Moon, 2003-01-01 This expanded new edition reflects the author's efforts to explore the crucial components of the education of the creative arts therapist The text reflects significant developments in the profession of art therapy important modifications in the educational standards of the American Art Therapy Association and profound changes in health care The book is an expression of the author's belief that the most essential element of art therapy is art as the core of the profession It is art making that undergirds the profession and is also the key element that art therapists bring to the client therapist and educator student relationships Central too to the author's approach is the manner in which mentor and beginning art therapist come together in their efforts to learn and grow The concern for authentic engagement in the training relationship

enhances the beginner's ability to use the self to help clients learn to use art and artistic expression to identify and integrate new insights in their lives. Topics presented include The Image Making Art Beginner's Chaos Journey Metaphor in Education Mentor Supervisor The Art Experience Core Curriculum Practical Experience Science and Soul in the Clinical Setting The Work of Art Therapy The Young Student Gifts of the Male and Female Student Role of Philosophy Therapy and Holidays Metaverbal Therapy Role of Metaphor Role of Love Role of Assessment and Role of Work. The book is ultimately concerned with the use of art and the artistic relationship to promote human growth. The author's deep understanding of both art and existentialism makes this book a high point in the ever-evolving fields of existential psychotherapy and art therapy.

**Art Therapy Education** Tami Yaguri, Dalia Merari, 2021-10-19. Art and artmaking are at the basis of art therapy as a healing practice. Teachers of art therapy emphasize the role of the creative process and the symbolic use of materials in the training of art therapy students. This volume suggests an innovative research approach that examines different art therapy teaching and training practices and studies them as parts of one picture.

*Creative Arts Therapy Careers* Sally Bailey, 2021-09-30. *Creative Arts Therapy Careers* is a collection of essays written by and interviews with registered drama therapists, dance movement therapists, music therapists, art therapists, poetry therapists, and expressive arts therapists. The book sheds light on the fascinating yet little-known field of the creative arts therapies, psychotherapy approaches which allow clients to use creativity and artistic expression to explore their lives, solve their problems, make meaning, and heal from their traumas. Featuring stories of educators in each of the six fields and at different stages of their career, it outlines the steps one needs to take in order to find training in one of the creative arts therapies and explores the healing aspects of the arts where creative arts therapists work, who they work with, and how they use the arts in therapy. Contributors to this book provide a wealth of practical information including ways to find opportunities to work with at-risk populations in order to gain experience with the arts as healing tools, choosing the right graduate school for further study, the difference between registration certification and licensure, and the differences between a career in a medical, mental health, educational, correctional, or service institution. This book illuminates creative arts therapy career possibilities for undergraduate and graduate students studying acting, directing, playwriting, creative writing, visual arts, theatre design, dance, and music. It is also an excellent resource for instructors offering a course to prepare arts students of all kinds for the professional world.

**BECOMING AN ART THERAPIST** Maxine Borowsky Junge, Kim Newall, 2015-04-01. This is not a how-to book but rather about the experience of becoming an art therapist. The text covers issues in supervision and mentorship, contains stories by art therapy students about what they are thinking and feeling, and letters to young art therapists by highly regarded professionals in the field. The reader has the advantage of ideas and responses from both a student art therapist and an art therapist with many years of experience and is clearly intended for students aiming for a career. Chapter 1 is about students as a secret society and the importance of student colleagues. The second chapter is a short history of art therapy education, while Chapter 3 is a review

of some literature potentially useful to art therapy students Chapter 4 represents Kim Newall's journal with imagery of her internship experience as a third year graduate student in a community clinic For Chapter 5 art therapy graduate students in various geographical sections of the United States describe their worst and best student experiences and their most important role models Chapter 6 is about mentoring what it is and why an art therapist should have a mentor In Chapter 7 twelve senior art therapists each with many years experience write a personal letter to the coming generations of art therapists The letter writers are all pioneers in the field Finally Chapter 8 offers a selected art therapy bibliography This extraordinary book conveys the message you can do this and it's worth it The text is a much needed contribution to the field of art therapy Students for many semesters to come will be reassured validated and informed Experienced art therapists will find valuable perspectives on supervision teaching and mentorship
