**Family in Mission** Johannes Reimer, 2020-06-30 Innumerable books have been written about successful outreach and evangelism yet almost none address the centrality of the family as God's intended vehicle for experiencing life, community and growth. In this timely and powerful book, Johannes Reimer urges us to rediscover the family as a primary agent for mission in the world. Offering both a theological and practical foundation for understanding the role and significance of families in the vocation of the church, this book also provides creative ideas for implementing a family-centered praxis that offers preparation and support to families living out their calling to make Christ known. To ignore the family, Reimer warns, is to ignore the church's greatest resource for transmitting truth, communicating love, and embodying the gospel. If we are to be effective in making disciples of all nations, we must start in our own homes. God's Plan for Success in Your Family Life Irwin Lall, Vijaya Lall, 2019-02-15 Success in Family Life: God's will is for your success. This book helps you bring God into every area of your family life. Your family will thrive despite the turmoil which threatens to undermine it and become a transforming agency for God and for good in a world that has lost its way and surrendered to sleaze and dysfunctional living.

**Intersecting Realities** Hak Joon Lee, 2018-11-13 Experiencing racial marginalization in society and pressures for success in family: Asian American Christian young adults must negotiate being socially underpowered, culturally dissonant, and politically marginal. To avoid misunderstandings and conflicts within and without their communities more often than not they hide their true thoughts and emotions and hesitate to engage in authentic conversations outside their very close knit circle of friends. In addition, these young adults might not find their church or Christian fellowship to be a safe and hospitable place to openly struggle with all of these sorts of questions, all the while lacking adequate vocabulary or resources to organize their thoughts. This book responds to these spiritual/moral struggles of Asian American young people by theologically addressing the issues that most intimately and immediately affect Asian American youths' sense of identity: God, race, family, sex, gender, friendship, money, vocation, the model minority myth, and community, uniquely and consistently from the contexts of Asian American young adult life. Its goal is to help young Asian Americans develop a healthy, balanced, organic sense of identity grounded in a fresh and deeper understanding of the Christian faith. **Marriage And Family**, 2019-04-24 Marriage and family was designed by God. It was intended to be a blessing. To build good marriages and strong families, we need to rediscover God's instruction and teaching on how to do this correctly. In compiling this manual, we have attempted to bring together Scriptural teaching and practical application of truth on the topic of marriage and family. For those starting their journey, we trust that this resource will be a blessing to you and your spouse or fiancé to help you lay a foundation for many happy years together. If you have been married for some time now, we trust that this resource will help you rediscover purpose and rekindle passion so that both you and your spouse together can enjoy marriage to the full as God designed it to be.
