**A Legacy of Preaching, Volume Two---Enlightenment to the Present Day**

Zondervan, 2018-11-13 A Legacy of Preaching Volume Two Enlightenment to the Present Day explores the history and development of preaching through a biographical and theological examination of its most important preachers. Instead of teaching the history of preaching from the perspective of movements and eras, each contributor tells the story of a particular preacher in history, allowing these preachers from the past to come alive and instruct us through their lives, theologies, and methods of preaching. Each chapter introduces readers to a key figure in the history of preaching, followed by an analysis of the theological views that shaped their preaching, their methodology of sermon preparation and delivery, and an appraisal of the significant contributions they have made to the history of preaching. This diverse collection of familiar and lesser-known individuals provides a detailed and fascinating look at what it has meant to communicate the gospel over the past two thousand years. By looking at how the gospel has been communicated over time and across different cultures, pastors, scholars, and homiletics students can enrich their own understanding and practice of preaching for application today. Volume Two covers the period from the Enlightenment to the present day and profiles thirty-one preachers, including Charles Simeon by Darrell Young, Robert Murray M. Cheyne by Jordan Mark Stone, Alexander Maclaren by R. Scott Pace, Catherine Booth by Roger J. Green, Charles Haddon Spurgeon by Thomas J. Nettles, Rodney Gipsy Smith by Bill Curtis, George Liele by Terriel Byrd, Charles Finney by Robert W. Caldwell III, John Jasper by Alfonza W. Fulwood, and Robert Smith Jr. Henry Ward Beecher by Michael Duduit, John Albert Broadus by Hershael W. York, Phillips Brooks by Charles W. Fuller, D. L. Moody by Gregg L. Quiggle, B. H. Carroll by Robert Matz, and Jerry Sutton. Billy Sunday by Kristopher K. Barnett, Karl Barth by William H. Willimon, Dietrich Bonhoeffer by Keith W. Clements, D. Martyn Lloyd Jones by Carl Trueman, John Stott by Greg R. Scharf, Harry Emerson Fosdick by Dwayne Milioni, R. G. Lee by Charles A. Fowler, Aimee Semple McPherson by Aaron Friesen, W. A. Criswell by David L. Allen, Gardner C. Taylor by Alfonza W. Fulwood, and Robert Smith Jr. Billy Graham by John N. Akers, Martin Luther King Jr. by Alfonza W. Fulwood, Dennis R. McDonald, and Anil Sook Deo. Adrian Rogers by Daniel L. Akin and Bill Curtis, E. V. Hill by Dante D. Wright, I. Jerry Falwell by Edward E. Hindson Jr., I. Packer by Leland Ryken, and Benjamin Hernandez. Volume One, available separately, covers the period from the apostles to the Puritans and profiles thirty preachers, including Paul, Origen of Alexandria, Augustine of Hippo, Francis of Assisi, Martin Luther, Jonathan Edwards, John Wesley, George Whitefield, and more. **Like Family**

Margaret K. Nelson, 2020-04-17 For decades, social scientists have assumed that fictive kinship is a phenomenon associated only with marginal peoples and people of color in the United States. In this innovative book, Nelson reveals the frequency, texture, and dynamics of relationships which are felt to be like family among the white middle class. Drawing on extensive in-depth interviews, Nelson describes the quandaries and contradictions, delight and anxiety, benefits and costs, choice and obligation in these relationships. She shows the ways these fictive kinships are similar to one another as well as the ways they vary, whether around age or generation, co-residence, or the possibility of becoming real families. Moreover, she shows that different parties to the same relationship understand them in some similar and some very different ways.

Theoretically rich and beautifully written the book is accessible to the general public while breaking new ground for scholars in the field of family studies      *The Complete Family Office Handbook* Kirby Rosplock,2014-01-08 Everything you need to know for successful wealth management for families Although the family office concept is not new it is a phenomenon that is changing the wealth management landscape With celebrities and business moguls investment gurus and family business icons establishing private wealth management advisory firms more and more individuals are asking what exactly is a family office and how does it operate Family offices either serve one family exclusively or typically manage the wealth of a number of affluent families If you re like most families and advisors you re familiar with family offices but may not know exactly how they work or why the family office is right for you or your clients Dr Kirby Rosplock an expert on the family office concept provides insights to some of the most common questions and even misperceptions in this handbook The Complete Family Office Handbook explains how family offices operate who should consider forming or joining one and how to craft and set up a structure purpose and vision for the office that fully serves a family s particular needs and investment goals Whether you re a wealth creator a member of a wealthy family considering forming or joining a family office or a professional contemplating a career in this growing segment of the wealth management industry this comprehensive guide provides insights to some of the most common questions and misperceptions      **The Publishers Weekly** ,1972      **Multicultural Literature for**
