**The Family in International and Regional Human Rights Instruments** Akila Belembaogo, United Nations. Department of Economic and Social Affairs, 1999

**Irregular Migration and Human Rights: Theoretical, European and International Perspectives** Barbara Bogusz, Ryszard Cholewinski, Adam Cygan, Erika Szyszcak, 2004-09-01 Desperate and vulnerable people who take enormous risks to migrate to Europe in rickety boats or concealed in the containers of articulated lorries are familiar images portrayed in the media of irregular migrants Irregular migration has become a major political concern both at the European level and in the wider international context In the European Union politicians have identified irregular migration as a problem and have given priority to preventing this phenomenon in the development of the common asylum and immigration policy This collection of essays is the outcome of an international conference on Irregular Migration and Human Rights which gathered together prominent scholars policy makers and practitioners working in the migration and human rights field The objective of the book in contrast to the prevailing political approach which focuses almost solely on prevention is to discuss the human rights dimensions of irregular migration from theoretical European and international perspectives The book is divided into five substantive parts the complex question of who is an irregular migrant and the difficulties in assessing the size of irregular movements official and popular perceptions of irregular migrants a debate which is frequently considered in terms of security concerns asylum and human trafficking and smuggling the myriad strands of the developing EU law and policy on irregular migration such as the adoption of readmission agreements and the relationship of this law and policy to external border controls in the context of EU enlargement and other non legal means of EU decision making the contributions of international and non governmental actors to charting a rights based approach to irregular migration and the problems these vulnerable persons face while resident in host countries such as discrimination and denial of access to social rights and public services which is inextricably bound up with their irregular status

**Human Rights Monitoring** Anette Faye Jacobsen, 2008 Monitoring is a crucial mechanism to secure and improve implementation of human rights Field officers and other human rights defenders are key agents in monitoring and thus contribute to securing human rights in practice This manual is meant to provide information on basic monitoring techniques and to give a focused overview of current human rights law and practice in selected areas of importance for most practitioners working with human rights monitoring It contains checklists for monitors as well as references to key literature handbooks and web resources for further information It also includes annotated lists of instrument provisions relevant to each theme The manual is intended for people of various backgrounds including field officers and activists with no specific legal training

**Social Institutions and International Human Rights Law Implementation** Julie Fraser, 2020-08-06 Having articulated numerous human rights norms and standards in international treaties the pressing challenge today is their realisation in States parties around the world Domestic implementation has proven a difficult task for national authorities as well as

international supervisory bodies This book examines the traditional State centric and legalistic approach to implementation critiquing its limited efficacy in practice and failure to connect with local cultures The book therefore explores the permissibility of other measures of implementation and advocates more culturally sensitive approaches involving social institutions Through an interdisciplinary case study of Islam in Indonesia the book demonstrates the power of social institutions like religion to promote rights compliant positions and behaviours Like the preamble of the 1948 Universal Declaration of Human Rights the book reiterates the role not just of the State but indeed every organ of society in realising rights
