Dorr,2017-01-19 Famous Affinities of History is a unique classic in the literature of history This work contains many romantic stories to tell of the part which women have played in determining the destinies of nations Sometimes it is a woman s beauty that causes the shifting of a province Again it is another woman s rich possessions that incite invasion and lead to bloody wars Marriages or dowries or the refusal of marriages and the lack of dowries inheritance through an heiress the failure of a male succession in these and in many other ways women have set their mark indelibly upon the trend of history Classic Love Stories from History THE STORY OF ANTONY AND CLEOPATRA of all love stories that are known to human history the love story of Antony and Cleopatra has been for nineteen centuries the most remarkable Many men in private life have lost fortune and fame for the love of woman Kings have incurred the odium of their people and have cared nothing for it in comparison with the joys of sense that come from the lingering caresses and clinging kisses Cold blooded statesmen such as Parnell have lost the leadership of their party and have gone down in history with a clouded name because of the fascination exercised upon them by some woman often far from beautiful and yet possessing the mysterious power which makes the triumphs of statesmanship seem slight in comparison with the swiftly flying hours of pleasure **Famous Affinities of History** Lyndon Orr,2008-07-01 Of all love stories that are known to human history the love story of Antony and Cleopatra has been for nineteen centuries the most remarkable *Famous Affinities of History* Lyndon Orr,2017-05-31 Famous Affinities of History V1 By Lyndon Orr **"FAMOUS AFFINITIES OF HISTORY THE ROMANCE OF DEVOTION VOL.-2"** LYNDON ORR,2023-11-01 Famous Affinities of History Vol 2 is a riveting literary work that takes readers on a

Excerpt from Famous Affinities of History The Romance of Devotion The distinguished Italian historian Signor Ferrero the author of many books has tried hard to eliminate nearly all the romantic elements from the tale and to have us see in it not the triumph of love but the blindness of ambition Under his handling it becomes almost a sordid drama of man s pursuit of power and of woman s selfishness Let us review the story as it remains even after we have taken full account of Ferrero s criticism Has the world for nineteen hundred years been blinded by a show of sentiment Has it so absolutely been misled by those who lived and wrote in the days which followed closely on the events that make up this extraordinary narrative About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Famous Affinities of History* Lyndon Orr,2015 **Famous Affinities of History V2** , Famous
