M,2001 Joshua set in Iran and Canada is an exciting engrossing and philosophic fiction embracing Jewish history Middle East politics apocalyptic beliefs and international espionage and terrorism as the millenium draws to a close It is a novel suited for the world we know today arising out of the terrorists attack of September 11 2001 in the USA Joshua is about Joshua Goldberger posted in Iran in 1999 to work on a hydropower development and of his physical journey of survival in a land where he is caught in an intricate web of espionage and escapes from Iran and embarks on a journey of self discovery *Empowerment and Integration Through the Goddess* Wistancia Stone,2001-04 Empowerment and Integration Through The Goddess is perhaps the most profound and informative book written on the subject of the Divine Feminine and how women and men can integrate The Goddess energies into self and the world Since early in Earth s history abuse denial and ignorance of the Divine Feminine has led to the enormous patriarchal attitudes that pervade mass consciousness and even Spiritual literature This book provides one of the most in depth studies of this issue ever written from the Divine Mother Archangels and inner plane Ascended Masters perspective This is for all who are looking for spiritual growth Collectively we are shifting out of polarity consciousness and choosing empowered balanced lives This must read book braids polarity into oneness reveals the disparity of heart mind internal external compassion will experience knowledge love power and assists us across the bridge of transition into the return of full consciousness You will discover How the imbalance began What Goddess energy really is How to balance Feminine and Masculine Why experiencing the Heart is vital Manifestation through The Goddess Feeling into Physical Ascension Meditations Attunements to activate the Divine Feminine What a balanced Master is and How to Balance Love Wisdom and Power *Reincarnation in the Bible?* Dan Carlton,2013-10-24 In my early twenties I read a book that started me in a completely different direction Up to that time I had been taught to be agnostic and believed the Bible to be the result of ignorant men trying to explain what they did not understand with superstition fables exaggerated history etc The book is *There is a River* by Thomas Sugrue A few years ago I started writing down my conclusions in order to clarify to myself just what I did believe I could not accept the idea that I could be right when everyone I talked to disagreed with me

And yet my conclusions do seem to me to agree with Scripture including my belief in reincarnation which I believe is not only a fact revealed in the Bible but is a necessary part of Gods plan of salvation A motivating factor in my desire to share my understanding of truth is my belief that all of the problems in the world can be traced to erroneous beliefs If everyone correctly understood and applied truth I believe our problems would vanish God says we become what we think Pr 23 7 My belief that the Bible teaches that reincarnation is a fact hasnt endeared me to those who not only reject such an idea but also sincerely believe such a belief comes from the pit of hell and smells of smoke After reading Reincarnation in the Bible perhaps you can show me where I am in error if you disagree with me Or who knows perhaps you will agree with me At any rate I hope you find my book interesting and enjoyable if not enlightening *Throw No More Stones* Frank Conte,2022-11-03 I don't have all the answers I make no claim how I came to perceive should replace today's acceptable understanding of the Bible But what I do know is one thing I do know about out of nearly eight billion humans on earth of necessity no two were ever appointed to think or act precisely alike But since souls were created in the image of God humans inevitably followed suit meaning humans are intelligent However without solid evidence to back up questions of human life mysteries who is qualified to proclaim what is truth and what is not So as a novitiate curiosity beckoned me to strive However it has taken me forty seven years of on again off again studying fifteen years of that to undergo a skill I did not possess that as an author I stood fast in my pursuit to try to do the best I could especially to share with those who are likewise disadvantaged Anything and everything becomes possible if one is stimulated enough There is nothing to fear for everything in life has a purpose Not comfortable as a proselytizer but if my effort in some way could motivate at least just one other soul among the eight billion I consider this struggle of mine justified This book is dedicated to all herein mentioned and then some authors who played a crucial role in my understanding what the meaning of life is all about
