Edwards Sr., 2021-05-27 Through the years of dealing with family love and a plethora of personalities I have noticed that in today's society there seems to be disarray some perplexity as well as puzzlement and uncertainty of God's family order and how it works Man should know the role order guidelines and relationships within the family household God started the first family and created the ideal family household husband wife son and daughter The love of every member of the family and the role each member plays within the family is outlined in this book **Ethics and Spiritual Care** Karen Lebacqz, Joseph Driskill, 2010-10-01 *Ethics and Spiritual Care* responds to three phenomena of increasing importance Although spiritual care is at the heart of ordained ministry there is no text in professional ethics for clergy that focuses specifically on spiritual care What ethical guidelines are needed to ensure that spiritual care in ministry is appropriate Many people in our world do not consider themselves religious but use the term spiritual The burgeoning interest in spirituality is an invitation to people with little training to set themselves up as spiritual directors Guidelines are needed not simply for the ethical practice of parish ministry but for specific practices of spiritual direction Allegations of spiritual abuse have been made both in practice and in the literature the term is being used with some frequency The development of this term and its implications requires some

scrutiny and response as sexual abuse is not a good model for understanding spiritual abuse
