El Surrealismo En España:

Surrealismo y literatura en España Jaume Pont, 2001 Es sabido que el surrealismo ha significado uno de los hitos capitales del arte del siglo XX Desde perspectivas diversas el volumen reúne diferentes estudios que abordan el nacimiento y desarrollo del surrealismo en Francia precursores manifiestos artísticos sobre Breton Crevel Aragon Leiris así como su expansión en Europa Bélgica y Reino Unido En conjunto los trabajos aquí publicados desde el enfoque histórico y crítico y más allá de lo que manifiesta que muchas de las estrategias creadoras que sembró el surrealismo siguen todavía vivas como ámbito de debate y de controversia

Historia del arte universal de los siglos XIX y XX Ana María Preckler, 2003 Estudio del arte universal de los siglos XIX y XX a través de los artistas más representativos de cada país con especial atención al arte español en las tres disciplinas fundamentales de arquitectura pintura y escultura

The Routledge Companion to Surrealism Kirsten Strom, 2022-11-08 This book provides a conceptual and global overview of the field of Surrealist studies Methodologically the companion considers Surrealism's many achievements but also its historical shortcomings to illuminate its connections to the historical and cultural moments from which it originated and to assess both the ways in which it still shapes our world in inspiring ways and the ways in which it might appear problematic as we look back at it from a twenty-first century vantage point Contributions from experienced scholars will enable professors to teach the subject more broadly by opening their eyes to aspects of the field that are on the margins of their expertise and it will enable scholars to identify new areas of study in their own work by indicating lines of research at a tangent to their own The companion will reflect the interdisciplinarity of Surrealism by incorporating discussions pertaining to the visual arts as well as literature film and political and intellectual history
