the ancient language for those who are reading it more than twenty five hundred years after the play was written Such a commentary would also contribute to our understanding of other ancient Greek texts not necessarily because they use the same words in the same way but by providing information for contrast comparison and clarification This commentary includes an introduction text and notes an abbreviations list a stylistic metrical terminology list an appendix of recurrent words and a list of irregular verbs and their principal parts

Elektra Sophocles,Ezra Pound,Rudd Fleming,1990 Early in 1949 while under indictment for treason and hospitalized by court order at St Elizabeths Hospital in Washington D C Ezra Pound collaborated with Rudd Fleming a professor at the University of Maryland on a new version of Sophokles Elektra Pound s decision to focus on this play of imprisonment and justice at such a crucial juncture in his own life and art throws both the play and the poet into stark and ironic relief Rediscovered and finally produced to great acclaim in 1987 by New York s Classic Stage Company the Pound Fleming translation of Elektra is now available in an acting edition prepared by the CSC Repertory s artistic director Carey Perloff says of the translation It is energetic slightly outrageous and very American It s very chiseled very spare not flowing or lyrical It s sort of cowboy But line for line it is Sophokles Ms Perloff also gives suggestions for staging and casting which will be invaluable to other producers and directors

Electra Euripides,2004 Euripides wrote Aristotle is the most intensely tragic of all the poets In his questioning attitude to traditional pieties disconcerting shifts of sympathy disturbingly eloquent evil characters and acute insight into destructive passion he is also the most strikingly modern of ancient authors Written in the period from 426 to 415 BC during the fierce struggle for supremacy between Athens and Sparta these five plays are haunted by the horrors of war and its particular impact on women Only the Suppliants with its extended debate on democracy and monarchy can be seen as a patriotic piece The Trojan Women is perhaps the greatest of all anti war dramas Andromache shows the ferocious clash between the wife and concubine of Achilles son Neoptolemos while Hecabe reveals how hatred can drive a victim to an appalling act of cruelty Electra develops and parodies Aeschylus treatment of the same story in which the heroine and her brother Orestes commit matricide to avenge their father Agamemnon As always Euripides presents the heroic figures of mythology as recognizable often very fallible human beings Some of his greatest achievements appear in this volume

Electra USA E. Teresa Choate, 2009 Theatrical performance is the most ephemeral of arts Once a production closes the living work of art disappears Fortunately some productions leave behind enough evidence to reconstruct in words and pictures what a performance was like and to conjecture what the audience saw and heard Between 1889 and 1995 in America productions of Sophocles Electra became the project of some of the most significant directors actresses and producers of their day In reconstructing eleven major productions this book seeks to accomplish two goals first to preserve albeit in imperfect written form the productions themselves and second by tracing the history of Electra s production to highlight some of the most pivotal figures in the development of American theater including several key women often neglected by theater historians Along the way for those who celebrate Greek tragedy in production this book will allow the reader to sit vicariously in the audience and enjoy eleven Electra productions on the American stage E Teresa Choate is an Associate Professor and Assistant Chair at the Department of Theatre in the School of Visual and Performing Arts at Kean University
