Philip Furia, Laurie Patterson, 2010-04-07 *The Songs of Hollywood* tells the story of how songs have been presented in film not just in musicals but in dramatic films as well from the earliest talkies down to the present While most songs have been done as performances by characters portraying singers who thus have a realistic excuse to sing because they are rehearsing or performing for a Broadway show another convention for presenting songs as integral spontaneous expression of what a character feels at a particular dramatic moment gradually emerged in the early 1930s and flourished through the 1950s

Hollywood Movie Musicals John Howard Reid, 2006-04 When most people think of movie musicals films like *Singin in the Rain* *Sound of Music* *The Red Shoes* *On the Town* *White Christmas* *Ziegfeld Follies* *Top Hat* *Funny Face* and *Funny Girl* immediately come to mind Such films are included in this book as are many of the works of major stars including Fred Astaire Bing Crosby Gene Kelly Betty Grable Shirley Temple Julie Andrews Elvis Presley Lucille Ball Alice Faye Jeanette MacDonald Maurice Chevalier Nelson Eddy Doris Day Dick Powell Betty Hutton Eleanor Powell and Al Jolson But attention is also drawn to less lavishly produced but very pleasant musical offerings from both major and minor studios including perhaps the finest B musical ever made In all 125 pictures are reviewed and detailed with full cast and technical credits plus songs and musical numbers awards release dates and other essential background information **Get Happy** Gerald

Clarke, 2009-11-11 She lived at full throttle on stage screen and in real life with highs that made history and lows that finally brought down the curtain at age forty seven Judy Garland died over thirty years ago but no biography has so completely captured her spirit and demons until now From her tumultuous early years as a child performer to her tragic last days Gerald Clarke reveals the authentic Judy in a biography rich in new detail and unprecedented revelations Based on hundreds of interviews and drawing on her own unfinished and unpublished autobiography *Get Happy* presents the real Judy Garland in all her flawed glory With the same skill style and storytelling flair that made his bestselling *Capote* a landmark literary biography Gerald Clarke sorts through the secrets and the scandals the legends and the lies to create a portrait of Judy Garland as candid as it is compassionate Here are her early years during which her parents sowed the seeds of heartbreak and self destruction that would plague her for decades the golden age of Hollywood brought into sharp focus with cinematic urgency from the hidden private lives of the movie world s biggest stars to the cold eyed businessmen who controlled the

machine and a parade of brilliant and gifted men lovers and artists impresarios and crooks who helped her reach so many creative pinnacles yet left her hopeless and alone after each seemingly inevitable fall Here then is Judy Garland in all her magic and despair the woman the star the legend in a riveting saga of tragedy resurrection and genius **Harold Arlen and His Songs** Walter Frisch,2024 Harold Arlen s songs like Over the Rainbow and Stormy Weather form a crucial part of the American soundscape of the twentieth century From their origins at the Cotton Club of Harlem the Broadway stage and Hollywood film studios they capture an extraordinary range of emotions and styles Harold Arlen and His Songs is the first book to look at Arlen s music across his long career and through his collaborations with the top lyric writers of his time including Ted Koehler Yip Harburg Johnny Mercer and Ira Gershwin The book also discusses Arlen s activities as a singer of his music as well as the performances of vocalists with a strong affinity for it like Ethel Waters Judy Garland Ella Fitzgerald and Barbra Streisand *A Fine Romance* Geoffrey Holden Block,2023 The central topic of *A Fine Romance* Adapting Broadway to Hollywood in the Studio System Era is the symbiotic relationship between a dozen Broadway musicals and their Hollywood film adaptations spanning nearly a half century 1927 1972 The romance begins with the stage version of Show Boat and ends with Bob Fosse s cinematic 1972 re envisioning of Cabaret Between these end points are chapters on The Cat and the Fiddle Roberta Cabin in the Sky Oklahoma On the Town Brigadoon Call Me Madam Silk Stockings West Side Story and Flower Drum Song **Austin in the Jazz Age** Richard Zelade,2015-08-17 Though renowned Austin s contemporary music scene pales in comparison with the explosion of creative talent the city spawned during the Jazz Age Dozens of musicians who started out in the capital city attained national and international fame but music was just one form of artistic expression that marked that time of upheaval World War I s death and destruction bred a vehement rejection of the status quo In its place an enthusiastic adherence to life lived without question or consequence took root The sentiment found fertile soil in Austin with the University of Texas at the epicenter Students indulged in the debauchery that typified the era scandalizing Austin and Texas at large as they introduced a freewheeling individualistic attitude that now defines the city Join author Richard Zelade in a raucous investigation of the day and its most outstanding and outlandish characters **Judy Garland** Scott Brogan,2025-06-18 A Definitive Celebration of Hollywood s Iconic Musical Star and Her Legendary Career More than 100 years after her birth Judy Garland remains the gold standard by which all movie musical leading ladies are judged She is revered and celebrated by current stars directors songwriters and others in the entertainment industry She also has a fan base that is as large as that of Marilyn Monroe or James Dean Her image especially Dorothy in The Wizard of Oz 1939 is an instantly recognized icon Garland really was the voice of MGM during her tenure and after No documentary about any aspect of the history of the MGM Studios is complete without Garland s voice on the soundtrack When people think of MGM Musicals they think of Garland along with Gene Kelly and Fred Astaire She s the only female in that exalted top three There have been many books about Garland s fabled and troubled life but none devoted solely to the study and

