

Editor As Critic The Critic As Editor

J. R. LeMaster, Donald D. Kummings

Editor As Critic The Critic As Editor:

Editing Emily Dickinson Lena Christensen, 2007-10-18 Editing Emily Dickinson considers the processes through which Dickinson's work has been edited in the twentieth century and how such editorial processes contribute specifically to the production of Emily Dickinson as author The posthumous editing of her handwritten manuscripts into the conventions of the book and the electronic archive has been informed by editors' assumptions about the literary work at stake is fundamentally what a Dickinson poem may be or rather how we may approach such an object

The Bookseller, 1861 *The Bookseller and the Stationery Trades' Journal*, 1861 Official organ of the book trade of the United Kingdom

The Editing of American Literature, 1890-1930 Donald Pizer, 2012-07-30 Since the 1960s Donald Pizer has been writing about late 19th century American literature with an emphasis on the major fiction of Theodore Dreiser and Stephen Crane Most academics whose interests lie primarily in the preparation of scholarly editions are attracted to the paradoxical mix of adherence to a rigorous process and an opportunity for speculative thinking that is distinctive to this branch of literary studies And they often find appealing the notion that the end product of their labors is a book that unlike much criticism is sure to be used by others and to have a long lifespan However Pizer came to textual discussion from a different direction than most editors of scholarly editions who seldom wrote criticism about the authors and works they were engaged in editing Consequently Pizer was drawn into the text wars of scholarly editions and during the last three decades of the 20th century he produced a number of essays tackling this sometimes contentious subject *The Editing of American Literature 1890-1930* collects Donald Pizer's essays and reviews that examine the issues associated with providing authoritative scholarly editions of major turn of the century American authors Divided into four sections general essays on editing essays and reviews on the editing of Theodore Dreiser essays and reviews on the editing of Stephen Crane and essays on the interplay of textual theory and critical interpretation in works by Crane and John Dos Passos the volume expresses a distinctive position in the text wars that dominated the editing scene of the 1970-2000 period This collection of essays will be of interest to textual editors of any persuasion as well as literary critics and scholars with a special interest in late 19th and early 20th century American literature

Film Critic's Handbook Pasquale De Marco, 2025-05-02 In a world saturated with cinematic offerings how do you navigate the vast sea of movies and find the ones that are truly worth your time Enter the film critic your trusted guide through the labyrinth of cinema This comprehensive guide to film criticism is your key to unlocking a deeper understanding and appreciation of the art of film Whether you're an aspiring critic a film buff or simply someone who loves a good movie this book has something for everyone Delve into the fascinating world of film criticism and discover the different approaches critics use to analyze and interpret movies From the traditional journalistic style to the more academic and theoretical approaches you'll gain a newfound understanding of the role critics play in shaping our cinematic landscape But this book is not just about the critics It's also about the films themselves Explore some of the most iconic and influential movies of all

time and discover the elements that make them so special From cinematography and editing to acting and directing you ll learn to appreciate the artistry and craftsmanship that goes into creating a truly great film With insightful analysis and engaging discussion this book takes you on a journey through the history of film criticism from its early origins to its current state in the digital age You ll learn about the impact critics have had on the film industry and how their opinions can shape public perception and even influence award ceremonies But the book doesn t stop there It also looks ahead to the future of film criticism In an era of streaming services and virtual reality the role of the critic is evolving Discover how new technologies are changing the way we watch and discuss movies and how critics are adapting to these changes With its engaging writing style and thought provoking insights this book is an essential guide for anyone who wants to understand and appreciate the art of film criticism It s a must read for film buffs students of cinema and anyone who loves a good movie If you like this book write a review on google books

