Famous Authors John Keats:

Selected Letters John Keats, 2002 This book contains a collection of Keats letters written over four years With extraordinary candour and self knowledge he gives us his experience of almost everything that can happen to a young man between the ages of 21 and 25

The Major Works John Keats, 2001 This authoritative edition was originally published in the acclaimed Oxford Authors series under the general editorship of Frank Kermode It brings together a unique combination of Keats's poetry and prose all the major poems complemented by a generous selection of Keats's letters to give the essence of his work and thinking In his tragically short life Keats wrote an astonishing number of superb poems his stature as one of the foremost poets of the Romantic movement remains unassailable This volume contains all the poetry published during his lifetime including *Endymion* in its entirety the *Odes* *Lamia* and both versions of *Hyperion* The poetry is presented in chronological order illustrating the staggering speed with which Keats's work matured Further insight into his creative process is given by reproducing in their original form a number of poems that were published posthumously Keats's letters are admired almost as much as his poetry and were described by T S Eliot as certainly the most notable and most important ever written by any English poet They provide the best biographical detail available and shed invaluable light on Keats's poems

Complete Poems and Selected Letters of John Keats John Keats, 2001-02-13 I think I shall be among the English Poets after my death John Keats soberly prophesied in 1818 as he started writing the blankverse epic *Hyperion* Today he endures as the archetypal Romantic genius who explored the limits of the imagination and celebrated the pleasures of the senses but suffered a tragic early death Edmund Wilson counted him as one of the half dozen greatest English writers and T S Eliot has paid tribute to the Shakespearean quality of Keats's greatness Indeed his work has survived better than that of any of his contemporaries the devaluation of Romantic poetry that began early in this century This Modern Library edition contains all of Keats's magnificent verse *Lamia* *Isabella* and *The Eve of St Agnes* his sonnets and odes the allegorical romance *Endymion* and the five act poetic tragedy *Otho the Great* Presented as well are the famous posthumous and fugitive poems including the fragmentary *The Eve of Saint Mark* and the great *La Belle Dame sans Merci* perhaps the most distinguished literary ballad in the language No one else in English poetry save Shakespeare has in expression quite the fascinating felicity of Keats his perception of loveliness said Matthew Arnold In the faculty of naturalistic interpretation in what we call natural magic he ranks with Shakespeare
