The Black Woods Amy Godine, 2023-11-15 Winner of the Charles A Weyerhaeuser Forest History Society Book Award *The Black Woods* chronicles the history of Black pioneers in New York's northern wilderness From the late 1840s to the 1860s they migrated to the Adirondacks to build the farms that helped them meet a 250 property requirement imposed on Black New York voters in 1821 Abolitionist Gerrit Smith gifted 120 000 acres to 3 000

landless Black New Yorkers with the support of Frederick Douglass John Brown and other abolitionists His prescient plan enacted affirmative action and distributive justice But when most of his grantees did not move north Smith s interest cooled He would not visit Timbuctoo Freeman s Home or Blacksville The settlers were on their own In The Black Woods Godine revives this history with stirring stories of frontier life and racial justice She puts the vote seeking Black pioneers at the heart of the Adirondack narrative At long last their shaping role has been reclaimed

Diplomatic and Consular Reports Great Britain. Foreign Office,1900 *The Iron Age* ,1899 **Alexandra** Lycophron,2015 The Alexandra attributed to Lykophron is a minor poetic masterpiece At 1474 lines it is one of the most important and notoriously difficult Greek poems dating from the Hellenistic period most likely the early second century BC Most of the poem purports to be a prophecy by the mythical Trojan princess Cassandra the most beautiful of the daughters of King Priam and her prophecy ranges from the Trojan War to the Roman defeat of Macedon in 197 BC which took place in the poet s own time The poem s importance arises from the light which it sheds on Greek religion in particular the role of women on foundation myths and myths of colonial identity and on local especially Italian cults and cult places The difficulty of the poem stems from its unusual vocabulary many words of ancient Greek are found only in this poem and the riddling and indirect way in which most of the many mythological characters are introduced As well as providing the Greek text in full and its English translation this volume provides the first ever full length commentary in English on the poem *Western Civilization* Kenneth L.

Blacks in the Adirondacks Sally E. Svenson,2017-11-24 *Blacks in the Adirondacks A History* tells the story of the many

African Americans who settled in or passed through this rural mountainous region of northeastern New York State In the area for a variety of reasons some were lifetime residents while others were there for a few years or months as summer employees tuberculosis patients or in connection with full or part time occupations in railroading the performing arts and baseball From blacks who settled on land gifted to them by Gerrit Smith a prosperous landowner and fervent abolitionist to those who worked as waiters in resort hotels Svenson chronicles their rich and varied experiences with an emphasis on the 100 years between 1850 and 1950 Many experienced racism and isolation in their separation from larger black populations some found a sense of community in the scattered black settlements of the region In this first definitive history Svenson gives voice to the many blacks who spent time in the Adirondacks and sheds light on their challenges and successes in this remote region Napoleon, the Last Phase Archibald Philip Primrose Earl of Rosebery,1928 **Board of Trade Journal** ,1900
