Challenge of Jesus N. T. Wright, 2015-02-11 With an all new introduction by the author N T Wright's classic work helps us grow in our understanding of the historical Jesus within first century Palestine while challenging us to follow Jesus more faithfully into the postmodern world of the twenty first century Catullus and His World Timothy Peter Wiseman, T. P. Wiseman, 1987 This book is an attempt to read the poems of Gaius Valerius Catullus in his own context to look at the poet and his works against the cultural realities of the first century BC as recent advances in historical research allow us to

understand them Catullus own social background the circumstances of the literary life of his time the true extent of his works and the variety of audiences he addressed these and other questions are explored by Professor Wiseman with new and startling results Contemporary high society and politics are illustrated through Clodia and Caelius Rufus considered not as mere adjuncts to Catullus story but as significant historical personalities in their own right A final chapter on nineteenth and twentieth century interpretations of Catullus world shows how anachronistic preconceptions have prevented a proper understanding of it and made this radical reappraisal necessary Anyone with a serious interest in Latin literature or Roman history will want to read this book Students in the upper levels of school or at university will find it essential background reading to their work on Catullus and Cicero s Pro Caelio

An Anxious Age Joseph Bottum, 2014-02-11 We live in a profoundly spiritual age but not in any good way Huge swaths of American culture are driven by manic spiritual anxiety and relentless supernatural worry Radicals and traditionalists liberals and conservatives together with politicians artists environmentalists followers of food fads and the chattering classes of television commentators America is filled with people frantically seeking confirmation of their own essential goodness We are a nation desperate to stand of the side of morality to know that we are righteous and dwell in the
