Education In Britain 1944 To The Present:

Education in Britain Ken Jones, 2016-01-27 In the decades after 1944 the four nations of Britain shared a common educational programme By 2015 this programme had fragmented the patterns of schooling and higher education in Wales Scotland Northern Ireland and England resembled each other less and less This new edition of the popular *Education in Britain* traces and explains this process of divergence as well as the arguments and conflicts that have accompanied it With a reach that extends from the primary school to the university and from culture to politics and economics Ken Jones explores the achievements and limits of post war reform and the egalitarian aspirations of the 1960s and 1970s He registers the impact of the Thatcherite revolution of the 1980s and of the New Labour governments which were its inheritors Turning to the twenty first century Jones tracks the educational consequences of devolution and austerity The result is a book which is more attentive than any other to the ever increasing diversity of education in Britain This comprehensive and accessible overview will have a wide appeal It will also be an invaluable resource on courses in educational studies teacher education and sociology

Education in Britain Ken Jones, 2003

Literacy Crises and Reading Policies Janet Soler, Roger Openshaw, 2006 This study addresses the critical issue of literacy crises around the world questioning their wider sociological and educational impact and demonstrating how literacy crises in one country can stimulate and shape literacy crises elsewhere

Gender, Work and Education in Britain in the 1950s S. Spencer, 2005-08-17 Improvements in education and economic expansion in the 1950s ensured a range of school leaving employment opportunities Yet girls full acceptance as adult women was still confirmed by marriage and motherhood rather than employment This book examines the gendered nature of career Using both written sources and oral history it enters the theoretical debate over the significance of gender by considering the relationship between individual women and the dominant representation of Woman

Brian Simon and the Struggle for Education Gary McCulloch, Antonio Fco Canales, Hsiao-Yuh Ku, 2023-09-21 This is the first full length study of the life and career of Brian

Simon 1915 2002 leading Marxist intellectual and historian of education in twentieth century Britain Using documentary sources that have only recently become publicly available it reveals the remarkably broad range of Simon s life as student soldier and school teacher Communist Party activist and educational academic campaigner and reformer In a sympathetic biography that yet retains critical distance the authors analyse Simon s contribution to Marxism and the CP explore the influence of both on his work as a historian of education and trace the significance of his Marxist beliefs political associations and historical approach to the cause of educational reform In so doing they consider the full nature and limitations of Simon s achievements in his struggle for education Unlike many Marxist scholars he remained loyal to the CP in the 1950s which damaged his reputation as a public intellectual Nevertheless his support for comprehensive education helped to promote egalitarian educational reforms in Britain although he was later unable to provide sufficient resistance to the 1988 Education Reform Act and to a decline in the position of the comprehensive schools In all this the significance of Simon s family and especially his relationship with his wife Joan is to the fore Joan and Brian forged a formidable 60 year partnership in politics and the CP as well as in life that lasted until Brian s death in January 2002

Education and the Reproduction of Capital R. Kumar,2012-07-25 A reflection on the specific context of neoliberal capitalism and its impact on education The chapters establish the intersectionality of state capital and education and engage with possibilities of transcending the onslaught of capital in different geographical locations from the Northern Hemisphere to the Southern Hemisphere An Empirical Approach to Preparing Children for Starting School Karen Wickett,2019-08-30 This book presents an exploration of the beliefs held by parents Early Childhood Education and Care ECEC practitioners and teachers and their relationships during children s transition to school This exploration was prompted by the author s observations that the relationships between ECEC practitioners and teachers became increasingly strained when the term school readiness was introduced to the EYFS Drawing on the findings of empirical research the book presents the four qualities of relationships between parents ECEC practitioners and teachers during children s transition to school Unlike many current texts this book extends the transition to include the phases of preparation and adjustment and explores how the qualities of relationships between parents ECEC practitioners and teachers can change throughout the phases of the transition The conceptual framework The Relational Transition to School is developed and is a useful tool for researchers and those working together to explore the qualities of relationships between those supporting children during a transition An Empirical Approach to Preparing Children for Starting School will be of great interest to researchers academics and postgraduate students in the field of early childhood education as well as those training to be early years practitioners
