 Michael D'Antonio, 2015-09-22 In the summer of 2015 as he vaulted to the lead among the many GOP candidates for  
 president Donald Trump was the only one dogged by questions about his true intentions This most famous American  
 businessman had played the role of provocateur so often that pundits reporters and voters struggled to believe that he was a  
 serious contender Trump stirred so much controversy that his candidacy puzzled anyone who applied ordinary political logic  
 to the race But as Michael D Antonio shows in *Never Enough* Trump has rarely been ordinary in his pursuit of success and

his trademark method is based on a logic that begins with his firm belief that he is a singular and superior human being As revealed in this landmark biography Donald Trump is a man whose appetite for wealth attention power and conquest is practically insatiable Declaring that he is still the person he was as a rascally little boy Trump confesses that he avoids reflecting on himself because I might not like what I see and he believes most people aren't worthy of respect A product of the media age and the Me Generation that emerged in the 1970s Trump was a Broadway showman before he became a developer Mentored by the scoundrel attorney Roy Cohn Trump was a regular on the New York club scene and won press attention as a dashing young mogul before he had built his first major project He leveraged his father's enormous fortune and political connections to get his business off the ground and soon developed a larger than life persona In time and through many setbacks he made himself into a living symbol of extravagance and achievement Drawing upon extensive and exclusive interviews with Trump and many of his family members including all his adult children D Antonio presents the full story of a truly American icon from his beginnings as a businessman to his stormy romantic life and his pursuit of power in its many forms For all those who wonder Just who is Donald Trump Never Enough supplies the answer He is a promoter builder performer and politician who pursues success with a drive that borders on obsession and yet has given him almost everything he ever wanted

[The Truth About Trump](#) Michael D'Antonio, 2016-04-12 Who is the man shaking up the GOP What does he really stand for How far will he go in his pursuit of power This is THE TRUTH ABOUT TRUMP He is one of the world's most successful businessmen and a man who many Americans love to hate So how did Donald Trump become a serious contender in the race for the country's highest office His critics think his run for president is a marketing campaign for the Trump brand His supporters believe that he can make America great again The only thing both sides can agree on is that Trump is a man whose appetite for wealth attention power and conquest is insatiable In this up close and personal biography author Michael D Antonio draws upon extensive and exclusive interviews with Trump himself to present the full story behind this American icon from his early life to the headlines of today Carefully reported and fair minded USA Today A brisk and entertaining read The Washington Post Previously published in hardcover as Never Enough
