miscellany, and family visitor, 1861 **The Murders at White House Farm** Carol Ann Lee, 2015-07-30 The Sunday Times bestseller and the definitive story behind the ITV factual drama *White House Farm* about the horrific killings that took place in 1985 On 7 August 1985 Nevill and June Bamber their daughter Sheila and her two young sons Nicholas and Daniel were discovered shot to death at White House Farm in Essex The murder weapon was found on Sheila's body a bible lay at her side All the windows and doors of the farmhouse were secure and the Bambers son 24 year old Jeremy had alerted police after apparently receiving a phone call from his father who told him Sheila had gone berserk with the gun It seemed a straightforward case of murder suicide but a dramatic turn of events was to disprove the police's theory In October 1986 Jeremy Bamber was convicted of killing his entire family in order to inherit his parents substantial estates He has always maintained his innocence Drawing on interviews and correspondence with many of those closely connected to the events

including Jeremy Bamber and a wealth of previously unpublished documentation Carol Ann Lee brings astonishing clarity to a complex and emotive case She describes the years of rising tension in the family that culminated in the murders and provides clear insight into the background of each individual and their relationships within the family unit Scrupulously fair in its analysis The Murders at White House Farm is an absorbing portrait of a family a time and a place and a gripping account of one of Britain s most notorious crimes *Gloucestershire Notes and Queries* ,1884 **Vampires in the New**

New sch. and family ed* Daniel Defoe,1859 [Monstrous Fantasies](#) Leila K. Norako,2024-08-15

Monstrous Fantasies asks why medieval romances reimagining the crusades ending in a Christian victory circulated in England with such abundance after the 1291 Muslim reconquest of Acre the last of the Latin crusader states in the Holy Land and what these texts reveal about the cultural anxieties of late medieval England Leila K Norako highlights the impact that the Ottoman victory and subsequent massacre of Christian prisoners at the battle of Nicopolis in 1396 had on intensifying the popularity of what she calls recovery romance These two episodes inspired a sense of urgency over the fate of the Holy Land and of Latin Christendom itself resulting in the proliferation of romances in which crusading English kings like Richard I and anachronistic legends like King Arthur not only reconquered Jerusalem but committed genocidal violence against the Muslims These romances which as Norako argues also influenced Geoffrey Chaucer s Canterbury Tales conjure fantasies of an ascendant global Christendom by rehearsing acts of conquest and cultural annihilation that were impossible to realize in the late Middle Ages Emphasizing the tension in these texts between nostalgia and anticipation that fuels their narrative momentum Monstrous Fantasies also explores how the cultural desires for European and Christian hegemony that recovery romances versified were revived in the wake of the so called wars on terror in the twenty first century in such films as Kingdom of Heaven and American Sniper

years in an asylum is enough time to really lose your mind And arouse one to unleash the dark and vengeful thoughts residing therein Hagatha Ketchel was beyond distraught She was shunned and cast out by her husband for bearing him a daughter instead of a son Hysterical she did the unthinkable And for it she was committed to a mental institution They told Hagatha her stay there would help They claimed that it was much more humane than other insane asylums Yet Hagatha's hopes were dashed She descended into a deeper and darker place a place no one would ever want to go Hagatha did the only thing she could she found a way to live with her demons Not just exist with them but use them to her advantage She may have seemed like the model patient when she was discharged after 24 years But there was nothing therapeutic about her transformation Her extended incarceration was the genesis of Hagatha's lethal plan and life long commitment Those who spurned her in the past hadn't a clue of the calamity she was about to unleash Hagatha Ketchel Unhinged is the second book in the Slaughter Minnesota horror series Join Hagatha in her descent into hell to appreciate how she became Slaughter's most dreaded resident If you grew up near that one scary house that you didn't dare pass or that strange neighbor you always tried to avoid this is a story for you Buy your copy now before Hagatha Ketchel unleashes a calamity on you

Tazreena Sajjad, 2013-08-21 Offering a comparative case study of transitional justice processes in Afghanistan and Nepal this book critically evaluates the way the local is consulted in post conflict efforts toward peace and reconciliation It argues that there is a tendency in transitional justice efforts to contain the discussion of the local within religious and cultural parameters thus engaging only with a static local as interpreted by certain local stakeholders Based on data collected through interviews and participant observation carried out in the civil societies of the respective countries this book brings attention to a dynamic local where societal norms evolve and realities on the ground are shaped by shifting power dynamics local hierarchies and inequalities between actors It suggests that the local must be understood as an inter subjective concept the meaning of which is not only an evolving and moving target but also dependent on who is consulted to interpret it to external actors This timely book engages with the divergent range of civil society voices and offers ways to move forward by including their concerns in the efforts to help impoverished war torn societies transition from a state of war to the conditions of peace
