## **Electra And Other Plays:**

**Electra and Other Plays** Sophocles, 2008-06-24 Four seminal tragedies by the master Greek dramatist in sparkling new translations Of the more than one hundred plays Sophocles wrote over the course of his long life only seven survive This volume collects four of them all newly translated Electra portrays the grief of a young woman for her father Agamemnon who has been killed by her mother's lover Ajax depicts the enigma of power and weakness vis vis the fall of the great hero Women of Trachis dramatizes the tragic love and error of Heracles's deserted wife Deianeira Philoctetes examines the conflict between physical force and moral strength For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators **Electra and Other Plays** Euripides, 1998 Electra and Other Plays

Euripides, 1999-01-01 Euripides wrote Aristotle is the most intensely tragic of all the poets In his questioning attitude to traditional pieties disconcerting shifts of sympathy disturbingly eloquent evil characters and acute insight into destructive passion he is also the most strikingly modern of ancient authors Written in the period from 426 to 415 BC during the fierce struggle for supremacy between Athens and Sparta these five plays are haunted by the horrors of war and its particular impact on women Only the Suppliants with its extended debate on democracy and monarchy can be seen as a patriotic piece The Trojan Women is perhaps the greatest of all anti war dramas Andromache shows the ferocious clash between the wife and concubine of Achilles son Neoptolemos while Hecabe reveals how hatred can drive a victim to an appalling act of cruelty Electra develops and parodies Aeschylus treatment of the same story in which the heroine and her brother Orestes commit matricide to avenge their father Agamemnon As always Euripides presents the heroic figures of mythology as recognizable often very fallible human beings Some of his greatest achievements appear in this volume **Electra and Other Plays**, 1967 Electra, And Other Plays; Translated by E.F. Watling, 1967 **Electra and Other Plays** Sophocles, 2008-04-24

Sophocles innovative plays transformed Greek myths into dramas featuring complex human characters through which he explored profound moral issues Electra portrays the grief of a young woman for her father Agamemnon who has been killed by her mother's lover Aeschylus and Euripides also dramatized this story but the objectivity and humanity of Sophocles version provides a new perspective Depicting the fall of a great hero Ajax examines the enigma of power and weakness combined in one being while the Women of Trachis portrays the tragic love and error of Heracles's deserted wife Deianeira and Philoctetes deals with the conflict between physical force and moral strength Electra and Other Plays Perfection

**Penguin Classics Introduction to Electra and Other Plays by Sophocles (Penguin Classics)** E. F. Watling, 2008

Ajax Sophocles, 1971      Electra and Other Plays Sophocles, 1967      **The ^AComplete Euripides** Peter Burian, Alan Shapiro, 2010-06-30 The volume collects Euripides Electra an exciting story of vengeance that counterposes suspense and horror with comic realism Orestes the tragedy of a young man who kills his mother to avenge her murder of his father Iphigenia in Tauris a delicately written and beautifully contrived Euripidean romance and Iphigenia at Aulis a compelling look at the devastating consequence of man's inhumanity to man This volume reprints the informative introductions and notes of the original editions and adds a single combined glossary and Greek line numbers      **Electra, and Other Plays** Sophocles,      The Complete Sophocles Sophocles, 2009-11-20 Based on the conviction that only translators who write poetry themselves can properly re create the celebrated and timeless tragedies of Aeschylus Sophocles and Euripides the Greek Tragedy in New Translations offers new translations that go beyond the literal meaning of the Greek in order to evoke the poetry of the originals The volume brings together four major works by one of the greatest classical dramaturgists Electra translated by Anne Carson and Michael Shaw a gripping story of revenge manipulation and the often tense conflict of the human spirit Aias translated by Herbert Golder and Richard Peck an account of the heroic suicide of the Trojan war hero better known as Ajax Philoctetes translated by Carl Phillips and Diskin Clay a morally complex and penetrating play about the conflict between personal integrity and public duty and The Women of Trachis translated by C K Williams and Gregory W Dickerson an urgent tale of mutability in a universe of precipitous change These four tragedies were originally available as single volumes This new volume retains the informative introductions and explanatory notes of the original editions and adds a single combined glossary and Greek line numbers      **Electra and other plays** Sophocles, 1965      The Complete Sophocles Sophocles, 2023 Based on the conviction that only translators who write poetry themselves can properly re create the celebrated and timeless tragedies of Aeschylus Sophocles and Euripides the Greek Tragedy in New Translations offers new translations that go beyond the literal meaning of the Greek in order to evoke the poetry of the originals      **Medea and Other Plays** Euripides, 2008-11-13 the most tragic of the poets Aristotle Euripides was one of the most popular and controversial of all Greek tragedians and his plays are marked by an independence of thought ingenious dramatic devices and a subtle variety of register and mood He is also remarkable for the prominence he gave to female characters whether heroines of virtue or vice In the ethically shocking Medea the first known child killing mother in Greek myth to perform the deed in cold blood manipulates her world in order to wreak vengeance on her treacherous husband Hippolytus sees Phaedra's confession of her passion for her stepson herald disaster while Electra's heroine helps her brother murder their mother in an act that mingles justice and sin Lastly lighter in tone the satyr drama Helen is an exploration of the impossibility of certitude as brilliantly paradoxical as the three famous tragedies This new translation does full justice to Euripides's range of tone and gift for narrative A lucid introduction provides substantial analysis of each play complete with vital explanations of the traditions and background to Euripides's world ABOUT THE SERIES For over 100 years Oxford World's Classics has

made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more     *Electra, and Other Plays* Sophocles, 1954     *Sophocles: Electra and other plays: Ajax, Electra, Women of Trachis, Philoctetes* Sophocles, 1947
