Congress. Senate. Committee on the Judiciary. Subcommittee on the Constitution, 1985 **O'Rourke's Revenge** Larry Jay Martin, 2005 The acclaimed author of Stranahan delivers the first rousing book in his exciting new western series about the Kin a large Irish clan in the old West Original **County Cavan and County Leitrim, Ireland, genealogy and family history notes** Michael C. O'Laughlin, 2002 This illustrated well indexed book was created exclusively to help you find your family in Counties Cavan and Leitrim in Ireland Focusing specifically on families within these neighbouring counties the book includes an introduction to research and sources in each county The most numerous families from birth records are given as well as rather rare Cavan and Leitrim families found in heraldic records Included you will find a full page map of both counties from the Atlas of Ireland along with a listing of modern parishes and old townlands along with the address and location of records for more research This work includes copies of actual records some worn torn and faded it also includes rough sketches of family coats of arms and notes from centuries past seldom found elsewhere The resources provided here will help research any family in the county including old Irish families and settler families from England Scotland Wales and the continent This book is a hands on guide for finding your family in Cavan and Leitrim some family history is included but it is not a gigantic collection of family histories For that see The Book of Irish Families Great and Small The Family O'Rourke Helene Mansfield, Helene Thornton, 1980 **The Hibernian Magazine, Or, Compendium of Entertaining Knowledge**, 1782 Just Mary: A Political Memoir From Mary O'Rourke Mary O'Rourke, 2012-10-12 In this memoir Mary O'Rourke writes with remarkable candidness and humour of personal and political events of the many senior political figures with whom she worked including Charles Haughey and Bertie Ahern of her life with her beloved husband Enda of her two dear Brians both of whom died before their time of her successes and disappointments She does all this with honesty energy and an absence of self pity or self justification The book is like the woman herself open warm and frank **Orator O'Rourke** Mike Roer, 2006-01-27 As a player manager team captain umpire owner and league president Hall of Famer Jim O'Rourke 1851-1918 spoke for the players in the emerging game of baseball O

Rourke's career paralleled the rise of the game from a regional sport with few strategies to the national pastime. Nicknamed Orator for his booming voice and his championing of the rights of professional athletes, he was a driving force in making the sport a profession, bringing respectability to the role of professional baseball player. From contemporary sources, O'Rourke's own correspondence and player files available through the National Baseball Library, a rounded portrait of Jim O'Rourke emerges. Quick to speak his mind, the outfielder played on nine pennant-winning teams, but his playing career was overshadowed by his work in organizing baseball's first union. After his playing days ended, O'Rourke attempted to establish the Connecticut League, becoming the circuit's president, secretary, and treasurer. Though the league failed to fully materialize, his Bridgeport Victors did play several games and were one of the few racially integrated teams, a fact emblematic of O'Rourke's efforts to change the national pastime. In those efforts, he attempted to wrest control of the game from the owners and empower the players. A carefully researched account of O'Rourke's life and career, this biography also provides a behind-the-scenes look at the growth of the national pastime from the Civil War through the deadball era.

The Early Life of Erasmus O'Rourke Patrick C. Coulson, 2009-10. Erasmus O'Rourke was destined to be the greatest magician of our times, but 17th Century Ireland was a troubled land for a young Irish boy. This biography, set in a time rich in early Irish culture, is a gripping story of his rise to manhood. It gives an imaginative but accurate and also amusing insight into the early history of Ireland. An excellent read for the adult youngster and older readers interested in magical adventures.
