Jefferies, 2017-09-07 Richard has caught wonderfully in this text the sensitivity and delicacies of therapeutic interaction as well as the complex processes through which young people have to steer in their development towards adulthood Richard's important and engaging text combines believable stories of young people with the provision of theoretical comment and developmental questions for the practitioner I trust that this book will reach a wide audience of all those who are interested in and committed to the welfare and development of young people Colin Lago in his Foreword This book goes a long way in explaining why the person centred approach is so powerful with young people It teases apart many of the fears hurts disappointments familiar problems and social assaults that encourage adolescents to close off turn to drugs and attack others After a clear and concise explanation of the theory Richard takes us on amazing journeys into the heart and mind of the clients described in the book They are struggling with many of the obstacles in the path of most children trying to grow up in this period of social toxicity The book is a real gift to anybody interested in raising and counselling young people Peggy Natiello in the Foreword The Relationship Paradigm Godfrey Barrett-Lennard, 2013-08-30 In this important new book Godfrey Barrett Lennard challenges the individualist focus of traditionalist psychology by proposing that the human

condition is basically relational and interdependent Rich in depth and scope The Relationship Paradigm explores relationship systems over an absorbing vista of multiple connections. This includes relations within the self interpersonal relationships relationships between and within communities organizations and nations and relationships with animals There is a chapter on relations in war The result is a sophisticated account of the complex weave of human relationships providing counselors and other professionals who work with people with a foundation of thought that will offer fresh insights both for practice and the search for new knowledge Combining new ideas with practice principles and illustrations this is a book of rare value for Responding to a Serious Mental Health Problem Richard students practitioners and research enquirers Bryant-Jefferies, 2018-10-08 This book uses narrative to describe powerfully what is happening interspersed with the counsellor's thoughts and reflections Sessions of supervision are also described and linked to what is occurring in the therapy The first part of the book focuses on a client struggling to cope with her son who has mental health and drug problems. The second part describes the son's experience of entering into a therapeutic encounter after having reached a crisis point Cultural differences are also explored Included in this volume is material to inform the training process of counsellors and many others who seek to work with people experiencing these relational dynamics It is intended as much for experienced counsellors as it is for trainees It provides real insight into what can occur during counselling sessions The book will also be of value to the many healthcare and social care professionals who whilst they may specialise in other areas will find that the issues dealt with in this volume have impact on the work they are doing For them the text demystifies what can occur in therapy and provides useful ways of working that may be used by professionals other than counsellors Potential clients will also gain an insight into the process Workplace Counselling in the NHS Richard Bryant-Jefferies, 2019-08-08 This book has been written specifically to meet the needs of counsellors and trainers working with the National Health Service It will also provide useful insights for doctors nurses and managers within the healthcare sector The book covers topics such as difference and diversity colour language barriers oppressed nurses stressed managers changes in the NHS exhaustion and late cancellations Adopting the unique approach of the Living Therapy series this book uses fictitious dialogues to enable the reader to directly experience the therapeutic process providing real insight into the experience of workplace counselling in the NHS and also in other work settings Counselling a Recovering Drug User Richard Bryant-Jefferies, 2018-12-14 This book is well timed and critically needed because it is a unique focus specifically working with the individual drug abuser which is written within the Carl Rogers person centered approach This book is matchless and deeply insightful Bryant Jefferies offers critical wisdom from his many years of counseling persons with substance abuse problems and brings into the text the guidance and skill of an experienced supervisor No doubt this book will remain a reference for a long time to come for all of us working in the field of counseling persons with drug abuse problems Dana Murphy Parker in her Foreword Professor of Nursing Arizona Western College Board of Directors The

International Nurses Society on Addictions Counselling a Recovering Drug User has a story line that gripped me like a magnet from cover to cover The reader will come away with a heightened awareness and increased knowledge of the complexities of dealing with people who have a drug related problem Many people will benefit from this book The lay reader will find the book an engaging read whilst gaining some insight into the world of drug users and the counselling process Actual and potential clients may need this and gain encouragement about the benefits of person centred counselling Health professionals will find this book provides an easy to follow explanation of Carl Roger's counselling model and a unique view on how the counselling relationship allows a troubled client to grow and heal I enjoyed this book immensely I highly recommend this book to anyone who has an interest in drug users problems and the therapeutic relationship Dr Peter C Robinson in his Foreword General Practitioner Surrey GP with a Special Interest in Substance Misuse Guildford Surrey

Counselling Young Binge Drinkers Richard Bryant-Jefferies, 2018-12-14 Young binge drinkers are becoming more and more common in society today By using case studies with fictitious clients this timely and much needed book offers the reflective thoughts and feelings of both client and counselor in a user friendly format Counselors and psychotherapists who practice or are interested in the person centered approach will find this book invaluable particularly those who work with young people It also provides vital information for youth leaders teachers and parents of young people and counselors and therapists in training **Counselling for Death and Dying Richard Bryant-Jefferies**, 2006 Focusing on counselling bereaved clients and those with terminal illness this book contains case studies reflective thoughts and feelings of both the client and counsellor Boxed key points and references to person centred theory aid easy comprehension **Eating Disorders in Women** Richard Bryant-Jefferies, 2017-11-22 Counseling for Eating Disorders in Women focuses on women whose eating patterns have generated side effects on other aspects of their lives such as work health and family Women with problems connected with over eating under eating and poor eating form a significant proportion of counselors lists with a distinctive set of problems and challenges This book adopts the unique approach of the Living Therapy series using fictitious dialogue to illustrate the person centered approach enabling the reader to experience directly the diverse and challenging issues surrounding patients This is difficult to achieve with conventional text books This book is invaluable for trainees and experienced counselors members of support organizations and women suffering from eating disorders their friends and families
