

# FAMINE AND FOOD SUPPLY IN THE GRAECO-ROMAN WORLD

RESPONSES TO RISK AND CRISIS

---

PETER GARNSEY

# Famine And Food Supply In The Graeco Roman World

**David W. Gill, Conrad Gempf**

## **Famine And Food Supply In The Graeco Roman World:**

**Famine and Food Supply in the Graeco-Roman World** Peter Garnsey, 1988 The first full length study of famine in antiquity The study provides detailed case studies of Athens and Rome the best known states of antiquity but also illuminates the institutional response to food crisis in the mass of ordinary cities in the Mediterranean world Ancient historians have generally shown little interest in investigating the material base of the unique civilisations of the Graeco Roman world and have left unexplored the role of the food supply in framing the central institutions and practices of ancient society

**Famine and Food Supply in the Graeco-Roman World. Responses to Risk and Crisis. [Mit Kt. -Skizzen.] (1. Publ.)** Peter Garnsey, 1989 Famine and Food Supply in the Graeco-Roman World. Responses to Risk and Crisis. [Mit Kt. -Skizzen.] (1. Publ.) Peter Garnsey, 1989 Famine and Food Supply in the Graeco-Roman World, Responses to Risk and Crisi P. GARNSEY, 1989 The Book of Acts in its First Century Setting, Volume 2 David W. Gill, Conrad Gempf, 2000-11-24 The results of our rapidly expanded historical and archaeological knowledge have here been brought to bear on the Book of Acts to stunning effect Outstanding as Jackson and Lake was in its day this volume on the Graeco Roman setting of Acts holds out the promise of equaling if not surpassing that great achievement Paul Barnett Bishop of North Sydney Australia This well written volume offers a remarkable up to date collection of relevant new data to assist in scenario formation for a considerate reading of the Book of Acts The largely Australian and British team of authors must be congratulated for preparing this very useful data set There are authoritative descriptions of travel of food supply of domestic and political religion of urban elites and of the Eastern Mediterranean provinces and their leadership Such information about the realm of the Graeco Roman world will enable the interpreter of Acts to bring these data to bear in the process of interpretation Of great use to ancient historians classicists and biblical scholars yet written and presented in such a way that it will be fascinating to intelligent nonprofessionals as well Bruce J Malina Creighton University The Oxford Classical Dictionary Simon Hornblower, Antony Spawforth, Esther Eidinow, 2012-03-29 The revised third edition of the Oxford Classical Dictionary is the ultimate reference on the classical world containing over 6 200 entries The 2003 revision includes minor corrections and updates and all Latin and Greek words in the text are now translated into English For Your Sake He Became Poor Georges Massinelli, 2021-04-19 The Pauline collection for the poor in Jerusalem is the most famous example of financial support for geographically distant groups in early Christianity Recent assessments of the Pauline collection have focused on patronage to explain the social relations between Jerusalem and the Pauline groups and the strategies adopted by Paul Through a comparison with the Greco Roman world and a close reading of the texts this study challenges the recent approach and proposes that other factors shaped Paul s stance Paul was interested in reassuring the Corinthians about the financial outcome of the collection and dispelling doubts that he might take advantage of them The collection was an action modeled on divine generosity and an exchange within a reciprocal relationship between Christian groups This study also surveys

intergroup support between Christian groups in the first three centuries CE This practice involved churches from most of the Mediterranean Basin and was known even outside of Christian circles Transfers of money were organized according to a consistent pattern modeled on local charitable practices The Pauline collection had similar characteristics and can be seen as part of this widespread economic practice      **Revelation 6-16, Volume 52B** Dr. David Aune, 2017-12-12 The Word Biblical Commentary delivers the best in biblical scholarship from the leading scholars of our day who share a commitment to Scripture as divine revelation This series emphasizes a thorough analysis of textual linguistic structural and theological evidence The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor the seminary or university student the working minister and everyone concerned with building theological understanding from a solid base of biblical scholarship Overview of Commentary Organization Introduction covers issues pertaining to the whole book including context date authorship composition interpretive issues purpose and theology Each section of the commentary includes Pericope Bibliography a helpful resource containing the most important works that pertain to each particular pericope Translation the author's own translation of the biblical text reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words phrases and tenses yet in reasonably good English Notes the author's notes to the translation that address any textual variants grammatical forms syntactical constructions basic meanings of words and problems of translation Form Structure Setting a discussion of redaction genre sources and tradition as they concern the origin of the pericope its canonical form and its relation to the biblical and extra biblical contexts in order to illuminate the structure and character of the pericope Rhetorical or compositional features important to understanding the passage are also introduced here Comment verse by verse interpretation of the text and dialogue with other interpreters engaging with current opinion and scholarly research Explanation brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels 1 within the context of the book itself 2 its meaning in the OT or NT 3 its place in the entire canon 4 theological relevance to broader OT or NT issues General Bibliography occurring at the end of each volume this extensive bibliography contains all sources used anywhere in the commentary

