## **Edge Of The City A Scrapbook 1976 91:**

**The Edge of the City** Desmond Hogan, 1993 The first work of non fiction from a novelist and short story writer about whom the New York Times wrote He writes about Ireland with a compressed lyricism that has the almost excessive intensity of a dream and the gritty ferocity of anger Here are **Ambiguous Republic** Diarmaid Ferriter, 2012-11-01 Hard nosed scholarship and moral passion underpin Diarmaid Ferriter's work Now he turns to the key years of the 70s when after half a century of independence questions were being asked about the old ways of doing things *Ambiguous Republic* considers the widespread social cultural economic and political upheavals of the decade a decade when Ireland joined the EEC when for the first time a majority of the population lived in urban areas when economic challenges abounded which saw too an increasingly visible feminist moment and institutions including the Church began to be subjected to criticism Diarmaid Ferriter's earlier books have been described as a landmark and an immense contribution making brilliant use of new sources prodigiously gifted and ground breaking All those words apply to this important book based on recently opened archives and unique access to the papers of Jack Lynch and Liam Cosgrave *Irish Writing in the Twentieth Century* David Pierce, 2000 Arranged chronologically by decade from the 1890s to the 1990s each decade is divided into two different types of writing critical documentary and imaginative writing and is accompanied by a headnote which situates it thematically and chronologically The Reader is also structured for thematic study by listing all the pieces included under a series of topic headings The wide range of material encompasses writings of well known figures in the Irish canon and neglected writers alike This will appeal to the general reader but also makes *Irish Writing in the Twentieth Century* ideal as a core text providing a unique focus for detailed study in a single volume BOOK JACKET *The Literature of the Irish in Britain* L. Harte, 2009-02-12 The first critical survey of an unjustly neglected body of literature the autobiographies and memoirs of writers of Irish birth or background who lived and worked in Britain between 1725 and the present day It offers a stimulating and provocative introduction to the themes preoccupations and narrative strategies of a diverse range of writers

*Wanderers Across Language* Kinga Olszewska, 2017-12-02 Exile has become a potent symbol of Polish and Irish cultures Historical political and cultural predicaments of both countries have branded them as diasporic nations but in Adorno's dictum for an exile writing becomes home Olszewska offers a multifaceted picture of the figure of exile in postwar Poland and Ireland juxtaposing politics and culture whereas Irish exile appears more in an economic and cultural context the essence of Polish exile is political This comparative study of works by Polish and Irish authors Stanislaw Baranczak Adam Zagajewski Marek Hlasko Kazimierz Brandys Brian Moore Desmond Hogan and Paul Muldoon shows a literature which not only depicts the experience of exile but which uses exile as a literary device *Theatrical Sites of Memory* Steven Dedalus Burch, 2001

**The Oxford Companion to Twentieth-century Literature in English** Jenny Stringer, 1996 Survey of twentieth century English language writers and writing from around the world celebrating all major genres with entries on literary

movements periodicals more than 400 individual works and articles on approximately 2 400 authors *World Authors, 1985-1990* Vineta Colby, 1995 Representing a broad range of ethnic diversity these in depth profiles present fascinating accounts of lives and careers the circumstances under which works were produced and their literary significance Each profile also includes critical evaluation a list of the author's principal works with date first published a list of major critical works and a portrait or photograph where available *Current Contents* Institute for Scientific Information (Philadelphia), 1993 **The British National Bibliography** Arthur James Wells, 1996 **International Books in Print**, 1990 **Ten Years of Irish Publishing**, 2000 CD ROM contains bibliographic listings with title author publisher pages price ISBN and date *Forthcoming Books* Rose Arny, 1997-04 *Irish Publishing Record*, 1993 *British and Irish Short-fiction Writers, 1945-2000* Cheryl Alexander Malcolm, David Malcolm, 2006 Essays on British and Irish authors of short stories written between 1945 and 2000 that are traditional in subject matter and technique and cover social political and economic changes that occurred during this time The Irish contribution to short fiction in English is second to none Short fiction in languages other than English also plays a significant role in the postwar British and Irish literary world including the use of the working class Scottish dialect *House of Mourning and Other Stories* Desmond Hogan, 2013-06-18 There is no doubt that Desmond Hogan is one of most remarkable literary talents to have come out of Ireland in the past half century and perhaps the best introduction to his work is through his magnificent short stories widely anthologized and praised throughout the world Focusing as always on the downtrodden and the eccentric the misplaced and the dispossessed Hogan's stories merge past with present landscape with mindscape distinctly Irish and burdened by history while exhilaratingly and wholly universal and modern **The Cumulative Book Index**, 1995 A world list of books in the English language *Books Ireland*, 1993 [London Magazine](#), 1993 **Farewell to Prague** Desmond Hogan, 2013-06-18 Following a crippling depression and institutionalization the writer Desmond wanders from his native Dublin around an increasingly unrecognizable Europe and as far as the southern United States assembling a patchwork of small stories conversations love affairs memories regrets and confrontations the labyrinth of stories of people whose lives you touch so that your mind becomes like a polychromatic Irish pub Whether a series of tragic postcards a cubist novel or a memoir shorn of its connective tissue *A Farewell to Prague* stands as Desmond Hogan's greatest achievement a catalog of the moments that justify a life or shine a light on its emptiness