The Routledge Encyclopedia of Walt Whitman J.R. LeMaster,Donald Kummings,2013-09-05 The Routledge Encyclopedia of Walt Whitman presents a comprehensive resource compiled by over 200 internationally recognized contributors including such leading Whitman scholars as James E Miller Jr Roger Asselineau Betsy Erkkila and Joel Myerson Now available for the first time in paperback this volume comprises more than 750 entries arranged in convenient alphabetical format Coverage includes biographical information all names dates places and events important to understanding Whitman s life and career Whitman s works essays on all eight editions of Leaves of Grass major poems and poem clusters principal essays and prose works as well as his more than two dozen short stories and the novel Franklin Evans prominent themes and concepts essays on such major topics as democracy slavery the Civil War immortality sexuality and the women s rights movement significant forms and techniques such as prosody symbolism free verse and humour important trends and critical approaches in Whitman studies including new historicist and cultural criticism psychological explorations and controversial issues of sexual identity surveys of Whitman s international impact as well as an assessment of his literary legacy Useful for students researchers librarians teachers and Whitman devotees this volume features extensive cross references numerous photographs of the poet a chronology a special appendix section tracking the poet s genealogy and a thorough index Each entry includes a bibliography for further study

Walt Whitman J. R. LeMaster,Donald D. Kummings,1998 Includes almost 760 entries ranging in length from 3 100 words on the first 1855 edition of Leaves of Grass to 140 words on Elizabeth Leavitt Keller Entries include biographical data thematic formal and technical considerations discussions of the poet s social and personal life and commentary on all of Whitman s works including poem clusters major poems essays and lesser known works such as the novel Franklin Evans and two dozen short stories A chronology and genealogy are included Annotation copyrighted by Book News Inc Portland OR **The English Musical Renaissance and the Press 1850-1914: Watchmen of Music** Meirion Hughes,2017-07-05 The importance of nineteenth century writing about culture has long been accepted by scholars yet so far as music criticism is concerned

Victorian England has been an area of scholarly neglect This state of affairs is all the more surprising given that the quantity of such criticism in the Victorian and Edwardian press was vast much of it displaying a richness and diversity of critical perspectives Through the study of music criticism from several key newspapers and journals specifically The Times Daily Telegraph Athenaeum and The Musical Times this book examines the reception history of new English music in the period surveyed and assesses its cultural social and political importance Music critics projected and promoted English composers to create a national music of which England could be proud J A Fuller Maitland critic on The Times described music journalists as watchmen on the walls of music and Meirion Hughes extends this metaphor to explore their crucial role in building and safeguarding what came to be known as the English Musical Renaissance Part One of the book looks at the critics in the context of the publications for which they worked while Part Two focuses on the relationship between the watchmen critics and three composers Arthur Sullivan Hubert Parry and Edward Elgar Hughes argues that the English Musical Renaissance was ultimately a success thanks largely to the work of the critics In so doing he provides a major re evaluation of the impact of journalism on British music history

The Routledge Handbook to Nineteenth-Century British Periodicals and Newspapers Andrew King,Alexis Easley,John Morton,2016-09-01 The 2017 winner of the Robert and Vineta Colby Scholarly Book Prize Providing a comprehensive interdisciplinary examination of scholarship on nineteenth century British periodicals this volume surveys the current state of research and offers researchers an in depth examination of contemporary methodologies The impact of digital media and archives on the field informs all discussions of the print archive Contributors illustrate their arguments with examples and contextualize their topics within broader areas of study while also reflecting on how the study of periodicals may evolve in the future The Handbook will serve as a valuable resource for scholars and students of nineteenth century culture who are interested in issues of cultural formation transformation and transmission in a developing industrial and globalizing age as well as those whose research focuses on the bibliographical and the micro case study In addition to rendering a comprehensive review and critique of current research on nineteenth century British periodicals the Handbook suggests new avenues for research in the twenty first century This volume s 30 chapters deal with practically every aspect of periodical research and with the specific topics and audiences the 19th century periodical press addressed It also covers matters such as digitization that did not exist or were in early development a generation ago In addition to the essays readers will find 50 illustrations 54 pages of bibliography and a chronology of the periodical press This book gives seemingly endless insights into the ways periodicals and newspapers influenced and reflected 19th century culture It not only makes readers aware of problems involved in interpreting the history of the press but also offers suggestions for ways of untangling them and points the direction for future research It will be a valuable resource for readers with interests in almost any aspect of 19th century Britain Summing Up Highly recommended J D Vann University of North Texas in CHOICE

