Anti-Achitophel Elkanah Settle,2024-03-01 Anti Achitophel is a satirical poem written by Elkanah Settle a 17th century English poet and playwright Published in 1682 the poem is a response to John Dryden's Absalom and Achitophel which was a political allegory that satirized contemporary political figures and events Settle's Anti Achitophel can be seen as a defense or counterattack against Dryden's portrayal of political figures in Absalom and Achitophel The poem likely engages in a witty and satirical discourse using poetic language to mock or challenge Dryden's perspectives and characters During the late 17th century political and religious tensions were high in England and literature often became a battleground for the expression of opposing views Settle's response to Dryden's work is an example of this literary feud where poets used their verses to engage in political and personal disputes To fully grasp the nuances of Anti Achitophel readers can explore the historical and political context of the time gaining insights into the personalities and events that inspired these satirical works The poem provides a