*Rome the Cosmopolis* Catharine Edwards, Greg Woolf, 2006-11-02 Rome stands today for an empire and for a city The essays gathered in this volume explore some of the many ways in which the two were interwoven Rome was fed beautified and enriched by empire just as it was swollen polluted infected and occupied by it Empire was paraded in the streets of Rome and exhibited in the city's buildings Empire also made the city ineradicably foreign polyglot an alien capital and a focus for un-Roman activities The city was where the Roman cosmos was most concentrated and so was most contested Deploying a range of methodologies on materials ranging from Egyptian obelisks to human skeletal remains via Christian art and Latin poetry the contributors to this volume weave a series of pathways through the world city exploring the different kinds of

centrality Rome had in the empire The result is a startlingly original picture of both empire and city

**The Books of the Maccabees: History, Theology, Ideology** Géza Xeravits,Jzsef Zsengell'r,2007 The volume contains essays on various problems of the early Jewish works the Books of the Maccabees Authors include renowned international specialists in the literature and thinking of early Judaism

*An Economic History of Famine Resilience* Jessica Dijkman,Bas van Leeuwen,2019-09-18 Food crises have always tested societies This volume discusses societal resilience to food crises examining the responses and strategies at the societal level that effectively helped individuals and groups to cope with drops in food supply in various parts of the world over the past two millennia Societal responses can be coordinated by the state the market or civil society Here it is shown that it was often a combined effort but that there were significant variations between regions and periods The long term comparative perspective of the volume brings out these variations explains them and discusses their effects on societal resilience This book will be of interest to advanced students and researchers across economic history institutional economics social history and development studies

**The Freedman in Roman Art and Art History** Lauren Hackworth Petersen,2011-09-19 From monumental tombs and domestic decoration to acts of benefaction and portraits of ancestors Roman freed slaves or freedmen were prodigious patrons of art and architecture Traditionally however the history of Roman art has been told primarily through the monumental remains of the emperors and ancient writers who worked in their circles In this study Lauren Petersen critically investigates the notion of freedman art in scholarship dependent as it is on elite authored texts that are filled with hyperbole and stereotypes of freedmen such as the memorable fictional character Trimalchio a boorish ex slave in Petronius Satyricon She emphasizes integrated visual ensembles within defined historical and social contexts and aims to show how material culture can reflect preoccupations that were prevalent throughout Roman society Interdisciplinary in scope this book explores the many ways that monuments and artistic commissions by freedmen spoke to a much more complex reality than that presented in literature

**Rural Athens Under the Democracy** Nicholas F. Jones,2011-02-02 Much of the evidence literary historical documentary and pictorial from ancient Athens is urban in authorship subject matter and intended audience The result has been the assertion of an undifferentiated monolithic Athenian citizen regime as often as not identifiably urban in its lifestyle preoccupations and attitude In Rural Athens Under the Democracy however Nicholas F Jones undertakes the first comprehensive attempt to reconstruct on its own terms the world of rural Attica outside the walls during the classical fifth and fourth centuries B C What he finds is a distinctly nonurban and nonurbane order dominated by a traditional predominantly agrarian society and culture Jones relies heavily upon the relatively neglected epigraphic record from the rural countryside and villages as well as posing new questions of the well known urban writings of Athenian historians essayists and philosophers and occasionally following the lead of Hesiod s agrarian poem Works and Days From these sources he gleans new findings regarding settlement patterns argues for a heretofore unrecognized system of personal patronage explores relations between villages

and the town of Athens reconstructs the Agrarian Dionysia in several of its more important dimensions and contrasts the realities of rural Attic culture with their various representations in contemporary literary and philosophical writings by Aristophanes Xenophon Plato and others Building on Jones s previous publications on the ancient Greek city state Rural Athens Under the Democracy presents the first holistic examination of classical extramural Attica He challenges the received view that ancient Athens in its heyday was marked by a uniform cultural ideological and conspicuously citified order and in place of the perception of things rural as mere deficits in urbanity proposes that we look at Attica outside the walls in its own right and in positive terms *The Oxford Handbook of Christianity and Economics* Paul Oslington,2014-01-31 Many important contemporary debates cross economics and religion in turn raising questions about the relationship between the two fields This book edited by a leader in the new interdisciplinary field of economics and religion and with contributions by experts on different aspects of the relationship between economics and Christianity maps the current state of scholarship and points to new directions for the field It covers the history of the relationship between economics and Christianity economic thinking in the main Christian traditions and the role of religion in economic development as well as new work on the economics of religious behavior and religious markets and topics of debate between economists and theologians It is essential reading for economists concerned with the foundations of their discipline historians moral philosophers theologians seeking to engage with economics and public policy researchers and practitioners *New Documents Illustrating Early Christianity, 9* Stephen Llewelyn,2002-10-28 This new volume in the New Documents series continues the efforts of the Ancient History Documentary Research Centre at Macquarie University to make available Greek inscriptions and papyri that shed light on the Graeco Roman world the context in which the Christian church developed Volume 9 includes a selection of secular texts as well as documents directly relating to Judaica and ecclesiastica Notable entries include The Ecumenical Synod of Dionysiac Artists The Elders and Rulers Archons of the Jews and Fragment from the Unknown Gospel Papyrus Egerton 2 Texts and translations are printed side by side full indices and references are also provided Since it is being published in honor of Paul Barrett this volume includes a special preface by Alanna Nobbs an introductory reflection on Barrett s career and New Testament history by E A Judge and a bibliography of Barrett s work compiled by C B Forbes

