with Leonard and Marianne also contains several portraits of other Hydra habitués all members of the same small ex pat community all close friends and occasional lovers of Leonard and Marianne all uniquely interesting in their own right Leonard Marianne and Me is a story of a special time place and cast of characters a travelogue of an enchanted island as it was back then and still is to this day backlit by the glow of Leonard Cohen and his muse Marianne

The Poetry of Pop Adam Bradley, 2017-01-01 From Tin Pan Alley to the Beatles to Beyoncé Mr Bradley skillfully breaks down a century of standards and pop songs into their elements to reveal the interaction of craft and art in composition and performance The Wall Street Journal Encompassing a century of recorded music this pathbreaking book reveals the poetic artistry of popular songs Pop songs are music first They also comprise the most widely disseminated poetic expression of our time Adam Bradley traces the song lyric across musical genres from early twentieth century Delta blues to mid century rock n roll to today's hits George and Ira Gershwin's Fascinating Rhythm The Rolling Stones I Can't Get No Satisfaction Rihanna's Diamonds These songs are united in their exacting attention to the craft of language and sound Bradley shows that pop music is a poetry that must be heard more than read uncovering the rhythms rhymes and metaphors expressed in the singing voice At once a work of musical interpretation cultural analysis literary criticism and personal storytelling this book illustrates how words and

music come together to produce compelling poetry often where we least expect it *Bob Dylan and Leonard Cohen* David Boucher, Lucy Boucher, 2021-04-08 Both Dylan and Cohen have been a presence on the music and poetry landscape spanning six decades This book begins with a discussion of their contemporary importance and how they have sustained their enduring appeal as performers and recording artists The authors argue that both Dylan and Cohen shared early aspirations that mirrored the Beat Generation They sought to achieve the fame of Dylan Thomas who proved a bohemian poet could thrive outside the academy and to live his life of unconditional social irresponsibility While Dylan's and Cohen's fame fluctuated over the decades it was sustained by self consciously adopted personas used to distance themselves from their public selves This separation of self requires an exploration of the artists relation to religion as an avenue to find and preserve inner identity The relationship between their lyrics and poetry is explored in the context of Federico Garc a Lorca's concept of the poetry of inspiration and the emotional depths of duende Such ideas draw upon the dislocation of the mind and the liberation of the senses that so struck Dylan and Cohen when they first read the poetry and letters of Arthur Rimbaud and Lorca The authors show that performance and the poetry are integral and the duende or passion of the delivery is inseparable from the lyric or poetry and common to Dylan Cohen and the Beat Generation
