Educational Architecture In Ohio From One Room Schools And Carnegie Libraries To Community Education Villages:

Educational Architecture in Ohio Virginia Evans McCormick, 2001 Examining the evolution of US institutions of learning from one room schools to vast campuses this text seeks to remind readers of this heritage through an examination of the philosophies behind the architectural styles of Ohio s schools and colleges libraries and opera houses Depicting Canada's Children Loren Lerner, 2009-05-20 Depicting Canada s Children is a critical analysis of the visual representation of Canadian children from the seventeenth century to the present Recognizing the importance of methodological diversity these essays discuss understandings of children and childhood derived from depictions across a wide range of media and contexts But rather than simply examine images in formal settings the authors take into account the components of the images and the role of image making in everyday life The contributors provide a close study of the evolution of the figure of the child and shed light on the defining role children have played in the history of Canada and our assumptions about them Rather than offer comprehensive historical coverage this collection is a catalyst for further study through case studies that endorse innovative scholarship This book will be of interest to scholars in art history Canadian history visual culture Canadian studies and the history of children **Ohio and Its People** George W. Knepper, 2003 The bicentennial edition of this publication has been revised and updated and includes an additional chapter which examines Ohio through to the end of the 20th century George W Knepper presents contemporary information on the national and state political arenas the economy and the environment **Designing the Creative Child** Amy F. Ogata, 2013-04-21 The postwar American stereotypes of suburban sameness traditional gender roles and educational conservatism have masked an alternate self image tailor made for the Cold War The creative child an idealized future citizen was the darling of baby boom parents psychologists marketers and designers who saw in the next generation promise that appeared to answer the most pressing worries of the age Designing the Creative Child reveals how a postwar cult of childhood creativity developed and continues to this day Exploring how the idea of children as imaginative and naturally creative was constructed disseminated and consumed in the United States after World War II Amy F Ogata argues that educational toys playgrounds small middle class houses new schools and children s museums were designed to cultivate imagination in a growing cohort of baby boom children Enthusiasm for encouraging creativity in children countered Cold War fears of failing competitiveness and the postwar critique of social conformity making creativity an emblem of national revitalization Ogata describes how a historically rooted belief in children s capacity for independent thinking was transformed from an elite concern of the interwar years to a fully consumable and aspirational ideal that persists today From building blocks to Gumby playhouses to Playskool trains Creative Playthings to the Eames House of Cards Crayola fingerpaint to children s museums material goods and spaces shaped a popular understanding of creativity and Designing the Creative Child demonstrates how this notion has been woven into the

fabric of American culture **Poverty and Schooling** Sue Books, Valerie Polakow, 2001-10-01 This is a special issue of Educational Studies Volume 32 No 3 from 2001 Its main focus is poverty and schooling with two guest editors that have been deeply involved in research and teaching on the problem of children in poverty for many years and bring their considerable expertise to this excellent collection of scholarship and reviews **Fabricating Modern Societies: Education, Bodies, and Minds in the Age of Steel**, 2019-09-02 Fabricating Modern Societies Education Bodies and Minds in the Age of Steel edited by Karin Priem and Frederik Herman offers new interdisciplinary and transnational perspectives on the history of industrialization and societal transformation in early twentieth century Luxembourg The individual chapters focus on how industrialists addressed a large array of challenges related to industrialization borrowing and mixing ideas originating in domains such as corporate identity formation mediatization scientification technological innovation mechanization capitalism mass production medicalization educationalization artistic production and social utopia while competing with other interest groups who pursued their own goals The book looks at different focus areas of modernity and analyzes how humans created mediated and interacted with the technospheres of modern societies Contributors Klaus Dittrich Irma Hadzalic Frederik Herman Enric Novella Ira Plein Fran oise Poos Karin Priem and Angelo Van Gorp Diary as Literature: Through the Lens of Multiculturalism in America Angela R. Hooks, 2020-02-20 Meandering plots dead ends and repetition diaries do not conform to literary expectations yet they still manage to engage the reader arouse empathy and elicit emotional responses that many may be more inclined to associate with works of fiction Blurring the lines between literary genres diary writing can be considered a quasi literary genre that offers a unique insight into the lives of those we may have otherwise never discovered This edited volume examines how diarists poets writers musicians and celebrities use their diary to reflect on multiculturalism and intercultural relations Within this book multiculturalism is defined as the sociocultural experiences of underrepresented groups who fall outside the mainstream of race ethnicity religion gender sexual orientation disability and language Multiculturalism reflects different cultures and racial groups with equal rights and opportunities equal attention and representation without assimilation In America the multicultural society includes various cultural and ethnic groups that do not necessarily have engaging interaction with each other whereas importantly intercultural is a community of cultures who learn from each other and have respect and understand different cultures Presented as a collection of academic essays and creative writing The Diary as Literature Through the Lens of Multiculturalism in America analyses diary writing in its many forms from oral diaries and memoirs to letters and travel writing Divided into three sections Diaries of the American Civil War Diaries of Trips and Letters of Diaspora and Diaries of Family Prison Lyrics and a Memoir the contributors bring a range of expertise to this quasi literary genre including comparative and transatlantic literature composition and rhetoric history and women and gender studies Coal and Culture William Faricy Condee, 2004-12-31 A critical appreciation of the opera house in the coal mining region of Appalachia