**Medicine and Society in Ptolemaic Egypt** Philippa Lang,2012-12-07 Current questions on whether Hellenistic Egypt should be understood in terms of colonialism and imperialism multicultural separatism or integration and syncretism have never been closely studied in the context of healing Examining all forms of healing within the specific socioeconomic and environmental constraints of the Ptolemies Egypt this book explores how linguistic cultural and ethnic affiliations and interactions were expressed in the medical domain Topics include the environmental and demographic background perceptions of Greek and Egyptian medicine the intersection between religion and healing interactions on the theoretical and textual plane diagnosis prognosis and therapeutics in practice and the range of medical practitioners The book concludes

with a case study of medicine in Ptolemaic Alexandria      *Planning for Protraction* Iskander Rehman,2023-11-09 As Sino US relations have deteriorated concerns have grown in Washington over its ability to defeat China in a major conflict A conflict between such peer competitors would likely become a protracted war of attrition drawing on all dimensions of national power but this reality has yet to receive a sufficient degree of analytical attention In this Adelphi book Iskander Rehman provides a historically informed and empirically grounded study of protracted great power war its core drivers and characteristics and an examination of the elements that have most often determined a competitor's long term strategic performance Final victory in a protracted conflict this book argues rests on a combination of three core factors a state's military effectiveness and adaptability its socio economic power and resiliency and the soundness of its alliance management and grand strategy A detailed analysis of the contemporary Sino US rivalry assesses how both parties might fare in the event of a protracted war while highlighting some of its key differentiating aspects most notably its nuclear and cyber dimensions

*Paul as Benefactor* Stephan Joubert,2016-07-16 Stephan Joubert offers a new theoretical angle of incidence to Paul's collection by distinguishing between the basic interpretative framework within which the collection was conceptualized and the various theological reflections on this project      *Land and Economy in Ancient Palestine* Jack Pastor,2013-01-11 Land and Economy in Ancient Palestine is a study of the economic crises throughout the Second Temple Period It establishes that the single factor of the economy which united all aspects of life in ancient society was land Through study of a wide variety of sources including the New Testament and classical authors Jack Pastor looks at who owned land and how they came to possess it He examines the various ramifications of landownership in ancient society to ascertain its effect on livelihoods government policies and revenues A special emphasis is placed on debt and famine as social and economic problems with ties to the landholding structure      **Poverty in Ancient Greece and Rome** Filippo Carlà-Uhink,Lucia Cecchet,Carlos Machado,2022-09-02 This volume presents an innovative picture of the ancient Mediterranean world Approaching poverty as a multifaceted condition it examines how different groups were affected by the lack of access to symbolic cultural and social as well as economic capital Collecting a wide range of studies by an international team of experts it presents a diverse and complex analysis of life in antiquity from the archaic to the late antique period The sections on Greece Rome and Late Antiquity offer in depth studies of ancient life integrating analysis of socio economic dynamics and cultural and discursive strategies that shaped this crucial element of ancient and modern societies Themes like social cohesion and control exclusion gender agency and identity are explored through the combination of archaeological epigraphic and literary evidence presenting a rich panorama of Greco Roman societies and a stimulating collection of new approaches and methodologies for their understanding The book offers a comprehensive view of the ancient world analysing different social groups from wealthy elites to poor peasants and the destitute and their interactions in contexts as diverse as Classical Athens and Sparta imperial Rome and the late antique towns of Egypt and North Africa Poverty in Ancient Greece and Rome Realities and

Discourses is a valuable resource for students and scholars of ancient history classical literature and archaeology In addition topics covered in the book are of interest to social scientists scholars of religion and historians working on poverty and social history in other periods

## **Famine And Food Supply In The Graeco Roman World Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Famine And Food Supply In The Graeco Roman World has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Famine And Food Supply In The Graeco Roman World has opened up a world of possibilities. Downloading Famine And Food Supply In The Graeco Roman World provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Famine And Food Supply In The Graeco Roman World has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Famine And Food Supply In The Graeco Roman World. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Famine And Food Supply In The Graeco Roman World. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Famine And Food Supply In The Graeco Roman World, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Famine And Food Supply In The Graeco Roman World has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## **FAQs About Famine And Food Supply In The Graeco Roman World Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
