David Hoeveler, 2024-11-12 In 1904 Edmund J James inherited the leadership of an educational institution in search of an identity His sixteen year tenure transformed the University of Illinois from an industrial college to a major state university that fulfilled his vision of a center for scientific investigation Winton U Solberg and J David Hoeveler provide an account of a pivotal time in the university's evolution A gifted intellectual and dedicated academic reformer James began his tenure facing budget battles and antagonists on the Board of Trustees But as time passed he successfully campaigned to address the problems faced by women students expand graduate programs solidify finances create a university press reshape the library and faculty and unify the colleges of liberal arts and sciences Combining narrative force with exhaustive research the authors illuminate the political milieu and personalities around James to draw a vivid portrait of his life and times The authoritative conclusion to a four part history Edmund J James and the Making of the Modern University of Illinois 1904 1920 tells the story of one man's mission to create a university worthy of the state of Illinois LOVE SONGS Katherine Stone, 2025-02-08 At midnight when he kissed her Diana trembled at his touch and at her own fears Was she strong enough for this She was almost whole again but still quite vulnerable and he was just wounded and so very vulnerable too What are you thinking Diana That you're a lonely man and I'm a lonely woman What else That this has disaster written all over it Even if we're very careful with each other Probably Diana laughed softly Probably Southampton A place of casual elegance and simple perfection Where whispers of scandal are as relentless as the rhythm of the sea and the desires of the heart are as timeless It is here that three women struggle to find love or to save it Julia Lawrence Her youthful beauty and glamorous marriage make her an object of desire and a target of envy But Julia loves only one man and she wishes for only one quiet dream yet there are ancient secrets and ancient enemies who threaten to shatter it all Dr Diana Shepard The world renowned surgeon knows all about healing broken hearts When it comes to her patients' hearts she is a gifted seamstress But will she ever escape the tormenting memory of the love she could not keep and find a way to mend her own Casey English The brilliant attorney has always been quite skillful at getting what she wants inside the courtroom and out in her charmed and successful life Or so it seems She alone knows that it has all been a dazzling and lonely act And when she meets the man who can set her free she must confront the truth of who she is and who she would truly like to be **Amanda's Wolves** Becca Jameson, 2016-02-04 Falling hard and fast for two wolf shifters is enough to push a human woman to the edge of sanity Adding mysterious Native
