In a world where the God hypothesis is no longer necessary today's Church may offer skeptical Seekers a Jesus Story that no longer connects with their lives Nevertheless their honest questions are to be valued and honored by the Church because they keep us honest and make us rethink the relevancy of our faith Today's world is asking if there is any Reality to the Jesus about whom we speak and if so would he please stand up It is my contention that faith in God does not depend upon proof of his existence as much as what that God's attitude is toward us While the Good News proposed by Christian Faith is that God's attitude was definitively displayed in Jesus I am suggesting that our Jesus Story must take the Apostle Paul's understanding of Reconciliation seriously God too has to pay the price of Sin He is part of the problem of our alienation and neither we nor God can escape its consequences Therein lies the POWER I believe of the Jesus Story to hold the attention of today's Seeker Jesus not only died for our sins he died for God's Sin as well Our Sin was our disobedience God's Sin was his Ignorance It is Paul who getting his message directly from the Risen Christ sees this most clearly Paul wants us to understand that God was in Christ's life and death reconciling the world to himself not just forgiving us Unlike the Jesus Story told by today's Church Paul sees God's Grace as much more amazing than mere payment for our peccadilloes **NLT Courage for Life Study**