The Editor as Critic and the Critic as Editor John Max Patrick, 1973 *The Editor*, 1928 The Notebooks of Robert Frost Robert Frost, 2007-01-01 During his lifetime Robert Frost notoriously resisted collecting his prose going so far as to halt the publication of one prepared compilation and to lose the transcripts of the Charles Eliot Norton Lectures he delivered at Harvard in 1936 But for all his qualms Frost conceded to his son that you can say a lot in prose that verse won't let you say and that the prose he had written had in fact made good competition for his verse This volume the first critical edition of Robert Frost's prose allows readers and scholars to appreciate the great American author's forays beyond poetry and to discover in the prose that he did make public in newspapers magazines journals speeches and books the wit force and grace that made his poetry famous The Collected Prose of Robert Frost offers an extensive and illuminating body of work ranging from juvenilia Frost's contributions to his high school Bulletin to the charming chicken stories he wrote as a young family man for The Eastern Poultryman and Farm Poultry to such famous essays as The Figure a Poem Makes and the speeches and contributions to magazines solicited when he had become the Grand Old Man of American letters Gathered annotated and cross referenced by Mark Richardson the collection

is based on extensive work in archives of Frost's manuscripts. It provides detailed notes on the author's habits of composition and on important textual issues and includes much previously unpublished material. It is a book of boundless appeal and importance, one that should find a home on the bookshelf of anyone interested in Frost.

The Oxford Handbook of the Oxford Movement Stewart J. Brown, Peter Nockles, James Pereiro, 2018-01-25

The Oxford Handbook of the Oxford Movement reflects the rich and diverse nature of scholarship on the Oxford Movement and provides pointers to further study and new lines of enquiry. Part I considers the origins and historical context of the Oxford Movement. These chapters include studies of the legacy of the seventeenth-century Caroline Divines and of the nature and influence of the eighteenth and early nineteenth-century High Church movement within the Church of England. Part II focuses on the beginnings and early years of the Oxford Movement, paying particular attention to the people, the distinctive Oxford context, and the ecclesiastical controversies that inspired the birth of the Movement and its early intellectual and religious expressions. In Part III, the theme shifts from early history of the Oxford Movement to its distinctive theological developments. This section analyses Tractarian views of religious knowledge and the notion of ethos, the distinctive Tractarian views of tradition and development, and Tractarian ecclesiology, including ideas of the *via media* and the branch theory of the Church. The years of crisis for the Oxford Movement between 1841 and 1845, including John Henry Newman's departure from the Church of England, are covered in Part IV. Part V then proceeds to a consideration of the broader cultural expressions and influences of the Oxford Movement. Part VI focuses on the world outside England and examines the profound impact of the Oxford Movement on Churches beyond the English heartland, as well as on the formation of a world-wide Anglicanism. In Part VII, the contributors show how the Oxford Movement remained a vital force in the twentieth century, finding expression in the Anglo-Catholic Congresses and in the Prayer Book Controversy of the 1920s within the Church of England. The Handbook draws to a close in Part VIII with a set of more generalised reflections on the impact of the Oxford Movement, including chapters on the judgement of the converts to Roman Catholicism, over the Movement's loss of its original character, on the spiritual life and efforts of those who remained within the Anglican Church to keep Tractarian ideas alive, on the engagement of the Movement with Liberal Protestantism and Liberal Catholicism, and on the often contentious historiography of the Oxford Movement, which continued to be a source of church party division as late as the centennial commemorations of the Movement in 1933. An Afterword chapter assesses the continuing influence of the Oxford Movement in the world. Anglican Communion today, with special references to some of the conflicts and controversies that have shaken Anglicanism since the 1960s.