celebration of her years at MGM She entered the studio as a 13 year old contract player in 1935 She left the studio in 1950 carrying the title Metro s Greatest Asset Judy Garland The Voice of MGM will focus on Garland s films but it will also delve into her other professional achievements such as her extensive appearances on radio programs her long association with Decca Records and her personal appearances highlighted by her two USO Bond Tours in the early 1940s This will be the definitive book about Garland s legendary career at MGM pulling back the curtain to reveal the truths about that career while also presenting previously unknown details and facts that are sure to delight her fans as well as fans of classic film

Skylark Philip Furia,2024-05-01 Skylark is the story of the tormented but glorious life and career of Johnny Mercer and the first biography of this enormously popular and influential lyricist Raised in Savannah Mercer brought a quintessentially southern style to both his life in New York and to his lyrics which often evoked the landscapes and mood of his youth Moon River In the Cool Cool Cool of the Evening Mercer also absorbed the music of southern blacks the lullabies his nurse sang to him as a baby and the spirituals that poured out of Savannah s churches and that cool smooth lyrical style informed some of his greatest songs such as That Old Black Magic Part of a golden guild whose members included Cole Porter and Irving Berlin Mercer took Hollywood by storm in the midst of the Great Depression Putting words to some of the most famous tunes of the time he wrote one hit after another from You Must Have Been a Beautiful Baby to Jeepers Creepers and Hooray for Hollywood But it was also in Hollywood that Mercer s dark underside emerged Sober he was a kind generous and at times even noble southern gentleman when he drank Mercer tore into friends and strangers alike with vicious abuse Mercer s wife Ginger whom he d bested Bing Crosby to win suffered the cruelest attacks Mercer would even improvise cutting lyrics about her at parties During World War II Mercer served as Americas s troubadour turning out such uplifting songs as My Shining Hour and Ac cent tchu ate the Positive He also helped create Capitol Records the first major West Coast recording company where he discovered many talented singers including Peggy Lee and Nat King Cole During this period he also began an intense affair with Judy Garland which rekindled time and again for the rest of their lives Although they never found happiness together Garland became Mercer s muse and inspired some of his most sensuous and heartbreaking lyrics Blues in the Night One for My Baby and Come Rain or Come Shine Mercer amassed a catalog of over a thousand songs and during some years had a song in the Top Ten every week of the year the songwriting equivalent of Joe DiMaggio s hitting streak but was plagued by a sense of failure and bitterness over the big Broadway hit that seemed forever out of reach Based on scores of interviews with friends family and colleagues and drawing extensively on Johnny Mercer s letters papers and his unpublished autobiography Skylark is an important book about one of the great and dramatic characters in 20th century popular music
